- **Unit Representative (Andrew Geer)**
    - A new google form has been created to better send the committee Unit Rep. information. This will ideally be filled out by Chapter Officials rather than individual troops.

There is another scheduled for Feb. 27, which should still be happening (tree cutters and adults only). March 6 and 27 are also planned to be work days, April work days are in discussion right now. Those interested in attending must register on the Lodge website
    - The patch design discussed last month is completed. Presales will begin in a week or two. Limited to 100 patches, estimated price is $25.
        - Discussion about how to make the patches limited edition (limited to 100 total, limit to number of presales, special borders, etc.)
        - **Motion**: Purchase 150 patches to be sold at $25 per patch with a limit of 3 patches per person
- **Community Service Day:**
    - Because of the different COVID-19 restrictions in the varying regions of PA, the service committee would like to move the planned Community Service Day to Camp Hart.

        - Craig will talk to Bobby and Aaron about this, because this kinda defeats the purpose of community service

Business

- **Unit Elections Time Frame:**
        - **Motion:** Change Article 3 Section 2 Clause D of RUles and procedures to “A Scout troop, Venturing Crew, or Sea Scout ship may request one election at any point during the months of January through September”
    - Some Lodges have limited election time frames (3 months, 6 months, etc.)
    - By implementing an election time frame, units will be unable to continually push elections off, and will better allow for inductions to take place close to inductee’s elections

        - This will be a Rules and Procedures change, which involves both LEC and General Membership approval
    - Questions and Comments:
        - Which Lodge's use limited election time frames, and what is their growth rate?
            - Since January, Luke has talked to several brothers in other lodges who use a limited time frame, and they all said that having a limited time frame was helpful.
        - Back when Unami Lodge used this method, over 90% of elections were completed because there was organization with hard deadlines, and while eliminating said deadlines seemed good at the time, it has seemed less effective in the long run
            - As time frames have been expanded, total election completion percentage annually has gone down
        - From a programmatic standpoint this makes more sense, as it eliminates some of the limbo months (October through December) where elected members are unable to be inducted
- **Unami University:**
    - Planned to be a training event not exclusively focused on the Lodge or the LEC.
    - There will be a vote via form on possible Unami University sweaters. The price to be produce will be around $22, and will likely be sold for between $30 and $35 (depending on shipping and final prices)
    - Two types of training cells (30 minutes and 60 minutes where the shorter cells may be repeated and of a large variety of topics where longer cells will be more focused and will not be repeated.
    - Hoping to take place on May 8 or May 9 (to be a training/activation event) but there are several possible weekends as calendars shift
        - Hopefully expand this to other Lodges in the future
- **Cradle of Liberty Jam CSP and Lodge Flap:**
        - **Motion:** Approve the design of the 2021 COL Jam Lodge Flap
- **SS1 Patch/SS1 Budget:**
        - **Motion 1:** Approve the 2021 SS1 Proposed Budget as it appears here and on the screen
        - **Motion 2**: Approve the 2021 SS1 proposed patch with the intended changes of changing the COVID-19 virus to a brain and "APOCALYPSE" to "Zombie Apocalypse"

          Motion 3: Approve the upcoming 2021 SS1 proposed patch (tabled)
    - April 16-18 at Musser Scout Reservation
        - Estimated about 250 people in attendance (70 turtle pass)
    - Patches will cost $347.50 to produce
    - The "dues for ordeal candidates" line item pertains to 2022 dues, not 2021 dues. This charter fee is not a negative in the 2021 budget, but will be used as part of the chartering fee in 2022

    - Move the $297 proposed profit to the program budget
    - SS1 will be apocalypse themed, SS2 will be mystery themed, and FF will be haunted themed
        - Is it gauche to commodify a current pandemic as imagery on a patch? The concept of apocalypse is kind of abstract but including COVID-19 imagery makes it substantially more real and personal
    - After **Motion 2** failed discussion:
        - What theme should we switch to then, since this motion failed
- **SS1: (Tabled until the next COVID-19 Task Force)**
    - Do we want this to be one night or two nights?
        - We all want to get out and see our friends safely, so it might be more prudent to do an ordeal weekend combined with a fellowship day, which gives a lengthy and ambling weeking a scheduled purpose

Anything for the good of the Lodge:

- Momentum is being planned as a pseudo-Conclave. Trainings will be virtual
- Thanks to everyone who came out to the VOA/OA event
- Vigil nominations close this saturday
- Feb. 27 is an adult-only service day, March days are the 6th and the 27th

Staff Adviser Minute: John Bickel

- Let's stay positive and find ways to get outdoors safely
- Thanks to the events committee for working to get people out safely
- The 25th council anniversary Battle of the Bands is coming out

Lodge Adviser Minute: Craig Cless

- Reaching for the stars is now a possible, tangible thing. Continue having ambitions and reaching for the stars and do great things.
- Enjoy life, be safe.

Chief Minute: Pat Lynch

- Thanks for coming out and staying for the long meeting
