Business

Hart Ceremonial Grounds: Back at a previous LEC, It was talked about that we give a donation to Musser Scout Reservation from the leftover funds from the Ground Project. The grounds crew spoke with the ranger and we would like to give you $3,750 to new tools and reorganize the trailer that they sit in. This project would serve as a project at SS1.

Motion: I would like to make a motion to donate $3,750 to donate new tools and the refabrication of the trailer. Second by Zach Kline.

Conclave: (see in report)
Motion: I would like to make a motion to use the Lodge Totem, the turtle to put on the glow caps for conclave. Second by Liam Lynch

SS1 Budget: The numbers we have this year are based off of our weekend last year, but we upped the numbers a bit since we think more may show up. We estimated about 200 people to show up in total. For the program, we are not allocating for as much since we only need to purchase foam swords. The total for each participant is $28.75.

Motion: I would like to hold a motion to approve the 2022 Spring Service One Weekend Budget. Second By Kyle Rothbell.

Event Patches: This is 4 different patches in which you earn by coming to each event. (all three weekends and the dinner) Each of the colored patches display the theme of each weekend. The dinner patch shows the theme of the whole year which is through the years. The entire patch

will be about 5.5 to 6 inches across. The patch design will be used as reference, to allow AB emblems to mock up a new design.

Motion: I would like to make a motion to approve the Lodge Turtle and name, and to include a vague resemblance of the previous patch. Second by Benson Davis.

New Unami Properties Design: This is a new design we would like to use one of our new lodge properties. We would like to get this concept approved, but the fine details will be tweaked.

Motion: I would like to make a motion to approve the concept of the design. The motion was tabled until the March LEC.

History Committee: The history committee would like to create their own banking account to help organize the selling of some archives. The money that the committee would profit from would help to purchase things like bins and other needs of the committee. The committee would like to be more self-sustaining, and we don't want to have to keep track of our money within the Lodge's account. We will make a spreadsheet that tracks the history of the account. (what comes in/ out). For this to happen, the account needs council approval.

Tabled until next LEC

Anything for the good of the Lodge:
Liam Lynch: April 2nd, I am looking for 5-6 arrowmen to help out at the council wide Pinewood Derby. We are hoping to have a table, maybe with some activities to introduce Cub Scouts to the OA.

Kyle Rothbell: The History Committee has their flags in! The cost is $20, but please know there is a limited number of flags. Patches on their way, they will be $5 each. Some will have pocket loops, some will not. We filmed an episode of The Ceder Log with Pat Lynch, it is out now!

Luke Clancy: Sign up for LLD on Saturday! Sign up close tomorrow, if you don't sign up you will get an angry text from me in about 20 minutes1 Also, please sign up for Conclave! Our Lodge will be donating patches for the patch auction, if you would like to donate patches, please contact me!

Jason Abiuso: We have 4 spots left for NOAC, these spots are for youth only. We expect these spots to go fast!

Matt Gutterman: For Chapter Chiefs, the inputting process for Unit Elections has changed. We will have a training on this at the LLD, if you have already completed elections please bring the results with you to the training.

Anthony Glass: We have decided a date for our Adult Trivia Night, it is May 21st. This is a fundraiser night for our NOAC contingent, but it is for adults only. Encourage your parents to come out.

Larry Neibaurer: As some of you may know, these past few weeks have been a tough one. I would like to thank the lodge for all of the support and kind words you have given to us. We appreciate it very much.

Will Bearsley: The weekend on May 20th-22nd the VOA is having a weekend! This weekend is open to all scouts ages 14 +! It is going to be a wonderful weekend with several activities, I would love to set something up with the OA activities wise.

Michaela Donnelly: On June 3rd-5th, there is a Territory 13 event happening in New Jersey. On July 31st-August 4th, there is a Sea Scout and Venturing Advancement Event. If anyone is interested in this event, please let me know! More details to come soon.

Staff Adviser Minute: John Bickel
As the Lodge Staff Advisor it is my great pleasure to present the Lodge Chief and Advisor with the Lodge Charter! Congrats to the Lodge on their Recharter. As a reminder, we are always looking for great camp staff members at Resica Falls! If you are interested in serving on staff, please reach out to camp leadership. We also have several Day Camp Volunteer opportunities throughout the council. Make sure to use correct YPT terminology, once you turn 18 you are an adult in Scouting and you need to follow all barriers to abuse and YPT guidelines.

Lodge Adviser Minute: Craig Cless
I plan to have a more meaningful minute at LLD. We had a great conversation today, I would like to thank everyone for their hard work tonight. I am excited for LLD and I will see you all there!

Chief Minute: Patrick Lynch
Let's make sure to get 5-6 arrowmen for the Council Wide Pinewood Derby. Look for an email from Service for the upcoming Community Service Day. On March 26th, in the evening General Nash Chapter will be having a Chapter Callout. We would like to open this up to the entire Lodge. Look for more information from the Chapter Chief, Anton Meyer. Thanks for the great discussions and cooperation tonight. Please try to make sure to make it on time. Keep pushing forward and making this Lodge the best it can be, while also being respectful, that is the best way this Lodge can run. We are all here for the same reason, so let's keep this in mind in our lodge duties.
