Thank you to everyone that helped out in ceremonies. Big shout out to Liam Lynch who completed his final Pre-Ordeal and Ordeal ceremonies, and is set to complete his final ceremony at the Brotherhood Blitz. Reports

History (Aidan Sutkowski)
The history committee is working on 2 new projects. The 1st project is to map out a historic trail. We need a bunch of help for this project.
The 2nd project is a virtual museum by 2025. We will be using a program called night lab (colleges use it) should be on the lodge website. We currently have $11,000 in the history fund and we would like to get our history out there. This will be available all over the world. It's not complicated but it's very cheap. Link to the project: https://knightlab.northwestern.edu/
If you would like to help with either of these projects, please contact the history committee.

Business

2024 Dues (Katherine Schaffer)
It's that time of year when we talk about dues, the dues plan is the same as last year. The dues will remain as $25 for youth and $28 for adult. Early Bird starts December 31st- January 31th which is 20 for youth, 25 for adult. Same as last year and we just need to get a vote.

Katherine Schaffer- I would like to make a motion to approve the 2024 dues. Seconded Matt Rouleau PASSED

Dinner Budget (Mara Strauss)

Having the dinner at a new location on January 6th 2024, first Saturday of the year, at the Alloy by the King Of Prussia mall. It's gorgeous. We have 90 youth, 155 youth. 5 guests prolly national officers and other guests. Puts us at 250. The patches are $1.20 and we ordered 250 which we already have. The dinner is going to cost $30 per person. With gratuity it would be $37.50. So we are charging $40 for youth and $45 for adults. We shouldn't have to spend money on audio/visual because they have stuff. $10,575 expenses which balances it to $0 like all our events do.

Mara Strauss- I would like to make a motion to approve the 2024 annual lodge dinner budget. Seconded Aidan Sutkowski PASSED

Standard Flap (Zach Kline)

At the general members meeting we are just getting an idea of what we wanted the standard flap to look like. Tonight we should consolidate a color that we want for this year. The idea here is that each color is instead of different borders. Looking at purple and red for our standard this year. Looks like we are moving forward with a purple for the standard. The different colors can be replaced for the different borders so you might see them again. White writing for 1915 and WWW.

Zach Kline- I would like to make a motion to approve the design for the new Unami Lodge ONE standard flap. Seconded Luke Smallberger PASSED

2024 Event Prices (Mara Strauss)

It's that time of year to talk about event prices and turtle passes. Our current event prices are 50 for ordeal and brotherhood and our general members price is still 40. We aren't going to change them since they are serving us well. This year it's a convenience package. So this new turtle pass will be $110, turtle pass is including SS1, SS2 and Fall Fellowship. Not including Summer Inductions Weekend if it happens again. We want to start sponsoring a sash discount line. This is needed as sash prices are increasing. Sashes are currently $25 dollars compared to $15 a few years ago. The lodge is currently losing money so this line item should help out with the sash cost for the weekends. This will be for every single registration. The discount line will have a minimum of $10 but you can write in whatever amount you would like. Right now, you can make a donation anytime, so we are publishing this idea more.

Mara Strauss- I would like to make a motion to keep the 2024 event prices the same as 2023 and lower the price of the turtle pass $10 and adding the line item for donations on all registrations. Seconded Luke Smallberger PASSED

Anything for the good of the Lodge:

Matt Rouleau- Nominations for awards close on the 31st. We have 10 between all 5 awards, so if you know someone who is worthy. Please submit nominations for the awards by next TUESDAY. Nominate on the Website. Awards are as followed:

- Thomas J. Richards Outstanding Service Award
- Dave Fortunato Outstanding Service Award
- Charles J. "Chuck" Benshetler Spirit of Camp Leadership Award

Griffen O'Brien- Raise your hands if you go to your troop meetings (everyone's hands should be up) find a brother who is ordeal and tell them to sign up for brotherhood. We are approaching the brotherhood blitz so encourage your friends to seal their bonds of brotherhood. Currently 7 have signed up right now and we would love to see a lot more. Over 300 people are eligible to seal their bonds of brotherhood. The chapter that has the most is going to get a pizza party from

Mr. Lynch. Anyone who got their ordeal at SS1 or SS2 are eligible for their brotherhood at the brotherhood blitz.

Rhys Wallace- 2 weeks ago-ish, AIDAN GOT EAGLE SCOUT! (APPLAUSE)
Something I've noticed is that you are never to post a first and last name of a youth, you can do first name and last initial. There are a lot of creeps out there so we cannot reveal that type of information.

Matt Gutterman- is there any chance we can move these meetings to 7 o'clock?

Terence Lindsay- NOAC registration is open, for a deposit of $200.

Lodge Staff Advisor Minute: John Bickel
Thank you to those who helped at fall fellowship and fall fest, halloween weekend this weekend at Resica falls. There have been a lot of events held this fall and I appreciate the support of all of you. Kudos to the Lafayette team, for their camporee. I think it's a model for the nation. Most importantly GO PHILLIES

Lodge Adviser Minute: Craig Cless
It's been awesome so far this year, right now we are thriving, that's a given. If we get our brotherhood numbers up we could be pretty close to high performing. The lodge officers are working hard to get there. We are doing thrive and we are learning a lot of new ideas. Jamboard is a great idea to get ideas for a topic from a bunch of people. I know the new officers are getting ideas for their new committees.

Chief Minute: Terence Lindsay

I'm speaking on behalf of Liam. Hello everyone, my apologies for not being at the meeting. I am away right now for army training for my upcoming deployment. We got about 2 months left for our lodge year. We have the blitz and The LLD coming up. This is no time to stop off for the gas, let's keep pushing hard to continue our work and see it through to the end. The current and new officers are working along with the Thrive program and that is going well. Stay focused, stay positive both in your scouting and personal lives. I hope to see everyone at the November LEC. Have a good one everyone.
