Business

- **VOA/Lodge Event:**
    - Will wanted to create an event where the VOA and the Lodge are able to join in learning and fellowship.
        - The Lodge will be able to possibly gain new interest in some of the Venturers whose crews aren't as involved in the OA as others.
        - Not meant to be a proposal or call for a vote, but merely to gauge the interest of the LEC in having this virtual game night.
        - Possible games:
            - Kahoots (possibly one about Mr. Cless, as suggested by PJ)

Anything for the good of the Lodge:

- Please pay dues, if you have not yet already! Those who paid during the 2020 year should have already gotten a discount code.
- If anyone is interested, the VOA and Area 5 are hosting ILS, so please spread the word. If you are new to being in a crew, it's worth attending so you understand how the crew structure really works.

Staff Adviser Minute: John Bickel

- Thank you to everyone for working so hard this year. John is impressed at the hard work that was accomplished this year, despite COVID.
- Please make sure to spend some time with your family this holiday season (safely). You give so much of your time to scouting, so try and remember to spend a bit with those around you.

Dan Templar enters the arena

- It's great to see everyone in their holiday gear and having a good time.
- It was awesome to hear the year-end reports, and hear how much the Lodge was able to accomplish this year. Dan could not be more proud of the Lodge and the LEC
- One of the downsides of being the Supreme Chief of the Fire is that you don't often interact with the youth, and most involvement is with the Lodge Advisor. It was cool to work with Dennis, but his time is coming to an end. Craig Cless will be serving as Dennis' successor as the Lodge Advisor entering the 2021 year.

Dan Templar flies into the night, elf hat bouncing merrily

Lodge Adviser Minute: Dennis Abernethy

- It really feels like it hasn't been five years. It has been a pleasure working with the youth, and seeing the Lodge's forward momentum. Despite the pandemic and time limitations, the Lodge was able to complete multiple induction weekends, and our membership growth was decent.
- This year's dinner will be virtual, in a format that allows us to watch it like a TV show. If the dinner is promoted well enough, we might be able to reach many of the Lodge members who are more abroad.
- Happy holidays!

Chief Minute: Luke Cihak

- When the year started, Luke wasn't exactly expecting a global pandemic to shut the world down. Despite that, the Lodge was able to adapt, both by creating virtual program and by augmenting existing programs to fit the new limitations.
- Thank to everyone, especially so Dennis, who has been a rock for Luke during his term as the Lodge Chief.
