Reports

Membership (Martin Stacey)
This is our most up to date membership statistics as of today. So we have 348 youth, 70 young adults, and 396 adult members within our lodge. We have inducted 140 new Ordeal members and 56 Brotherhood members have sealed their bonds. This leaves us with a total of 327 Ordeal members, 361 Brotherhood members, and 124 Vigil Honor members. Inductions rates are going up as the year progresses and we continue to hold more unit elections and we hold more induction events. I would like to emphasize that if we would like to surpass our membership numbers from last year we need to contact those who did their ordeal last year and get them to come back and pay their dues.

Business

6th SS2 Budget Actual (Mara Strauss)
I thought SS2 was pretty groovy, what do yall think? It was a bit of a smaller weekend than usual, but our fellowship and spirit was definitely there. Alright let's go over the numbers for the weekend! We had a total of 89 general members , 45 Turtle Passes, 52 Ordeals Candidates, and 15 Brotherhood Candidates which all totals to $8,559.70. As for expenses we got 300 event patches and 201 weekend bracelets. We did go a little over budget for program, but that was only like $20. Printing was free as Leah's mom was able to print everything (thank you Leah's mom!). Ordeal is all normal, same with brotherhood. All of that totals to $10.689.89 which means we have a balance of -$2,130.19. The Events Committee still has to decide where the money from the donations will be going, but we are thinking about creating an Inductions Scholarship.

1st Brotherhood Blitz Budget (Luke Smallberger)
We have 3 Brotherhood events left this year. This event (the Brotherhood Blitz) will be happening in November. For those who do not know, the Blitz is a simple one day event where Brotherhood Candidates come and complete their Brotherhood in a single day (no camping over). This budget is basically the same as last year with the only difference being the updated prices for food. We do hope to get more than 46 people there, but that is the number of attendees we had last year so to be safe we used that number.

The budget says the registration price is $30 per person, but the sash is $25 and food is $10 so something is not adding up. The formulas in the sheet are messed up.

TABLED UNTIL NEXT LEC

2nd Brotherhood Blitz Patch (Luke Smallberger)

Here is the design the Brotherhood Committee made for the Brotherhood Blitz. The patch is designed to last for years to come, hence no year nor any specific theme to the patch. We are planning to buy the patch in bulk as that will be cheaper and easier in the long run. I am seeking approval to sue the Unami Turtle on the patch.

Motion: Luke smallberger - I would like to make a motion to approve the Brotherhood Blitz patch as shown on the screen. Seconded by: Marina Darcas PASSED

3rd Vigil Honor Induction Weekend Budget (Zach Kline)

So we are looking to have the Vigil Honor weekend in September, but before that happens we need to get this budget approved! We expect to have 55 members present at the weekend with the 10 Vigil Candidates. The Candidates do not have to pay for the weekend as that is our gift to them. Really the only expenses are food which comes to a total of $1,900.00, and Vigil Honor merch like the neckerchief, sash, triangle, slide, and embroidery which comes to a total of $270. Our total income is expected to be $2,670 and our expenses are expected to be $2,670 so everything zeros out.

Motion: Zach Kline - I would like to make a motion to approve the Vigil Honor budget with the change of getting rid of the weekend bracelet line. Seconded by: Ian Brumm PASSED

4th NOAC patches (Will Beardsley)

I hope you all are excited for NOAC this summer! The Committee and Lodge Officers have been working really hard to make the patches. We are looking for some real flexibility as this is just approving and getting feedback on one concept, not the official patch designs. We'll see what we like and go from there. The theme for our NOAC flaps this year is foods from Philly. First up is the Tasty Cake inspired donut box, for its noticeability and simplicity. Look into adding powder donut unami turtles. Each flap will be designed to fit the regular Scouting uniform. The second design is WaWa! We do need to be careful with this design as there is another lodge using WaWa for a NOAC patch and the WaWa goose may look like another lodge's mascot which we do not want. Think about adding a NOAC and Unami themed slip order attached to the wrapping on the hoagie. Next we have 2 Rita's designs. One the first patch makes sure to add the NOAC branding and the WWW. Think about adding a spoon with some Rita's or the WWW on it. Think about combining certain aspects of the two designs to make one patch. The final design we have is for Dietz & Watson! We hope to have ghosted mountains in the background of this patch. Think about putting the year 2024 in the unami turtle. Think about adding the founding date of the OA as the expiration date. Make sure that the top flap part of the patches can stand alone from the bottom as some people may want to only wear the top and not the bottom. We are looking to choose only 3 designs for our flaps for NOAC, and we are sorta at the whim of the brands as they can decide to pull it and decide for us to not be able to use their branding. At this moment in time we cannot determine which will be delegate and trader. We hope to get a thumbs up from the LEC right now and at a later time get the approval from the officers.

Motion: Will Beardsley - I would like to make a motion to approve the final designs of the 2024 NOAC patch sets to the approval of the lodge officers pending the approval of the companies. Seconded by: Star McMackin PASSED

NOAC T-Shirts (Will Beardsley)
We are looking for the same type of approval from our Officers for the NOAC t-shirt designs. I would like to add the 2024 date to the design. We are firuging out colors, and we plan on staying away from black. The back design will just say Unami Lodge, One, but that is still sorta up in the air and may be changed.

Motion: Will Beardsley - I would like to make a motion to approve the front design for the NOAC 2024 t-shirt design and other design for approval from officers in the future. Seconded by: Zach Gilinger PASSED

Lodge Officer Nominations (Sophia Carroll)
At SS2 the 2025 Lodge Officer nominations were tabled so I would like to re-open them!

Sophia Carroll - I would like to table this discussion for the 2025 Lodge Officer nominations until the August LEC - Seconded by Matt Rouleau PASSED

Anything for the good of the Lodge:
Will Beardsley - When it comes to NOAC stuff please make sure all youth and adults have completed their tasks like signing agreements and signing up for classes. When it comes to activities, talk to other youth about what they are doing, because NOAC is always more fun when you are with friends. Also, the online trading post pre-orders close on the 31st!

Luke Smallberger - For those who do not know, I have been at Resica since SS2. I have a comment about how we left camp after the weekend. We need to do a better job cleaning up. We do a great job cleaning up the dining hall, but when it comes to other places like the pool house and program areas we need to be better with cleaning them as I found lots a trash.

Skye Kramer - Conclave is in a little over a week away now! You all will be getting an email later this week regarding all of the details. Please bring $5 for your t-shirts. If you don't bring it you won't get the t-shirt. Also, there will be a costume party so bring your costume that is scout appropriate!

Marina Darcas - The summer kickoff is this Saturday! Black pug will open back up for anyone that missed the sign up deadline.

Starr McMackin - If you were at SS2 you know that we did not have enough EMATS, so i'm going to start bugging you all right now! If you are interested in serving as an EMAT for a future inductions weekend please reach out to the Inductions Committee!

Matt Rouleau - LLD is December 14th at the same place as last year, the Chester County Council Park Center. Please make your calendars as we would like all past, present, and future LEC members there!

Mara Strauss - The summer Inductions weekend is August 9th to the 11th, which is right after NOAC! This year the weekend is not limited to those completing their inductions so make sure to sign up! We cannot wait to shake it off with you!

Sophia Carroll - Award nominations are open! Nominated a deserving arrowmen today. You can find more information at unamilodge.org.

Fred Lynch - I have ordered two electric branding irons, hopefully we'll have them for Conclave, but definitely for NOAC!

Lodge Staff Advisor Minute: John Bickel

I have two people that I would like to recognize. Ian Brumm for doing an amazing job working with both rangers at Resica. And Paul Siminuk who found a mistake in the Ordeal booklet which we have been using for a while now… I want to recognize these folks publicly as both of these arrowmen have done amazing work. I would also like to shout out all of the arrowmen working on summer camp staff this summer! I would like to thank you in advance for the amazing work you are about to do. Lets make it a great summer and have a great time at NOAC.

Lodge Adviser Minute: Craig Cless

Over SS1 and SS2 there were some concerns over certain things. This goes back to the old Brotherhood ceremony. Breaking one stick is easy, but breaking the bundle is hard. We need to learn to work as a team because when we work by ourselves we fall apart and cannot do the task at hand. Let's keep working together, most of you all will be working together at summer camp. Get to know each other and have a great time.

Chief Minute: Terence “T.K.” Linday

At the weekend I touched on being thankful. Like Cless said teamwork is what brought us here and will continue to keep us going. Big thanks to those who helped SS2 happen. The only complaint I got was that it was too cold. I cannot do it without anyone in the room right now. Thank you all for making a kid's dream come true. Lets tighten up and get those PMP points!
