Committee Reports:

- AIA (Leah Callahan)
    - No Report Submitted
- Brotherhood (Luke Smallberger)
    - The brotherhood committee sealed off a fantastic year of inductions with the brotherhood blitz, a one day induction event held at delmont. The candidates performed valuable service to the camp and we sealed the bond of 42 brothers.
- Camp Promotions (Anton Meyer)
    - No Report Submitted
- Ceremonies (Noah Goldberg)
    - The ceremony at the Brotherhood Blitz went swimmingly. It was both Matt Rouleau's first brotherhood ceremony and Liam Lynch's last ceremony. Thank you to both of them, as well as Andrew Smallberger for doing a great job in the ceremony. Thank you to those who drummed and helped with grounds crew as well! We will be preparing to compete at NOAC and for SS1 and SS2, and we can't wait for this next year.
- Communications (Zach Gilinger)
    - The communication Committee is seeking $1500 for a new camera for the lodge. Comms is trying to get a Canon EOS R8 which was released in 2023. The current lodge Camera which is a Canon EOS Rebel T3 was released in 2011. The current camera is in poor shape and needs replacement. The lodge camera is very important because we use this to promote all of the amazing events the lodge has to offer. This helps us capture the fun things we do as a lodge and allows us to show it off to others, which can help with marketing, promoting, and

keeps memory of the lodge having a good time. We are also capturing history that will be looked back on in later years. We have looked at cheaper alternatives but the technology in phone cameras is catching up to the alternative.

- Conclave (Emmie Menna)

Reports

LLD (Matt Rouleau)
LLD registration closes this Friday, December 1st. Everyone here should be there and chapter officers should also be there. If you haven't signed up yet, please register soon! The LLD is being held Saturday, December 9th, starting at 8am at the Chester County Council Headquarters. Any questions contact the LLD committee at leadershipdevelopment@unamilodge.org. REGISTRATION CLOSES FRIDAY

Thrive (Terence Lindsay)
Liam brought up the thrive program 3-4 months ago, officers are working diligently to create promise statements. Tomorrow night, at our weekly thrive meeting, the officers are going to hopefully get our possibility statements approved. Once we have them approved, we will assure that all of you will be able to see them.

Northern Tier Recap (Jack Ashton, Mara Strauss, Skye Kramer)
Though we are currently in the midst of winter, we are going to bring you back to summer. This summer we had the opportunity to travel to Minnesota for OAWV, Order of the Arrow Wilderness Voyage, at Northern Tier. We started our trek in June and returned in July. We spent 12 nights, 13 days on the water, which created lifelong friendships and memories. Like any OA High Adventure, we spent the first week doing service. Typically the service is done for a Scout camp but since we were on the Boundary Waters in Minnesota, we were helping out with the Superior National Forest Service. Our project was to help build a turnpike on a portage trail. Turnpikes are man made dirt paths which typically go over an eroded portion of a portage trail. While we were on South Arm Knife Lake, we climbed to a lookout point on a mountain and were able to see Minnesota on the left and Canada on the right. You have to try and eat everything you pack in, as food is heavy. So we got to enjoy twizzlers in pizza sauce, it's honestly pretty good. We also were able to enjoy the views of pretty sunsets and stars before reading the book Goodnight Loon every night. If you ever find yourself questioning if you want to go to an OA High Adventure, we highly recommend it!

Business

Lu Lu Shriners Patch (Aidan Sutkowski)
I would like to present the LU LU Shriners patch. Lu Lu Shriners is a scouting association that works with groups to help preserve history. They will pay to make the patch and we are just asking for permission to use the turtle. The money made from these patches will be donated to our camps.

Aidan Sutkowski - I would like to make a motion to use the turtle in the lu lu shriners patch. Seconded by: Liam Lynch PASSED

Comms Camera (Zach Gilinger)
The communication Committee is seeking $1500 for a new camera for the lodge. Comms is trying to get a Canon EOS R8 which was released in 2023. The current lodge Camera which is a Canon EOS Rebel T3 was released in 2011. The current camera is in poor shape and needs replacement. The history committee said they would donate $700, so we would only need $800. The lodge camera is very important because we use this to promote all of the amazing events the lodge has to offer. This helps us capture the fun things we do as a lodge and allows us to show it off to others, which can help with marketing, promoting, and keeps memory of the lodge having a good time. We are also capturing history that will be looked back on in later years. We have looked at cheaper alternatives but the technology in phone cameras is catching up to the alternative. So I want to ask LEC, is it better to continue being more professional and use a camera to take photos and videos? Or. Is it better to use phones and sway a bit away from being professional?

Zach Gilinger- I would like to make a motion to proceed with the purchase. Seconded by: Terence Lindsay PASSED

Eagle Scout Flap (Liam Lynch)
The OA has been involved with Scouting for 108 years. This patch has been designed by Gutterman. This is something the officers wanted to do. So we are doing it before our term is over. We can approve the design, all three, one, number. Instead of blue on blue, do gold on blue. Or do a red/white/blue pattern around the patch. You DO NOT have to be an eagle scout to purchase this flap. Once we approve, we can always make more. We can put it towards (NOAC, conclave in Puerto Rico, or special projects). You could sell it as a set. The WWW is ghosted into the background. Could approve them this year and put them out every year. Approve all three, make 500 of the silver for the special projects fund

Liam Lynch- I would like to make a motion to approve the Eagle Scout Flap design but only make 500 of the silver border with the money going to the special projects account. Seconded by: Patrick Lynch PASSED

Surprise Vote (Liam Lynch)
In lieu of giving Tuesday, the lodge would like to take $500 out of the special projects account. The money would go towards the Brenner Lodge Project at Resica Falls. All the money in the next year from the eagle scout flap would go in that account.

Liam Lynch- I would like to make a motion to approve $500 from the special project account to go towards the Brenner Lodge Project. Seconded by: Luke Smallberger PASSED

Anything for the good of the Lodge:

Brett Montich: I am proud to announce that we sold 21.5% of our vigil fundraiser patches. Please come see me with $25 for a patch.

Katherine Schaffer- The new members bash is happening this week at Gravity Vault. Committee chairs we hope to see you there to show the new members about the Order of the Arrow and what your committee does.

Luke Smallberger- The brotherhood committee sealed off a fantastic year of inductions with the brotherhood blitz, a one day induction event held at delmont. The candidates performed valuable service to the camp and we sealed the bond of 42 brothers. We have hit triple digits for brotherhood conversion over this year.

Liam Lynch- Based on the last events meeting, the planning for the dinner is going well and their should be an update going out by December 1st.

Mike Gilinger- We have a new eagle in the room Mr. Zach Gilinger. APPLAUSE

Todge Sutkowski- Please fill out the google form for the LLD, as it has important information, such emergency contact information and dietary/medical conditions. We also need the registration number to order the correct amount of food.

Patrick Lynch- Vigil nominations are open and close March 31st. Just keep that in mind.

Matt Gutterman- NOAC registration is moving the deadline to just after the dinner. As we need to get the information for flights.

Rhys Wallace- The history committee just got a donation from Iowa. We are working on a display for the history of scouting, if you know people who would have photos to donate.

Paul Siminuk- Committee chairs watch your emails talking about next year's budget. So I can properly plan the budget for next year

Matt Carlson- As of the last NLS, we have already reached over 50% of our attendance for NOAC 2024. If anything is an indicator about why you should go to NOAC, you can make memories to last a lifetime. It is important to sign up today, tomorrow, or as soon as you can get the money as capacity is filling quickly. Everyone who went to the last NOAC can definitely tell you why you should go to this one.

Lodge Staff Advisor Minute: John Bickel
Through the presentation from Mara, Skye, and Jack, the OA High Adventures are the most unused opportunities from Scouts. I say this as I am someone who didn't use it. If you can't do camp staff, I highly recommend OAHA options. The lodge has High Adventure scholarships to help out with this as well. Join our camp staff, it is the coolest thing you can do all summer. Resica camp staff application is already out and Musser's should be coming out soon. If you are looking for the summer away, I highly recommend Resica or Musser staff. It's the holiday season, and I wanted to thank you all. My goal is that I can build a better bridge between council and the lodge. We have fire power. We care about the council and our camps. Volunteer at camp, thank you all.

Lodge Adviser Minute: Craig Cless
I just want to reiterate the importance of LLD. The 2024 officers are working to fill up the LEC listing, so let the officers know if you want a LEC position. All those positions and newly elected chapter officers should be at the LLD. Go to the LLD and get some training and knowledge about what your job is as a committee chair. Terence talked earlier about possibility statements. The thrive group will help us set them in stone. We then will have promise statements to help better our lodge. Every Wednesday at 8 o'clock we get on a call to work to better our lodge for the future. Tell everyone who wants to go to NOAC to get their deposit in. December 1st is the next payment deadline. If you don't get an email, pay the next one on the 1st. So we can get the airline and you can get your patch at the dinner after you get the second payment in. Ultimately everything is about finishing this year out and getting ready for the next year. For the Lodge

dinner, I have put requests out to chapters to get a 60 second video from each chapter to promote what they have done from the year. Committees, if you are interested in showing a recap, get it to the events committee by December 30th. Enjoy the holiday season with your family. Happy holidays!

Chief Minute: Liam Lynch
The December LEC will be a holiday party on the 19th. Come in your best holiday sweater. Do some fellowship and the end of the year reports. Does anyone know what the 3 C's are? Choices, Chances, Changes. You must make the choice, to take a chance, if you want anything in life to chance. Remember those 3 C's for life.
