Business

Spring Service Two Proposed Budget (Leah Callahan)

Spring Service Two is in 4 weeks and we have the budget to approve.
We are estimated for 260 people to attend this weekend. We are budgeting for 100 General Members at $40.00 each, 46 Turtle Passes at $36.66 each, 74 Ordeals at $50.00 each, and 40 Brotherhoods at $50.00. All of this along with the history committee booklet donation, totals up to an income of $11,570.36.

The Event patches and bracelets total up to $406. For program costs we have $200 for our amazon list and $288.43 for smores which totals up to $488.43 for program. The lights we put up in the campsites at Spring Service One need batteries replaced so we are using $29.98 to purchase new batteries. All of the food will total up to $7,468. For 74 ordeal sashes at $13.39 per sash, that will be $990.86. The rest of the ordeal items such as handbooks, lodge flaps, ordeal packets, and the $10 EMAT refund will total up to $1,450.12 for the ordeal budget. For 40 Brotherhood sashes it will cost us $535.60.

Our total expenses for the weekend will be $10,378.13. Which means we will have a remainder of $1,192.23. The net profit is caused by the sash price dropping. The smores incentive was moved from Spring Service One to Spring Service Two because it got rained out.

LLD Flap Design (Matt Rouleau)

See Attachment For Design

So as most of you know, when you complete your LLD SMART goals you will receive the LLD flap. The current flap we've had for many years and it's based off of the old lodge standard. I've decided its time to make a new flap that's not based off of the old lodge past. This design is what I came up with. I am not looking for approval yet, I just want some good feedback. This is supposed to be an incentive for doing your SMART goals. The more you like it, the more likely you are to make your SMART goals.

The flap is intended to stay at 7 colors. We should move the turtle to the center of the flap design. The birds behind the mountain should be changed. Fix the Fleur De Lis. Maybe switch the flap to a night sky with a polestar concept.

Unami Lodge Hat Design (Officers)

See Attachment For Design

The officers would like to put out a hat at Spring Service Two. We have this green hat design, it would have a larger design than the one on the hat in this picture. Maybe we can incorporate ONE onto the hat and add an arrow.

We plan to order 150 hats at $14 per hat. This would total up to $2,100 for the hats. We would sell them for $20 for a total profit of $900.

Motion: Star McMackin - I would like to make a motion to approve the design and purchase of the Unami Lodge Hat. Seconded by: Sarah Olijnyk-Wong Not Approved

Inductions Flap Design (Jaclyn Keyser)

See Attachment For Design

Inductions would like to create a lodge Flap and Pocket Patch design to incentivise people to help out with the extended elangomat program. This will be two parts, a flap, and patch design. I am not looking for approval right now, just design advice and feedback. Let's start with the flap.

Before we say anything, I just want to let you know that the background of the flap will be one solid color and it will have the regular unami turtle head. We need to add Unami Lodge, ONE to

the flap. The flap should not say elangomat because we don't know how national will change up any of the language yet. Adjust the WWW so it shows better and it's not cutting through a line. Maybe change the elangomat to inductions or induction team. Let's move onto the patch part.

For the patch instead of using sand, can we use rocks or dirt to make it look more like Resica if that's the look we're going for. We should change the sea turtles to the unami turtle. Maybe we could remove the trees and just have the unami turtle body with a sash on it and have the smaller turtles follow it, have the turtle come out of the water.

Remember for when we go to approve this later on that originally there was an intent to budget for this but the money was not allocated to the committee.

Anything for the good of the Lodge:

Leah Callahan (Event) - Sign up for Spring Service Two because it's going to be cooler than Spring Service One. If you attended Spring Service One, you should have received the post weekend email, please fill out the survey attached to that email so we actually can make Spring Service Two better than the first!

Form Attached To Minutes

Matt Rouleau (Ceremonies) - Come out to our ceremonies on lodge weekends because it's the last year for the ceremonies. Reconnect with the ceremonies and share the accomplishments.

Ian Brumm (Service) - Thank you for helping out with the projects at Spring Service One. Keep a look out because the project lists for Spring Service Two will be coming out soon.

Marina Darcas - Anyone who completed the requirements for the unit elections training patch, we will be handing them out at Spring Service Two.

Matt Gutterman - The LEC nametags are here so if you did not get yours yet check out the pile to get yours. If something is wrong with them please let one of the officers know.

I'd like to give a presentation on behalf of Resica. The camp would like to recognize those on staff who achieved the rank of Eagle Scout. The award team got booked so I am doing this presentation today. I would like to congratulate and present this eagle statue to Matt Rouleau.

Todge Sutkowski - We have been in talks with Ajepeu about a connection between AIA programs. Mr Cless and I have been talking to them about the process moving forwards. Mr

Cless has been reaching out to national for a template of a good starting point for a good partnership moving forwards.

Heather McConnville - Adults 21 and over, we are holding a chainsaw safety program on May 10th at Camp Hart. Sign up to get trained on how to safely use a chainsaw.

Douglas LeBlanc - If you are a chapter officer please go to the Vigil selection meeting. It will be here next week on Saturday May 3rd, from 9 a.m. to 3 p.m. Every chapter needs a representative present. If you are an officer and are unable to attend please find someone to attend for your chapter.

Gregg Slocum - Lafayette's chapter patches have arrived and are now available for purchase. Please see the chapter officers if you are interested in purchasing some patches. The patches are $5 each.

Martin Stacey - The Cradle of Liberty annual council dinner is this coming Monday April 28th at The Alloy, in King of Prussia. We will be giving out the Silver Beaver award to Todge, Mr. Cless and Brett Montich, The Distinguished Service Award to Sam Montich, and the Venturing Award to Nathan Schooler. The tables are first come first serve and are currently full. Registration from the council is also closed.

Lodge Staff Adviser Minute: John Bickel

Big thank you to everyone who came and helped at Spring Service One. Huge kudos to Ian and the project leaders. There was a lot of work done at the weekend, so thank you for rolling up your sleeves and completing these meaningful service projects. Be proud of the great weekend and continue to improve the areas that could have been better!

On a different note, I have the honor of presenting the Lodge Charter to Martin and Todge. Congratulations to the whole lodge, this is a recognition of last year's work. The work you do this year will allow us to charter again next year!

Lodge Adviser Minute: Todge Sutkowski

We had some great conversations today. Jaclyn and Matt, good work and presentations for the patches. We had a successful Spring Service One and great numbers in committees.

When should you admit defeat? There was once a man who was a perennial loser. Here's what happened to this man at various ages in his Life. At the age of: 22 he failed in business, 23 he ran for legislature and was defeated, 24 he again failed in business, 25 he was elected to legislature, 26 his sweetheart died, 27 he had a nervous breakdown, 29 he was defeated for Speaker, 31 he was defeated for Elector, 34 he was defeated for Congress, 37 he was elected to Congress, 39 he was defeated for Congress, 46 he was defeated for the Senate, 47 he was

defeated for Vice-President, 49 he was defeated for the Senate, 51 he was elected President of the United States. That's the record of Abraham Lincoln. Some might say he was a perennial loser; others however know he was a winner and a great American. Sometimes life offers us more defeats than victories. It is how we respond to those defeats, that shapes who we are.

Chief Minute: Martin Stacey

Brothers,
In a world full of constant noise, phones buzzing, messages popping up, endless school assignments: it's incredibly easy to get distracted. But we as Arrowmen are called to be leaders, to serve with purpose, and to live with intention. That means learning how to focus on what truly matters in our lives. Limiting distractions isn't just about turning off notifications, it's about being present. Whether we're at a LEC meeting, a weekend, or just a time with friends, our attention is one of the greatest gifts we can offer. When we give it fully, we listen to the admonitions; hear its whisper. This allows us to grow as leaders. Following this and next month, let's challenge ourselves to be more mindful. Let's silence the noise so we can hear the call to cheerful service a little more clearly.
