Committee Reports:

- AIA (Matt Horan)
    - Setting up date with Pat to discuss plans for the year.
- Brotherhood (Brendan Bolte)
    - I have nothing to report other then I am eager to work with the brotherhood candidates, and I am excited for what this year holds. I will be contacting Mr Lewis in the next week to begin discussing our plans for the brotherhood trail.
- Camp Promotions (Pat White)
    - This month Camp Promotions worked with the Unit Elections Committee to find a way to promote camo at all the unit elections, even if they are not coming to Resica for the summer as their main camp. We also talked about creating a slideshow based on the main parts of camp. Which are food, staff, programs and facilities.
- Ceremonies (Austin Groeber)
    - We are looking for a youth to fill the ceremonial grounds crew spot to assist Rebel with preparing the grounds at weekends for ceremonies.
- Communications (Matt Luke)
    - Nothing to report.
- Conclave (Sean Plunkett)
    - The committee is hard at work, and has recently "recruited" Fred Lynch as Associate Advisor. The committee is reviewing the documentation and information from the January Council of Chiefs meeting, and upon further

information from the section, registration is likely to open soon-ish. The theme for the 2020 Conclave is Backcountry Brotherhood.

- Events (Michaela Donnely)
    - Ordeal price is remaining at $45, Brotherhood is being raised from $35 to $40, Youth general member price will raise to $35. All rates will have a $5 early bird discount if paid prior to the specified dates. Themes for the weekends are as follows: SS1 - Survivor, SS2 - Olympics, FF - Minute to Win It.
- Finance (Eoghan Pleis)
    - 2019 Account Balance Report
    - 2019 General Fund Actuals
    - If all properties were to be sold now, would be around $55,000 profit. Special Project fund on the 2019 budget is likely to change due to the cost of the Zoom Conference Call Software. The Events Account lost roughly $3,000, which will likely spark discussion about weekend pricing (losing money based off that alone). The Lodge Dinner trading post made a profit of $2,000, and the patch auction made $1,000.
- History (Rhys Wallace)
    - The history committee had a display at the Continental district Klondike, scanned some old Hart yearbooks, got some hart photos from the 80s, received some Delmont photos, and has made two Hart displays for the upcoming 90th anniversary. Rhys has personally started collecting Breyer Training Area patches for a possible display. The committee wants to thank Mark for letting Rhys borrow some items to display at the dinner and to everyone who has sent things into the committee.
- LLD (Luke Clancy & Andrew Geer)
    - Met with the Leader Development Committee to plan our Feb 8 training based on chapter officers.
- Lodge Operations (Terrence Lindsay)
    - Nothing to report.
- Membership (Anthony Glass)
    - Between 900 and 1000 people have paid dues so far this year, and those who have already paid will be uploaded this upcoming weekend. There are still LEC members who have yet to pay their dues, so those of the LEC who have not, please do so. Complete payment of the 2020 dues is required to be a member in good standing for this year.
- National Planning Meeting (Matthew McGovern)
    - The National Planning Meeting takes place in December with national level officers and leadership, and works to plan the event of national focus (NOAC this year). The OA program may see some changes this year as a whole, but the Ordeal process will remain unchanged this year. The National Business Plan did not go under vote this year, but a Strategic Performance meeting is to be held at the end of February. The total membership loss for 2019, though not officially published, is expected to be less than it was in 2018. Zach Schoenfeld is the

new National Chief, the 2020 National Vice Chief is Noah Smith. If anyone would like to be a section officer, talk to McGovern. The first female section chief was involved at the National Planning Meeting this year. 2.7 million dollar withdrawal from the National OA Endowment, National Committee is not soliciting any donations to that endowment yet (endowment helps in keeping dues down).

- NOAC (Anthony Glass)
    - Amazing time preparing so far, 37 registered so far (26Y, 11A), will have a table at upcoming scouting midway, NOAC is a great time to meet new arrowmen and attend awesome trainings, theme is step up step forward,
- Ordeal (PJ Weidman)
    - Only report is that I'm looking forward to a great year with lots of new arrowmen!
- Service (Arron Liebel)
    - Working on CSD, getting ready for the weekends, looking for more project leaders as well as CSD leaders
- Unit Elections (Brendan Flannigan)
    - Three elections have been completed so far this year. There will be a mandatory training for Chapter officers and advisors on February Eighth, all should plan to come. The Unit Elections Committee is looking for more active members to aid in logistics and in the elections team.
- Unit Representative (Owen Boles)
    - For my committee to be successful, I need a very large commitment from the chapter chiefs and their subordinates to visit troops/crews to recruit unit reps. This is just so me and Dom aren't killing ourselves. For example, my chapter is fine, we have good size for meetings and lodge events but we can't do the work for them. So just spread this message down the chain.
- Vigil Honor (Michael Calliagas & Aidan Campbell)
    - The Vigil Honor Committee would like to report that nominations are live for the 2020 Vigil Honor class. The nomination form is on unamilodge.org, located in the “Award Nominations” tab under “Leadership.” Paper Vigil Honor nominations will not be accepted. The last day to submit nominations is Saturday, February 29, 2020.

A couple of inches of fresh powder we scheduled made the derby that much better. We have scheduled 9 unit visits and spoke with 3 others about possible dates. We have 8 youth and 3 adults willing to assist.
- Minquas (Will Beardsley) [Y:5A:2]
    - At our last Chapter Meeting, we had five youth and two adults in attendance. During the meeting, we finalized plans for our Chapter Klondike, which the OA sponsored and ran the following weekend. Discussed upcoming events such as the February chapter chief/unit rep training, NOAC, and National Jamboree. Introduced new district patch and discussed the possibility of making and selling more chapter patches (old design).
- Triune [Y:2A:1]
    - Nothing to report.
- Washington (Pat White) [Y: 5 A:1]
    - During the January Washington Meeting we talked about the upcoming Unit Elections and we also relayed the information that we talked about last time to the District Roundtable regarding what date and time the units wanted to do their elections. Then, we broke off and the chapter talked about the LEC and what is going on in the lodge. Such as NOAC, the section leadership, and conclave. Then, we talked about connecting up with a few troops in the area and having a

gym night to promote the OA. Lastly we talked about creating a chapter patch and flag and we reviewed the latest lodge properties.

Business

- OA High Adventure Scholarship
    - Motion: Keep the current amount of money in the Nation OA High Adventure account, but not let it deplete below $3,000 in forthcoming years (Seconded)
        - OA High Adventure Account is currently up to $5,457, based off decision to transfer $1,000 from General into OA High Adventure Account every year, very few people take advantage of this money, recommendation to eliminate the transfer of this money and instead make a minimum of $3,000 in the account, leave the current “excess” until it is depleted under $3,000
        - Decision to transfer money into account on a yearly basis was based off of Tom Richards’ experience in OAHA; if money is not being utilized for its intended purpose, why continue funneling money into it; might be worth making the current Lodge OAHA scholarship cover the entire OAHA experience, more than $200, similar to Section OAHA scholarship; making a separate national events scholarship might also be a viable option;
- 2020 Budget Proposal
    - Motion: Approve the proposed budget with the change that charter fees are changed to $7,285 and vigil is changed to $1,700 (Seconded)
        - Communications is asking for $1,300 for miscellaneous expenditures (servers, website domains, mailchimp, A/V equipment, facebook advertising, etc.)
        - History is asking for $700 for digitizing equipment and software for documents and photos from the Lodge’s/Camps’ histories, $100 for the memorabilia show as well, helps council as well
        - New Members’ Bash is counted in Membership budget raise
        - Vigil Committee asked for increased budget to pay for the miscellaneous items that accompany keeping the vigil, new slides need to be designed and purchased (cost is not yet known), a vigil robe needs significant repair/replacement, Vigil Committee hopes to hold (a) fundraiser(s) this year, not yet discussed
- NOAC Fundraiser Patch
    - Motion: Approve the design of the patch with the simplified arrowhead instead of intricate arrowhead (Seconded)
        - Proposed design for second NOAC fundraiser flap to be available at SS1, not looking to approve costs/budget, just the design of the patch, designed to look like Philadelphia skyline, with NOAC modeled after the LOVE statue in Philadelphia

        - Detailed arrowhead should be switched for simpler arrowhead in branding guidelines
- Ordeal, Brotherhood, and General Member Weekend Price Changes
    - Motion: Approve the increase of prices (Brotherhood $35 → $40, Youth General Member $30 → $35)
        - Events loss of ~ $3,000, raise some of the prices for weekends
            - Ordeal @ 45
            - Brotherhood @ 40
            - General Member @ 35, early bird @ 30
        - Turtle pass would not be affected
        - Ordeal is counted in pricing, pay $40 for weekend, gets $40 back (food, items, etc.)
        - Brotherhood loses money on items and on program
        - Might be worth looking at how other Lodges' pricings and using them to help format our possible price raises
        - Having a numbers breakdown would be helpful in deciding these types of things
