Reports

Council Of Chiefs (COC) Report (T.K Lindsay)
The Quarterly Council of Chiefs meeting was held at SLC last weekend, where the new chiefs and officers were congratulated. The 8 annual scholarship recipients were announced.

AIA Report (Will Gabel)
The AIA Committee held their first drum event at Musser a few weeks ago, and created a formal drum team for the year! If you would like to join the AIA committee, please contact aia@unamilodge.org

Membership Report (Martin Stacey)
In 2022 around this time, we had 219 dues paying members. In 2023 around this time, we had around 173 dues paying members. However, this year we are proud to announce that we are currently ast 461 dues paying members!

2024 Dinner Report Actual (Mara Stauss)

The Events Committed would like to present the Budget Actuals for the 2024 Lodge Dinner. We had 226 participants instead of the anticipated 250, this did not hurt us however. We still purchased and paid for 250 patches. We had a minimal program costs, all under $200. We initially budgeted for all of the meal choices to be $30, but after receiving the invoice from The Alloy, we found that the Yankee Pot Roast was actually $32. We reflected this change in the budget actuals, as well as the expected gratuity charge. When all is said and done, we made just under $600, from the dinner and lost no money.

Business

OAHA Scholarship Changes (Paul Siminuk)
We offer the OA scholarships. There are a number of scholarships for this year, this year we are offering 8 OA high adventure scholarships to create mutual funds for the account balance. The idea is to use this Money, the $2000 so that way it does not go to waste.

Paul Stiminuk- I would like to make a motion to approve that we going forward offer 8 Unami Lodge scholarships, at $250 per scholarship. Seconded by: Luke Smallberger PASSED

Anything for the good of the Lodge:

Paul Siminuk - So, we all know how important the induction process is to the member experience within our brotherhood. Across the past few weeks I have been working closely with the inductions committee to begin development of a new structure to help improve our overall inductions experience. With this, in its final form the Brotherhood and Ordeal committees will merge to form ONE inductions committee, with 3 co-chairs: Ordeal, Brotherhood, and Inductions. The introduction of the inductions co-chair will mean we will begin development of a new and improved elangomat program that will begin from the moment of the election, till they seal their bonds of brotherhood. As of now, a new ad-hoc committee has been opened for inductions until we can get a general members meeting to approve the restructuring of the LEC. If you have interest in chairing or know someone who may be a good fit for the role, please see me after the LEC. Thanks!

Zach Kline - Vigil Honor nominations are open, if you know a brother who may be worthy of the vigil honor, please reach out to vigilhonor@unamilodge.org

Fred Lynch - We are looking for an electrical branding tool to use instead of a flame-heated one for safety purposes.

Paul Siminuk - As you all know we had previously approved two new lodge flaps; the new lodge standard (WHICH IS PURPLE!), and the new Eagle Scout flap. Today both will be available for sale after the LEC, the standard will cost $6 and the Eagle Scout flap will cost $10. Alongside this the vigil committee will have their Unami Vigil Chenille patch as well as the new Thunderbird Rock back patch available for sale. LEC gets first dibs, enjoy!

Rhys Wallace - The history committee needs your help again. Someone needs to show me how to use excel! Regardless, we are doing a historic trail around philadelphia. We are launching the virtual museum on January 16, 2025!

Gregg Slocum- If you have an event you need to do a budget for, send it to Paul and I before the LEC, so we can review it BEFORE the event.

Lodge Staff Advisor Minute: John Bickel
Remind each other of the example we set. Wear your uniforms, Jeffery consistently reminds me that we should be wearing our uniform to LEC, and I apologize for being out of it for some LEC meetings. Jeffrey is right. Reminding all of the example we can set at our troop and chapter meetings. Remind yourself of your attitude and the aspect and example we can set ourselves, and put our best foot forward, as the honor we have to serve.
Sign up for Campstaff, Resica for residential, and Day Camps at musser. We would love to have your troop there or as SEEK or provisional camp week. We would love to have as many campers at Resica this year as possible so thank you!

Lodge Adviser Minute: Craig Cless

Chief Minute: Terence “T.K.” Lindsay
Thank you all for coming out tonight, it really means a lot. I appreciate you for working with me. I am excited for the Thrive Inductions committee, I am proud of all of you. Inwant to point out something that Liam said to me this morning, it wouldn't be possible without the people in the room. Mr. Cless told us to stay encouraged throughout the year.
