**Approval of Last Meeting's Minutes:**
**Committee Reports:**

- AIA (Matt Horan)
    - AIA has nothing new to report. Just working with ceremonies. We had a call going over line for the roles. As far as corona, I think we should follow government instructions and keep to ourselves until an all clear is given.
- Brotherhood (Brendan Bolte)
    - I believe that the coronavirus doesn't allow for us to get together in person and allow us to give our full opinions on issues. It makes it harder for people to express their opinions especially at lec. Also, chapter meetings are hard to form because we can't meet up in person and not everyone has the technology to talk. Overall, the virus hurts the way people can express their opinions on things within the lodge.
- Camp Promotions (Pat White)
    - NO REPORT
- Ceremonies (Austin Groeber)
    - We had a ceremonies call and had a couple people looking to do more before SS2. Again people interested in ceremonies or ceremonial grounds see me. with coronavirus nothing we can do right now i would say use zoom as much as we can but other than that there is nothing we can do. also for new buis i will be presenting the idea for a award for ceremonies called black sash award
- Communications (Matt Luke)
    - The communications committee is here to help any committees and chapters figure out any issues with meetings on Zoom. Contact us with any questions or concerns at communications@unamilodge.org or though the #communications channel on slack
- Conclave (Sean Plunkett)

    - NO REPORT
- Events (Michaela Donnely)
    - This month the Events committee had an impromptu meeting before COVID-19 got too bad and canceled SS1.
    - Due to the cancelation we have now shifted our focus to SS2 and how we plan to salvage the theme of SS1 which was Survivor. We plan to be in communication with other committees to make sure all aspects of SS2 go as planned since it will be the first service weekend of the year.
- History (Rhys Wallace)
    - The history committee has made a few new display boards, is training Kyle to take over in July, and has received some donation inquiries. With everyone having more free time please check your home for old photos, documents, memorabilia, etc. Follow us on Facebook and Instagram and don't hesitate to email us at history@unamilodge.org.
- LLD (Luke Clancy & Andrew Geer)
    - Not much to report.
- Lodge Operations (Terrence Lindsay)
    - NO REPORT
- **Membership (Anthony Glass)**
    - We have 866 people pay dues and in Lodge Master, currently planning for new members bash, currently working on participation award
- **NOAC (Anthony Glass)**
    - Our biggest message right now is that NOAC is still on! The NOAC Committee had a phone call meeting last night. We talked about fundraising and we talked about our new fundraising flap which is now available on the online square store, online sales are off the charts so make sure you get your flap while supplies last! Please promote the flap to your chapters! The biggest thing now is the fact that the NOAC Program Guide is out and the committee is diligently reviewing it and we will start communication with the contingent within the week. There are still spots available so still sign up! If anyone has any questions please reach out to us!
    - Please continue to remember to promote NOAC, as both a show of strength for the Lodge, but also for the OA and Scouting movement as a whole
        - If there are any questions about the NOAC program guide please let Matthew McGovern know, he can help with any additional questions
- Ordeal (PJ Weidman)
    - Hey guys, hope all is well. I was thinking about Pats text in a group chat about missing out on SS1 and came up with an idea. We could do an Ordeal induction weekend, where it's 2 days preferably at Musser. Friday night pre ordeal and sleepout, Saturday would be work, then ordeal presentation. After the presentation ceremony can happen then dinner. Or after work do the ceremony and during dinner do the Ordeal Presentation. For brotherhood, we could do a

brotherhood blitz like in years past. It's just a rough idea, but I think it could work out well if executed efficiently.
    - Well I think the idea of virtual meeting is a good idea. We should also try to use it for committee meetings and possibly chapter meetings. That's about all I can think of right now, if I think of something else I'll let you know, but I hope we can get back together as a lodge soon
- Service (Arron Liebel)
    - NO REPORT
- **Unit Elections (Brendan Flannigan)**
    - Unit Elections Report: March
    - Currently have been 41 elections completed
        - In total we have 7% of our elections complete
        - We currently don't expect to see a large increase given the current situation
- Unit Representative (Owen Boles)
    - NO REPORT
- **Vigil Honor (Michael Calliagas & Aidan Campbell)**
    - Vigil selection meeting took place two weeks ago under special circumstances, with a smaller group of people to reduce the number of people that might be exposed. Total of five youth who got together, along with relevant adult staff. Ten members were selected for the Vigil Honor, five youth and five adults.
        - Those selected youth individuals are: Luke Clancy, Anthony Glass, Austin Groeber, Alexander Ziemba, Riley Metzler
        - Those selected adult individuals are: Melissa Sirken, Dan Lyons, Ted McDonald, Chris Smith, Heather Filer

- **COVID-19 UPDATE:**
    - Community Service Day is postponed, Service is working to find a new date
    - March LEC and April LEC are virtual
    - Unit Elections are suspended until April
        - Presentation Later
    - Spring Service 1 is cancelled
    - Chapter/Committee meetings should be suspended/virtual
    - NOAC Fundraising and SS2 are unaffected

**Chapter Reports:**

- Baden Powell (Jason Abiuso) [Y:13A:5]
    - March Chapter Meeting: Tomahawk throwing event
    - Elections: 4 Completed
    - Notes: Baden Powell patches still for sale
- Conestoga (Tyler Boyle) [Y:A:]
    - NO REPORT
- Constellation (Luke Lo Sasso) [Y:10A:4]

    - Spoke about: Unit Elections, NOAC, Spring Service 1, Tri-Chapter Camporee, Chapter Flag, Chapter Flap/Pocket, Rock Climbed
    - We held one unit election since last LEC
- Continental (Matt Reitebaugh) [Y:5A:2]
    - In the last month, we hadn't been able to get a chapter meeting done due to the pandemic. However the officers have been in the works of making a chapter event which is going to hopefully happen once the pandemic is over. We are still scheduling a few more voting times with the troops left in our chapter that we have to do voting for.
- General Nash (Zachary Kline) [Y:A:]
    - NO REPORT
- Lafayette (Kyle Rothbell) [Y:5A:3]
    - During Lafayette Districts last Roundtable we had 5 scouts in attendance. Throughout the meeting we went over what we are planning to do for our spring camporee with the basis that the Olympics will be the main theme. We also concluded that each troop/patrol will be given a country to be at the beginning and they will compete in different games throughout the day. That evening there will be a campfire with an OA callout ceremony and the winning country will be announced. The plan is to host this at Delmont or at Musser. At the moment the camporee is May 1-3 but that may change due to the evolving situation with COVID-19.
- Minquas (Will Beardsley) [Y:A:]
    - NO REPORT
- Northern (Malachi Solomon) [Y:4A:2]
    - We continued to think about ways to increase numbers within the chapter as well as how we can represent ourselves more effectively on service weekends.
- Roosevelt (Tristan Hunter) [Y:A:]
    - NO REPORt
- Triune [Y:A:]
    - NO REPORT
- Washington (Pat White) [Y:A:]
    - NO REPORT

**Business**

- Spring Service 2:
    - Spring Service 1 has been cancelled, the current plan is to transfer the program elements of SS1 to the weekend of SS2
        - Looking to maybe move the plans for SS2 (including tangibles) to FF
    - We're working with the council to still provide service to Musser, once our current situation calms down
- Constellation Flag:
    - Motion: Approve the use of Lodge Funds from the General Fund to supplement the cost of the Constellation Flag

        - Planning on using the turtle emblem for the flag, cost is currently $122.69 of which the chapter is going to cover $75, but the Chapter hopes to create another patch later in the year to “repay” the Lodge
            - Asking for ~$50 from the Lodge to supplement the cost
            - Constellation has historically made profits off a chapter patch, but the patch should not be contingent on the flag
- Ceremonies Award:
    - Black Sash Award:
        - To recognize ceremonialists for adults/youth who participate in other AIA activities, with three recipients per year
            - Similar to elangomat award, however, unlike the elangomat award, this award is currently limited
            - Might be worth bringing the max up to four
            - Specify what “other AIA activities as well” means
        - The award would a black sash, whether is be the original sash used, or a black sash with a white arrow
            - Is there a limit to when the sash can be worn?
                - The current sashes are identical (excluding additions) which fosters a unifying element, other special sashes have had special restrictions made where sashes cannot be worn, or may only be worn at a specific event (such as the centennial NOAC)
                - This sash creates a special category of people who have the “black sash,” which will be worn whether or not they are told not to
                - If someone has truly made exemplary contributions to the Lodge, it might be worth nominating them for an already existing award (youth or adult service award, vigil) rather than creating a whole new award
            - Making it a dangle, rather than a full on sash, might be a safer option than a full on sash
                - Could make a sash that cannot be worn (without a snap, too short, etc.)
        - There have been many excellent ceremonialists who have gone unrecognized, so this award may be a way to reward their achievements
        - Nominations would work just like the other awards, being nominations and a discussion/decision meeting
- Virtual Unit Elections:
    - There is a combination of zoom/Google Forms that may be implemented in the stead of face-to-face elections
        - Not a necessity, but this is a tool that could be implemented for future elections
    - Giving the speeches is very doable over zoom

- All that chapters should need to do is fill in the names of eligible people
    - Troops have smartphones/computers, etc. so this shouldn't be terribly out of realistic possibility
- Because google forms can have multiple contributors, there can be multiple email addresses that can receive election results

**Anything for the good of the Lodge:**

- May Ninth is an Adult only fundraiser for NOAC, hoping to raise about $1500 in funds for the youth going to NOAC, so adults please come
- LEC name badges are finished, and membership cards should be printed and mailed out shortly
- Reminder from Rhys that if anyone has anything for History, please try and get things to him
- Pow-Wow in the Park?!
    - Currently being worked on, so that everyone is safe, currently still on, however that is subject to change if need be.
    - Be there or be square
- Constellation, Minquas, and Conestoga are planning a tri-chapter camporee for the Ninth of September at the Haverford Reserve, for the new ordeals who have come in
- Unami Lodge has an official Minecraft Server, currently building council headquarters and Musser Scout Reservation, if anyone has Minecraft: Java edition
    - IP: craft.unamilodge.org
- Anyone that is interested in joining Camp Promotions, please let Pat White or Melissa Sirken know

**Staff Adviser Minute:** John Bickel

- Thanks to everyone who came on tonight, we have a higher attendance than typical
- Congrats to everyone for embracing the digital technology and coming out tonight
- COVID-19 has cancelled CSD and SS1, so there's a lot of service that won't be able to happen, but we would like to encourage everyone to give service back to camp in any way possible
- Summer camp is still on! We still have positions at Musser open, we're all super excited for camp this summer, please sign up or apply soon

**Lodge Adviser Minute:** Dennis Abernethy

- Congratulations to those who have been selected for Vigil, looking forward to hanging out with them!
- Dennis continues to be proud of us, especially in the face of COVID-19 currently, we're rising to the challenge
- Stay safe, we'll get through this together

**Chief Minute:** Luke Cihak

- It's important that we maintain vigilant at this time

- Virtual unit elections are looking awesome so far
- Congratulations to those who were selected for vigil
