Reports

Ordeal (Andrew Smallberger) - If you were one of our newly inducted ordeals this weekend please stand up to be recognized. You did outstanding work this weekend and the Camp Staff, Ranger, and Myself thank you for the work you have done. Please come back for another weekend this year. New members if you have not received your new members packet please see me after this meeting. Thank you all!

Brotherhood (Griffen O'Brien) - If you are one of our 12 brotherhood candidates who sealed their bond this weekend please stand up. Let's give them one big round of applause. I want to thank Alex, Ben Branz, and Mr Raggi for being with my crew this weekend helping with a bunch of campsite setup. Ordeal candidates thinking about brotherhood, there are two opportunities to

seal your bond, the Brotherhood Blitz and Fall Fellowship are the two opportunities that you can make.

Inductions (Jaclyn Keyser) - Thank you to all our elangomats this weekend. The ordeal experience could not be possible without elangomats to help guide the candidates. If I say your name, please stand up. Mr. Malora, Alex Weaver, Mr Montich, Sam Montich, Charlie Hawthorne. Thank you guys so much!

Ceremonies (Matt Rouleau) - Ceremonies went swimmingly. Thank you to all of the ceremonialists who helped make the ceremonies able to happen. Let's give a huge round of applause to all of them.

Thank you to the grounds crew who made two big fires that did not go out when it started to rain. The ceremonies would not have been possible without you.

Service (Ian Brumm) - Thank you all for the hard work that you did this weekend. We were able to get every campsite done with the exception of four tents. Thank you to the adults and crew leaders who helped out.

AIA (Cullen Dougherty) - Thanks to everyone who attended the AIA pow wow. Thank you Mr Mann for hosting and bringing regalia. Thank you to Ian Truscott and Chris Nagele for getting our drum circle in perfect form. Thank you to those who were our drummers in the ceremonies.

Events (Leah Callahan) - This weekend we had 210 people check in! General Nash won the chapter cup activity yesterday but the current chapter cup standing are: Lafayette in first with 65 points, Minquis in second with 50 points, General Nash in third with 46 points, Washington in fourth with 30 points, and Triune in fifth with 10 points.

Once we finish cleaning up the dining hall please fill out the QR codes around the building, they have a post weekend survey that we want everyone to fill out so we can make the next weekend even better. The survey will also be attached on the post weekend email that will go out soon, so keep an eye out for that. Thanks to the drum team and Pat Hegarty for helping with the program.

The next event will be Summer Inductions. This weekend will be an induction based weekend only. Please talk to the candidates in your troops for Ordeal and Brotherhood and have them sign up to go to that weekend. After that will be Fall Fellowship in October, I would sign up for that because we have a bouncy house, so show up.

Finally, let's give a huge round of applause to the kitchen crew who worked so hard this weekend!

Anything for the good of the Lodge:

Martin Stacey - In August there is a very special event happening. We have someone special here from conclave, please welcome 2025 CVC TK Lindsay.

TK Lindsay - Good morning Unami Lodge, I have the honor of serving as CVC of events at this upcoming conclave, my job is to make sure you have as much fun as possible in Puerto Rico. I'd like to introduce my youth counterpart, Martin Stacey. Also we have a semi seasoned adult joining the crew, helping me with everything, please welcome Matt Horan. Unami we need some help, me and Matt are old so we don't know what to do for some fun events. We have a job to plan the evening show and we want it to be a little different. We want this show to be the most perfect and fun event that it can be. If you're going or not please come to Me, Martin, or Matt with ideas. Ideally before Monday at 8:30 would help. Unami, let's show them why we're number 1!

Steve Mach - Thank you to everybody for all of the great work that was done this weekend. Without all of the effort camp would not run this summer, the work done this weekend would take weeks for camp staff to complete so they are happy. I hope all of you visit this camp this summer whether you are with your troop, with campstaff, or just stopping by.

Leah Callahan - Make sure you fill out the post weekend survey and sign up for Fall Fellowship for an afternoon of program and great fellowship, lets have fun!

Sophia Carroll - Award nominations are opening on May 21st. Nominate someone who you think is worthy of the awards.

Jaclyn Keyser - If you are interested in being an elangomat at Summer Inductions or Fall Fellowship please contact Inductions inductions@unamilodge.org

Marty Reph - The scout memorabilia show is coming up. Please come out because all profits go back to the lodge.

Chris Nagele - If you are interested in high adventure activities at Resica we have a 5 day canoeing trip on the Upper Delaware and we do fun things like capture the flag during the trip. We also have Fawn Run which is like Philmont, you will be backpacking around Resica. We also have the pioneering camp over at Camp Firestone, you will have everything you need but every amenity will be lashed and built. If you are interested check out our website for more details.

Lodge Adviser Minute: Todge Sutkowski

Don't worry, I'm not going to sing. I wanted to talk about membership in two parts. Newly inducted members, you are now a part of a Brotherhood. I'm going to read the definition of Brotherhood, the quality or state of being brothers, Fellowship and Alliance, an association (such as a labor union or monastic society) for a particular purpose, the whole body of persons engaged in a business or profession. To the new sashes, I know you are tired, but come back, we will welcome you with open arms, we want you back.

Now to the entire membership here. This summer you will all go to summer camp. Summer camp is the super bowl of scouting. There will be OATC, summer camp staff, troops going to camp, Philmont, and memories of a lifetime. But at the end of the summer, come back and give service to camp.

Chief Minute: Martin Stacey

Usually I have something written up, but I wanted to finish this weekend with a profound resolution. The group of ordeals that came in on Friday, they were easily the most energetic and most lively group I have seen all time. The gaga pit was roaring, people were up and around. Thank you for this weekend and making it very enjoyable. Thank you to the LEC and thank you Leah for putting in lots of effort along with the rest of the events committee. Enjoy the program and the opportunities that we have.
