Business

- **Approval of 2021 Dues and Turtle Pass:**
    - Incentivizing proposal for dues payment:
        - Why are we incentivizing?
            - To ensure that members will pay dues, we need to create an incentive to encourage members to pay their dues next year
            - Good-will proposal to encourage and aid members to pay their 2021 dues
            - The incentive is a great idea in the climate of a pandemic, especially when financial issues are afoot
        - Incentive?
            - If 2020 lodge dues were paid, individuals will receive a $5 discount on 2021 dues ($15 → $10, $20 → 20)
            - If member did not pay dues, they will not receive a discount on dues; discount does not expire
            - If the member completed their ordeal in 2020, their 2021 lodge dues are paid for in 2021
        - How will this be achieved?
            - Everyone who paid dues in 2020 will receive a Double Knot coupon code for the $5 discount
                - It is possible that people won't see them/use them, so whatever expected costs might be minimized due to lack of usage of coupons
    - Questions?
        - How much have we saved in 2020 by not spending nearly as much money?

- Committee went based off the most recent budget report, and while, yes, the committee is still spending money, the General Fund will be maintained
- Roughly $5,000 will be put towards this incentive, coming from properties
    - Represents about 20% of our budget for the 2020 year
    - This money could come from NOAC budget (that never happened) instead of squirreling it away for a rainy day
- Report was from June, but does not reflect the recent incurred expenses (ordeal, vigil, dinner)
    - We are likely not in a profit situation right now, so the report that the committee used for its basis is not entirely accurate
- Committee plans to work to encourage more profit from properties, through store expansion and social media postings
    - Shipping larger items requires more expensive costs, so expected profits might not be as grand as imagined, but council office pickup is always available

■ What are people getting from the Lodge when they pay their dues?

- The website is out of date, the Unami Update is lackluster at best, etc.
- Beyond feeling good about supporting the Lodge, there is no substantial value given to dues payments that members can actually see
- Might be valuable to publicize what dues money goes towards, so that members can know what they're paying for
- If the issue is needing tangible value, chapters can have limited in-person events, which would definitely provide a needed respite from the mindless boredom of being stuck at home all day

○ Motion: Approve Anthony Glass' proposed 2021 Dues incentive plan.

○ Turtle Pass:

■ $75 for both youth and adult members, dues not included

- $75 comes from increased $25 early bird fee that was decided on in early 2020 or late 2019
- We don't truly know the costs of any weekends that might take place, given that prices have gone up for everything
    - Single-serve containers cost about $7 per person on top of the increased food prices, which boosts the total weekend expenses

■ Motion: Approve the 2021 Turtle Pass proposal of $75.

- **Ordeal Weekend Thorns and Roses:**

    - Great event and a great experience for people to see each other and complete their ordeal. Some candidates didn't want to wear masks all the time, so going over mask requirements a couple times during the weekend might be beneficial
    - Check in could have been better, there was some confusion about what needed to be done
        - The venue is changing for the upcoming weekend, so the traffic pattern will be different and will need to be updated
        - The check out process was also a bit chaotic, where parents picked up scouts but forgot the new members packets, so the staff needs to really be on top of dispersing information
    - If at all possible, try to have representatives from Chapters to have a little meeting after the weekend so that new members can get a contact and receive some additional information
    - The food was very good!
    - Jason Abiuso's brother had a great experience at the weekend
- **Lodge Standard Flaps:**
    - Motion: Approve the purchase of 500 more standard flaps.
- **Announcement of 2021 Lodge Chief:**
    - The 2021 Lodge Chief is… PATRICK LYNCH
    - Remember to vote and encourage everyone you know to vote, remember to use the email that you received the form with.
    - Vice Chief begins at 7:00 am tomorrow morning

Anything for the good of the Lodge:

- LLD is coming up, with a theme! The Flame Within! Also, side note, similar to Steve Ranjo's vigil name
- Events committee is currently planning another virtual event, hoping for it to be a day event instead of a full weekend. Hoping for the event to be on November 21.
- Jason will be running for Vice Chief tomorrow
- Lodge Award nominations are ending on Saturday, the 31
- Shoutout to the vigil ceremonialists this weekend, it was spectacular
- John Bickel will be welcoming a new addition soon, so congratulations to John and his wife
    - He cannot throw the baby the way he throws his dog, apparently
    - Also his son will likely be taller than him, so there's that

Staff Adviser Minute: John Bickel

- Thank you and congrats to both the Vigil and the Ordeal for going so well, the food was awesome and the work that everyone put in was awe-inspiring
- Hoping that the Ordeal has great weather
- Thank you to those who have been helping out with council events, there's so much going on and it's awesome to see such an effort to reinvigorate scouting
- Congrats to Pat and the future officers

Lodge Adviser Minute: Dennis Abernethy

- Apologies for not attending last month's LEC
- We did substantial voting for a lot of business this month, so thank you to everyone who stuck through it tonight. Thank you to Anthony for such a well put together presentation.
- We do have a weekend coming up, hope that the weather and temperatures cooperate for that

Chief Minute: Luke Cihak

- Thanks to everyone who came out tonight, very productive meeting
- We made the correct decision to move forward with the incentive
- Thank you to Anthony for the excellent presentation and his ability to answer the difficult conditions
- Congratulations tot henew vigil members (Alex Ziemba, Anthony Glass, Riley Metzler, Melissa, Ted McDonald, Dan Lyons, Luke Clancy, Austin Groeber, Chris Smith, Heather Filer)
