Membership: (Katherine Schaffer)

As you all know, dues are an important part of our lodge. You need to pay your dues to become a member in good standing. Dues paid this year are low, so this is a reminder to people, who haven't already, to pay their dues! Paying your dues makes you a member in good standing and allows you to participate in all lodge functions. You need 523 dues paid, still many brothers not paid dues yet. Ordeal candidates who did their ordeal in October should have their dues paid for 2023.

Brotherhood: Brotherhood Blitz (Griffen O'Brien)

Luke Smallberger is the Chairman, Griffen O'Brien is the vice chair, Mr. Lewis and Mr. Lynch are advisors. Event upcoming. A brotherhood blitz, developed to get a lot of brotherhood conversions through the years. Targeted to youth and adults in the lodge for brothers outside the lodge to get another opportunity to get their brotherhood. That way people who are eligible can seal their bonds. Day event during either the spring or summer. A DAY EVENT where people come to primarily do their brotherhood with minimal staff. Draft schedule: 730 arrival, and set up 8am opening registration 830 start service projects, lunch, brotherhood trail 3pm brotherhood ceremonies 430 departure. Draft schedule, there will be a more put together one when the brotherhood committee plans the event. Pushing for events because in 2019- 107 brotherhoods, 2020- 21 because of covid, 2021- 88, 2022- 67 we have been going down with the same number of weekends. Want to schedule the event to give people an extra chance to seal their bonds. Last brotherhood blitz 4-5 years ago, very successful, 30-40 people. Induction weekend in 2019 for ordeal and brotherhood with short staff. Though forecast for later this year or next year, December is still an option. Bhood blitz used to be held in december bc we wanted as many people to show up to the spring weekends and fall weekend. PROMOTE NOW to get good turnout. You would also have it as an activation event. Be able to advertise in spring service 1 and 2 and fall fellowship or piggyback off of LLD. Help propose the budget and event date. If you know people able to get their brotherhood done, sign up for SS1 and SS2. reach out to the brotherhood committee.

Business

Spring Service 1 Budget- (Mara Strauss)

Budget presentation for ss1. Dates April 21-23rd at Musser. 250 for our April weekend is a lot. We really want some huge weekends this year and promote. Martin- something along the lines of if we have more people, we have more money, to have better weekends. Need to promote, promote, promote. 115 general members, 25 brotherhood, ordeal 60. Event patches rounded to 2 dollars because different sizes. Weekend bracelets, programs 676.25. Printing had $0 booklets are gonna be bigger and have to buy staples, printing is in the overall budget for the lodge. Food was rounded up and then some more. Food is increasing to have some fun food choices. Ordeal food is in the ordeal list. Sash price went up to $24 to have easier to understand numbers. Sashes are expensive. Handbook 3.35, lodge flap, EMAT bag, EMAT refund. Estimate of 7 EMATs to allow for the big numbers. Brotherhood, the only thing there is for sashes. Administration is for balancing it out. Program: put the rest of the money in the program doesn't include weekend bracelets and event patches. Event patches and weekend bracelets are a different category. Program is the afternoon activities. Total expenses: 11,250 which would balance out. Change total to get a profit depending on cost needed. And then get a profit and push it to the next weekend. SS1 activities: Earth Theme- choose your own adventure booklet and stamp off. Earth theme bc Earth day is Sat April 22nd fishing, boulder walk (talk to dave gibbons), scavenger hunt (voa for musser pretty easy going, go at your own pace, reworked for our theme) nature lodge activities (not so expensive but will get more expensive as weekends go on), bring aluminum cans (donate and get money for the lodge). Take the profit and push to future weekends. This is all happening at night so fishing and boulder at night might not be the smartest. Service ends at 3:30-4 so people have an hour or 2 to go to a station or 2 before dinner. Scavenger hunt was designed to happen at night. We have 3 turtle passes sold so far. No discount this year so wouldn't change the price of the numbers. Somewhat guaranteed number for weekends. 170ish for SS1 2022. Attendance goes to 190. How would that affect the budget? Don't need to spend so much money on a program. We could keep most of the stuff the same and so if something happens to the attendance number, it wouldn't really affect the total expense and income. EVERYONE HAS TO PROMOTE, to ensure that events get enough people to attend SS1. Flyer for spring service, a bunch of posts coming up. District committees are always looking for things to put on their newsletter and fliers. Flier is a general channel on slack. Really serious about recycling on weekends! Sustainable.

Motion: I would like to make a motion to approve the 2023 spring service 1 budget- Mara Strauss Seconded by Paul Siminuk

Event Patch Set- (Mara Strauss)

SS1 patch: earth theme 2'4', bear a guy fishing

Ss2 patch: 4 elements water theme; 10 colors fishing continues (program ideas: slip and slide (bc warmest weekend), water balloon toss/ game, super soaker game/ no water gun fights, dunk tank, special people (Mr. Cless in full Class A, Liam, Skye, Mara, Dan McDougald, registration based incentives)), details are going to be really difficult in the coral change the orange to same orange and green to same green

FF patch: air themed, mountain on earth goes into fall fellowship, proper info (hot air balloon at the weekend, might fit in garrison parking lot) guidelines allow us to tether and go up to 70 ft, he's willing to bring an older balloon to stand one up in the parking lot and show us how it works

(bounce house (depending on costs), frisbee golf, ultimate frisbee, make your own hot air balloon/ airplane races)
Dinner: night sky to tie it all together to finish it off; need to add a WWW in the dinner patch maybe put it in the moon or ghost it to not include more colors.
Fire dangle: summer induction weekend; not included in the full patch set because not every general member won't be able to attend (fire, glow stick, drum, music) August 4-6 (it is fixed)
Motion: I would like to make a motion to approve all 5 event patch designs with the change of the WWW in the moon. Mara Strauss Seconded by Griffen O'Brien

Lodge Ops- rules and procedure change (Martin Stacey)
I wanna go home so this is gonna be brief. Rules and procedures change. Brief overview lodge rules and procedures, everything we do and we need to change this, going to jump right into it. In appendix e, we have the scouting historical legacy fund and vigil honor accounts. With the accounts now officially created, the placeholders should be removed and the actual account numbers put into the headers as is done with the other accounts in the appendix.

Motion: I would like to make a motion to add the Account numbers and remove the account number placeholders under Appendix E - Lodge financial accounts. Martin Stacey Seconded by: Luke Smallberger

In a nutshell in appendix b is everyone's position. Every lodge officer has to conduct other duties assigned by the lodge chief. So it makes sense to get rid of shall conduct other duties assigned by the lodge chief on the Lodge Chief's roles. The lodge chief description does not need to include doing duties as assigned by themselves.

Motion: I would like to make a motion to remove the following line, Shall conduct other duties as assigned by the lodge chief, under the Lodge Chief's description under Appendix B. Martin Stacey Seconded by: Jack Ashton

Chapter responsibilities under chapter secretary is blah blah blah. We are looking to add the following responsibility, shall send an attendance report of unit rep to the unit leaders. This is from the unit rep chair- look at lodge ops doc. Unit Rep wanted to make sure that the OA troop rep position was being used as an actual leadership position. There are possibly many people and troops of people who use that position but don't actually do their jobs. That way the leadership can actually be counted. Chapter Secretary sends an attendance report to the Unit Leaders! The unit representative committee would like to suggest to leaders in the council that the OA Unit Rep position only be counted as a leadership position for rank if the individual performs their duties by participating in the chapter meetings. This would provide a method by which the unit leaders can evaluate whether they wish to count the time served in the position or not. It provides a responsibility for the secretary, but would revert to the chief or vice chief if there is no secretary.

Motion: I would like to make a motion to add the following line under the Chapter Secretary description under Appendix B. Martin Stacey Seconded by Star McMackin

Add Clause B: under voted process for lodge officers, when a lodge officer is voted they Nominees running for a lodge officer position who are not present at the time, unless it is an extenuating circumstance. This is because people recording can be perfect many times, but people present in person.
Add the following clause: Clause B: Nominees running for a lodge officer position who are not present at the time of the election process are not eligible to submit a recorded speech unless there are extenuating circumstances.
Sub-section 1: A determination on if a situation meets the criteria of extenuating circumstances shall be made by the lodge operations chairman in consultation with the lodge chief, lodge adviser, lodge staff adviser, and lodge operations adviser.
Sub-section 2: If the lodge operations chairman is themselves a nominee in the current election process, their duties determining if a situation meets the criteria of extenuating circumstances shall be passed on to the youth in charge of running the election process.
Sub-section 3: If the lodge chief is a nominee in the current election process, they will not be consulted in the process described in clause B above.
Sub-section 4: Any officer who is approved to submit a recorded speech shall be required to schedule their recording with the lodge operations committee and complete their speech in one take.
Similar to Liam; planned months in advance; 1 take and need to have Lodge Advisor/ Staff Advisor/ and lodge ops advisor there. In subsection 4 change officer to candidate. You don't want to be talking to a screen, you would rather talk to a group of people. Having Covid? This makes it fair because they could record it, watch it back, and retake. This adds even playing field for all officers. List out extenuating circumstances? Planned and recorded months in advance; turned and reviewed. Call in if they are sick. This is for something that is already forcing someone to not be there. A night before isn't acceptable but maybe a month or 6-months. There was some discussion about whether the ability for someone to not attend the weekend and prepare their speech ahead of time gives those nominees an advantage with a better ability to convey their "perfect" speech. This rule would prevent nominees from getting an unfair advantage.
Tabled for a future LEC Martin Stacey

National Jambo Flap- (Zach Kline)
2023 full National Set. Only voting on the lodge flap of the magic gardens. It's a picture of the magic gardens, South street in Philadelphia. Includes a 2023 national jamboree, silhouette of turtle will match the rest of the set, including fleur de lis, WWW, Unami Lodge, One. Send it to the patch company and let them deal with it. Standard turtle logo. Tried it with Independence hall but the turtle looked like Godzilla. Tried to replicate all the other patches. All the patches borders and silhouette will be the same as the other council patches. WWW is not straight turned them 90° to read it www down. Independence Hall could be done with our actual logo. City skyline and our lodge logo. Honoring our council offices. Fred the turtle but if we put the

Unami turtle and people will know it's ours. Maybe magic gardens with our lodge turtle. It's a pretty patch and people will want pretty patches. Philadelphia Zoo, America's oldest zoo with the Unami Turtle. An outline of our standard on the patch.
Turtle design: switch to standard turtle
Background: Betsy ross house; lady sewing flag on patch or philly skyline
Standard logo turtle, www in building, philly skyline, fleur de lis
Our logo is the main focal point
Black background

Motion: I would like to make a motion to approve the 2023 flap as shown here. Zach Kline Seconded Griffen O'Brien

Anything for the good of the Lodge:

Paul Siminuk- We are going to now be selling the Unami Lodge Belt Buckles for $25 a piece. Go see Slocum after the meeting.

Will Beardsley- On a more serious note, today passes the 2 year anniversary of Taylor White in Alabama. I would like to take a moment of silence to remember those brothers who lost their lives.

Craig Cless- Mr. Deck's son passed and we have donated 250 to the Steven scholarship to keep Bob Deck and family in our prayers. Let's take another moment of silence.

Griffen O'Brien- Reminder that the Cradle of Liberty eagle scout dinner is april 30th from 12 to 3pm in Franconia PA at the Franconia Heritage Banquet Center. Cost is $50 to attend. Scouts who earned the rank of Eagle Scout in 2020, 2021, and 2022 are FREE. They will be honoring the distinguished Adult Eagle Scout Award as well as scholarship recipients. Lets try and have a good showing by Unami Lodge Members. You need to register on the council website. I would like to have a great unami presence sign up on the council website.

Fred Lynch- At Spring Service ,1 an informal seasoned reunion of camp staff. Between 1-3 and we should pick their brains about how camp was in the past. Patrick is having a difficult time at basic training because he has a whole bunch of knuckleheads in his group. Please send him letters with return address on them, but NO CARE PACKAGES as they will be punished with push-ups and the drill instructors eat the care package. Patrick's address is in the general slack. Please do not send Liam any more mail. It will not be delivered. He graduates in one month.

Aidan Sutkowski- The history of jewish scouting was published and a buddhist wrote it. $5 a piece see Rhys for purchase.

Jason Abiuso- Quickly think back to your elections in the oa and how your troop had to figure out if you were worthy to join, now we are doing this again but with other arrowmen in our lodge.

The Vigil committee would like you to consider which brothers are deserving to seal their vigil honor . Any questions reach out to the vigil committee. The requirements are: Brotherhood member for 2 years, contributions made, and a member in good standing.

Todge Sutkowski- PAY YOUR DUES! Simple statement: have a big don't let list sit in the in bin, we need to hear the harsh feedback. The only way to solve a problem is to have a convo. Numbers need to be up. We are barely over 500. Last year we had over 700.

Heather Filer- Search and sort by vigil eligible; taking out of the nomination if you don't pay your dues.

Matt Gutterman- Camps are higher. We will give you a lifeguard cert if you know how to swim.

Rhys Wallace- The history committee is getting rid of the brotherhood of cheerful service books. Approximately 8 years old. Take them please

Fred Lynch- I'm not gonna be at the next LEC meeting because he's bring Liam back to Pennsylvania.

Lodge Staff Advisor Minute: John Bickel
Lots of good conversations. Patch looks great, a couple of things. Matt touched; looking for camp staff at Resica Falls, Musser, and full-time/ part-time positions for after school programs. To make scouting possible, we also have a bunch of district provisional jobs. Jobs across the board are open. Dues: PAY YOUR DUES. We had a situation sent out and we should've thought twice before sending out this information. We have to make sure we are thinking everything all the way through. If we have a situation that doesn't feel right, take a moment and think it fully through. Safety. When we are trying to do the right thing, take the 5 mins to make sure we are if you know anyone interested in a job look up a website. Big thanks to Rhys for being at the office so I can play dad tonight.

Lodge Adviser Minute: Craig Cless
Thank you all for all that you do. We have a new 2024 NOAC Advisor: Matt Gutterman. He is actually working on patch design. Dr. Sirken will be Unit Elections Advisor. Matt will continue to help with that this year. Another advisor in the works for a Klondike committee to investigate a champion. We will also need a chair (maybe Colin). Need an advisor first will have something to really get going at Fall Fellowship. Great job tonight, great discussions both youth and adult with really good ideas. Service committee chair is working on community service day. We are working on the details. Mount Mirya, and Chester Watershed. 2 of the 3 that we did last year we are doing again. With that we have a recorded chief minute from Liam.

Chief Minute: Liam Lynch
Hello Unami Lodge. I'm gonna try a video for my chief's minute this week. Zach did an amazing job last month. I'm just trying to video this time. I pray that it works. I've been down here for

roughly about 18 weeks. At this point I have about a month left in training and it's been hard, it's been fun. I've been making memories of a lifetime and learning my job. But in one month I will be home and I'm super stoked and I can't wait for grad. I wanted to hop on here and for my Chiefs minute, I wanted to talk about self control down here. There's a lot of things that are out of my control and back at home, maybe in school on a weekend, maybe in your personal lives or family lives. There are things that are out of your control. But there are always things that as a person that we can control like how we react to a situation or how we think about something or action towards someone or something else. So for this next month I want everyone to focus on what they can control and not to worry about what they can't control. I've been working on that for my whole life. But especially in these last couple of weeks and I promise it, it truly helps when thinking about what I can control and not worrying about what I can't the officers, the advisers, the chairman and the committees. I've been hearing nothing but great things. I love receiving the letters and getting to look at the text on my film and I have a hot second for phone time. Keep doing what you're doing as a lodge. We need to get more people to pay dues. That is the only issue that looks like we're having. So reach out to your friends, reach out to people in your chat during your troops, crews and ships that haven't paid their dues and have them pay them. Start spreading the word about SS1. I cannot wait to be there and go out on a camping trip. I look forward to seeing you all there. Have a fun and safe month, Unami Lodge and I will see you all soon. The video will also be on the slack.
