Unfinished Business

•

New Business

- Finance committee wants a new property, looking to make a t-shirt. Need approval to start working on shirt and use Unami logo.
  - Luke Cihak made motion, seconded and approved. Motion passes
- SSC of SS1
  - Start: having chapter competitions, utilizing the theme more (decorations and things like that), set time for just games so it doesn't overlap with other activities as much, organize a Lodge-wide event for everyone to participate in at once, promote Chapter identity (flag, hat, decorate table for dinner, etc.), **bandanas for chapters (for solidarity and so new Ordeals know who they go with)**, using cooler games that you wouldn't normally see at camp
  - Stop: trying to do stuff on the parade field at nighttime,
  - Continue: menu did very well, snacks that reflect theme, Scout's Own, ceremonies were great, Chapter chief picking up Ordeals, songs at meals are fun
  - New Ideas: promo for evening games, have committee chairmen give quick promos at meals instead of doing committee midway
- When Chiefs pick up Ordeals, talk to them (even though they won't be allowed to answer) about the Chapter, then have Chapter Corners with more influence from Mike and Tim English on how to run the corners. **Make cards with chapter, info to be given to new Ordeals/put in new**

member packet, tell chapter chiefs ahead of time what should be reported at General Members meeting

- Constellation Patches
  - $120 worth of patches sold, still have plenty left
  - Excess money from the patches will go into the Lodge Treasury
  - Patch glows very well
- Working on benches at Musser ceremonial grounds

Announcements/For the Good of the Lodge

Lodge Chief	• Thanks for coming. Glad to see committee meetings went very well, may do it again in the future. Chief, make sure UEs are done and submitted.
