Unfinished Business

- Tabled from last meeting
  - Approval of minutes from September and weekend
  - Anthony's proposed properties
  - Dues change
    - Special vote made through email
  - All motions passed
- 2018 Memorabilia Show was reviewed last month,
  - Final budget needs to be approved due to addition of $120 in expenses for the bread products

    - Friday was very good attendance, could have been better on Saturday
    - Luke Clancy – Motion made to approve budget document from past LEC
        - 6 abstentions, 13 in favor
- New properties: collector series of toothpick holders with lodge flaps on them
    - Things to think about:
        - If we start a series, we will need to keep up with it – new flap every year
            - Youth would pick which flaps we use for each
            - Maybe we could limit it to more iconic flaps
        - Some members of the LEC don't like having Lodge sanctioned shot glasses
            - National does produce toothpick and pencil holders, this idea came from the OA glasses that were at the last NOAC
        - We are not committing to the series tonight, just need approval to do the glasses again and what design should be on it
        - We just made these for our last lodge event, may not want to rush into doing it again this quickly
        - May be a good idea to assess whether or not to do it again after the dinner when we can see if we can sell off the rest of our stock
    - Walter Waholek – motion to table this discussion until after the Lodge Dinner
        - Motion seconded and passed

New Business

- From now on, votes will be done as a Roll Call Vote and terminology used will be "aye" or "nay"
- Matt Luke – lodge promotional video being worked on to be presented at the Lodge Dinner. If you have some videos that you want included, send them to Matt Luke.

Announcements/For the Good of the Lodge

- Walter has been absent for a while and made an announcement to the LEC apologizing for not being here. Congratulations to him on the new job, his enlistment in the Army, and good luck with his deployment in January.
- There were 90 units out of 150-200 units that did not run UEs this year
- Lodge Dinner will be Jan. 6, so sign up!!
- Mike Comfort – if you need any regalia at any time in the year, let Mike know ASAP. Give him a date as soon as you know it so that transportation of the regalia can be arranged.
- LLD is Dec. 7-9. Everyone on the LEC is encouraged to go, please talk to Aidan or Luke if you need information.
- Ron Pleis – all awards and recognitions for the dinner have been ordered and will be here in time
- Andrew Greer – is it possible to recognize chapter accomplishments at the dinner?
  - We attempted to recognize chapter chiefs last year, but we didn't have many show up
  - This year we will be running a chapter chief recognition
  - Want more of a recognition of what the chapter has done and accomplished this year, not just recognize the chief. Can be a moral booster
    - Dinner planners have made a note
    - Have chapter chiefs say what they want their chapter to be recognized for. Sent an email or Slack message to Sean if you want your chapter to be recognized
  - Planned a chapter officer into the dinner as well
- If you want to see the pictures that were found at Hart, talk to Rhys
- If you have something you can donate as a door prize for the dinner, talk to Sean.
- Brett Montique has come on to the Vigil Committee as an Assoc. Adviser, we are excited to have him.

Minutes

Lodge Chief	• Jeromy Hafer – works at Northern Tier and loves talking about OA High Adventure. If you want someone to come to talk about OA High

	Adventure, send him a message and he will be more than happy to come and give a talk. Will be absent for a few months because he will be working at Northern Tier for a few months from Jan-Feb. Has big hopes for Aidan next year.
Lodge Adviser	• Dennis Abernethy – we need to encourage more youth to come out so we can really make a difference in the Lodge. The LLD is an important event, please talk it up and let's get people out to it. Dues will be out by the end of the week. Dinner, Dues, and TurtlePass will be up within a few days on the website.
Staff Adviser	• John Bickel – those who abstained earlier, it was smart if you do not know enough about the situation. It's good to see the youth really thinking about how the voting works and what you're voting on. LLD is coming up, so be ready to learn a lot and take part in some fellowship
