Committee Reports:

- AIA (Matt Horan)
    - Nothing to report
- Brotherhood (Brendan Bolte)
    - Nothing to report
- Camp Promotions (Pat White)
    - Currently helping with the virtual weekend
- Ceremonies (Austin Groeber)
    - Nothing to report
- Communications (Matt Luke)
    - Working on virtual fellowship.
- **Conclave (Sean Plunkett)**
    - Conclave is not currently happening, for those who did not know. However, we (by default) won the Conclave Cup for another year.
    - Conclave refunds have already been processed
- Events (Michaela Donnely)
    - Working on virtual fellowship.
- History (Rhys Wallace)
    - I have scanned around 1,500 photo slides from the council archives. Since the scanner was $210 that means each scan was 14 cents each. That number will go down as I finish scanning the remaining boxes of photo slides. We released our Hart 90th publication digitally on our FB and IG. Lastly our podcast the "Cedar Log" will come out on June 3rd and it will cover camp, lodge, and council history. As always if you want to join the committee or have items for us to scan please email us at history@unamilodge.org.

- LLD (Luke Clancy & Andrew Geer)
    - Nothing to report
- Lodge Operations (Terrence Lindsay)
    - Working to temporarily alter the rules and procedures to allow for virtual nominations at the virtual fellowship weekends.
- **Membership (Anthony Glass)**
    - As of this morning 893 people have paid their dues. Please remind the members of your chapter during your monthly chapter meetings to pay their dues. As a reminder in order to nominate anyone for an award they must be a member in good standing with their dues paid. Dues cards were mailed out at the beginning of the month. If you or anyone you know has still not recieved their dues card please reach out to membership@unamilodge.org and we will get to the bottom of it.
- **NOAC (Anthony Glass)**
    - Earlier this month the National Order of the Arrow Committee decided to cancel the 2020 NOAC Conference due to the ongoing threat of COVID-19. In light of the cancellation National has come out with an all new event called Momentum taking place in August at the Summit Bechtel Reserve. However due to the Cradle of Liberty council cancellations of summer camps and summer programs we will not be sending a contingent to Momentum at this time (Council wide decision). Refunds are being processed by National and will be distributed from the council level to delegates soon. The Committee is working on a final budget report that will be presented at the next LEC. I would like to thank everyone who helped the NOAC Committee, we very much appreciate it. I hope to see you all at NOAC in 2022.
    - Thank anyone who has helped the NOAC committee this past year, it was greatly appreciated.
    - It would be nice to move the funds raised from this year's efforts to aid the next NOAC's fundraising efforts (not a motion yet, tabled to next LEC likely)
- Ordeal (PJ Weidman)
    - Nothing to report
- Service (Arron Liebel)
    - Nothing to report
- **Unit Elections (Brendan Flannigan)**
    - Only 48 conducted so far this year, Minquas has done the most (50% completion), Washington (48% completion)
        - 100% completion is unlikely, though we should still try to get as close as possible
    - Continue to host virtual elections!
    - There is a guide shared for how to conduct a virtual election. If anyone does not have access to it, let Will Beardsley know and he will get it to you. If troops are already doing Zoom meetings, it's very easy to tack on with an election/visitation.
    - The eligibility period has been increased from twelve to twenty four months

- Unit Representative (Owen Boles)
    - Nothing to report
- Vigil Honor (Michael Calliagas & Aidan Campbell)
    - Nothing to report

- **COVID-19 UPDATE:**
    - Summer camp has been cancelled, so no Lodge functions until FF, LECs will continue on the fourth Tuesday of the month through June and July

Chapter Reports:

- Baden Powell (Jason Abiuso) [Y:7A:1]
    - Still reaching out to units for visitations/elections.

    - Nothing to report
- Constellation (Luke Lo Sasso) [Y:10A:4]
    -
- Continental (Matt Reitebaugh) [Y:5A:1]
    - We discussed the way we were going to present our new patch, and we discussed the logistics of the patch itself. We came to an agreement that everyone liked on the way we were going to handle this patch. Other than that, we discussed chapter events and the future of our chapter within the lodge as a whole.
- General Nash (Zachary Kline) [Y:A:]
    - Nothing to report
- Lafayette (Kyle Rothbell) [Y:A:]
    - Nothing to report
- Minquas (Will Beardsley) [Y:A:]

Business

- Continental Patch:
    - Motion: Approve the proposal (include proposal)
        - The sash on the background of the patch is symbolic of the ranks that the sashes represented during the Revolutionary War

        - Would the patches be provided to the Ordeal candidates upon completion of the Ordeal?
            - Because the chapter wants to hold 30 back, those 30 would likely cover all inductions from a year, so yes.
                - 30 is based on Lodge Master records, not just a random number
        - The detail on the turtle (embroidery) should not be too detailed to be recreated successfully, so that should not be an issue in the production process
        - The 200 initial order should set Continental up for two years without need for reorder.
        - Asking for $280 plus shipping to create 200 patches.
- Virtual Fellowship Idea:
    - Hopefully planned to happen June 13-14
        - Game night?
        - Cracker barrel (zoom rooms by committee/chapter?)
        - A general members meeting needs to take place at the weekend so general members know what's happening and so officer nominations can be opened
- Nomination Process:
    - After the general member's meeting, nominations will hopefully be opened (with approval from Dan Templar (SCOTF)
        - Lodge Ops has created Google Forms detailing the positions and asking for nominations
            - Given that self-nomination is a pre existing thing, "false" nominations shouldn't be too much of an issue
            - Keeping the form open from when nominations open to when they close might be a good idea, although as of current nominations are only open during LECs and General Member's meetings

Anything for the good of the Lodge:

- Any changes to the Rules and Procedures that occur during this time are temporary adjustments until further notice, not permanent changes.
- Thanks from the History committee for the funding and project approvals that have happened this year
- Photo/video contest, giving out Camp gear, Lodge money?
    - Committee should have money in the budget so that should be considered to be used
- Cedar Log podcast is coming up as part of the History committee, first episode is coming out June 3. If anyone is interested in being interviewed, email the history committee or talk to Kyle Rothbell

Staff Adviser Minute: John Bickel

- Thanks for everyone's help and perseverance these past couple months with everything
- Your flexibility is appreciated
- The Resica team has put together some great programs for this summer, so any who are scouts, please consider signing up for a week.
- As we are eventually able to reopen camp, we will need people's help working on camp and work crews
- Help keep scouting moving forwards!

Lodge Adviser Minute: Dennis Abernethy

- This whole fiasco will eventually be over, and we'll be all the better for it
- When called upon, we need to step up and help (especially with work crews and the like)
- Let's keep growing and moving forwards, let's keep planning
- Michaela did a great job MCing the Council event
- Thank you to all who came to the meeting, remember we have meetings in both June and July

Chief Minute: Luke Cihak

- Thank you all for coming, really happy to see people coming to virtual meetings
- Gotta keep planning, gotta keep going, especially with events and actual face-to-face meetings
- We're gonna start working on the virtual fellowship this week
