2025 Memorabilia Show Actuals (Aidan Sutkowski)

See Attachment

We sold 42 tables at $25 each which totaled to $1,050. We made $678 for food. There were 9 pre-paid adults at $5 each so that came to $45. We sold 24 patches at $5 per patch. There were 101 walk-ins at $5 per person. Our total income came out to $2,398.

The food cost us $174.57. To rent the hall it cost us $650. Our kitchen supplies were $106.14. We spent $7 on Facebook ads and we bought 2 of them which brought that to $14. Our total expenses were $944.71.

Since the total income was $2,398 and the total expenses were $944.71. We made a net profit of $1,453.29. The lodge trading post made $649 in sales at the show. We did a little better than expected from our original proposal.

2025 Account Balance Report Thru 10/27/2025 (Star McMackin)

See Attachment

In our General Fund we are at $30,014.87. The Richards Arena account is at $0. The National OA Events account is at $10,239.63. In our OA Properties account there is $52,023.32. There is $2,439 in the OA High Adventure account. In the OA Events account we have $2,232.04. There is $3,996.10 in the Hart Ceremonial Grounds account. The OA History Committee account has $15,089.68. The OA Vigil Committee account is at -$810.50. There is $26,478.84 in the Special Projects account. We have $2,704.09 in the OA Section NE-5 account. There is $0 in the Resica Lodge House account. The total of all of the accounts comes out to $144,407.07.

(Martin Stacey) - The section E17 officers just finished up with the Conclave final actuals and the section is at a surplus. So that money is coming back to everyone who went. That comes out to about $120 per person pending LEC approval.

(Gregg Slocum) - So if you notice we are at a deficit for the year. This is mainly due to the fact that we budgeted $5,000 for lodge properties and only made $2,355.61. So in the future we need to consider the changes we make to the budgets at the beginning of the year.

Lodge Dinner Budget Proposal (Leah Callahan)

See Attachment

We are estimating a total attendance of 250 guests at the Lodge Dinner. That assumes for early bird we have 20 youth at $45 each and 75 adults at $50 each. Along with the regular fee having 30 youth at $50 per person and 120 adults at $55 per person. We will also have 5 special guests which will be paid for by the lodge. Our total income is expected to be $12,750.

We are going to buy 300 event patches at $1.76 per patch which totals up to $528. For the program our Amazon list is $1,447.18 The door prizes of the weekend passes and the turtle pass will combine to $270. The total cost of the program will be $1,717.18. The Amazon list is high but it is intended to balance out the budget. There will be 3 dinner options; Chicken, Beef, and Vegetable. Chicken and Vegetables cost $33.50 per person and Beef costs $35 per person. Assuming that 82 people get chicken, 82 people get beef, and 81 people get vegetable dinner the total cost of food with the addition of the gratuity tip will be $10,329.82. To pay for the special guests it will be about $35 per guest and we plan to have 5 guests which totals to $175. Our total expense cost comes out to be $12,750.

Since our total income is $12,750 and our total expenses are $12,750. This budget evens out.

Motion: Leah Callahan - I would like to make a motion to approve the Lodge Dinner Budget Proposal. Seconded by: Ian Brumm PASSED

2025 Vigil Honor Back Patch (Martin Stacey)

See Attachment

The Vigil Committee makes a back patch every year. This picture was taken at the southernmost point of Treasure Island. This will be the third patch in the 5 patch series. We plan to buy 200 patches at a cost of $11.98 per patch and we are planning to sell each patch for $20. The total cost to purchase the 200 patches is going to be $2,396. Assuming we sell all of the patches we should make $4,000 which would make the total net profit $1,604.

The purpose of the vigil backpatch is to support the vigil process and the committee. We want the Vigil committee to be fully self-sustained. On the vigil section of the lodge budget report it is in the negatives and this patch will help get us out of the negatives.

Motion: Matt Rouleau - I would like to make a motion to approve the 2025 Vigil Honor Back Patch Design with the change of price at $20. Seconded by: Ian Brumm PASSED

National Jamboree Flap Discussion (Todge Sutkowski & Martin Stacey)

See Attachment

This flap concept was designed by an artist working with Steve Perone. Those who are going to Jamboree next year the patch set is Hoagiefest (Wawa) themed. This flap has the turtle ziplining across a bridge with a hoagie. We just want to get some feedback for Mr Perone so we can find a direction to go in for the flap.

Key Takeaways:
There was a disliking of the ghosted green background on the bottom of the pocket patch. The color is very similar on most of the patches so change colors. The position of the turtle should be better, maybe put the turtle in a harness. The WWW and Fleur de lis need to be fixed. The Unami Lodge name needs to be Unami Lodge, One. Add more natural colors.

<u>Anything for the good of the Lodge</u>:

Matt Rouleau - LLD registration is going to be opening tomorrow. Registration will be restricted because of how popular it was last year. We needed to cut down on some numbers to fully run the event.

Sophia Carroll - Award nominations are open until this Friday at midnight. Nominate fellow brothers for awards.

Leah Callahan - Tomorrow registration for the Lodge Dinner will be opening. You should sign up as soon as registration opens because you can get the early bird discount. The early bird ends on December 7th.

Ian Brumm - Thank you again for the service that was done at Fall Fellowship. The ranger appreciates your help.

Griffen O'Brien - Raise your hand if you are a chapter chief. If not you might want to pull out your phones and take a picture of this flyer. Please promote the Brotherhood Blitz to anyone who is eligible to do their brotherhood. It is a one day event with fun service, we will do the trail to brotherhood, and then you get to go home later that same day. We are also looking for a few more people for our staff, if you are interested please email brotherhood@unamilodge.org.

Todge Sutkowski - Please promote the Brotherhood Blitz. We have 10 people signed up and last year we had 80.

Michael Gilinger - There are still a couple spots left for the National Jamboree. There are a couple for the male troops and we have 15 more spots for the girl troop.

Matt Gutterman - Just a reminder to those who are doing chapter meetings virtually. Please make sure you are following Scouting America's policies. You are not allowed to use AI

transcript and record to meetings if youth are on the meetings.

Marina Darcas - It is past the date to schedule unit elections. We still have one to three elections still scheduled. We said there would be an award to the chapter who has the highest completion rate. But we have a tie between two chapters. Both chapters will get the reward. The chapters who had the highest completion rate are Conestoga and General Nash. Both chapters reached 100% completion percentage. This year we had the most unit elections approved than we have had in the past 3 years. The old record was 115 elections and this year we have done 123 elections.

Andrew Smallberger - The Baden Powell chapter first aid meet is on January 10th of 2026. It is a Saturday morning and I am looking for volunteers from the lodge or summer camp staff to help staff and judge troops with the first aid scenarios. We will also need help making the scenarios. If you are interested please contact me on Slack or email Baden Powell chapter.

Lodge Staff Advisor Minute: John Bickel

I want to share a big thank you to everyone who has helped with our full calendar of events across the council this Fall! Whether it was serving on staff for Halloweekend, Fall Fest, a service project at either camp, or helping staff a district event, I know the Fall is a busy time and your help is truly appreciated!

I'm sure Steve will say it, but the Resica Camp Staff applications are live, so I would encourage you to apply for camp staff if you are looking for a chance to spend the summer away in the beautiful Pocono Mountains! Day Camp staff applications will go live by Thanksgiving, so stay-tuned for that if you want to stay local and help for a few weeks of day camp!

Finally - I hope everyone has a Happy Halloween dressing-up in whatever scary or fun costume you choose! Have a fun and safe time with your friends, and I hope you'll all be helping with the Scouting for Food Drive starting next weekend!

Lodge Adviser Minute: Todge Sutkowski

I'm going to continue off of a couple points that John said. We had 229 people checked in at the weekend. The kitchen crew did a great job feeding everyone. Fall Fest is coming up. Thank you to those who are helping out at Fall Fest and making our lodge look like the best in the Order of the Arrow. Cubs are the future of scouting. Here's a daunting statistic from the Board Retreat: 65% of cubs do not cross over into scouting.

Outstanding work by our youth that presented about Unami Lodge to our board members was truly a great team effort that you guys presented. Those members were Matt Rouleau, Ian Brumm, Amelia, and Natalie Sidlow. The feedback I got was incredible so good work.

I have a big announcement as we go through the recharter process, we are currently at Thriving Status at this time in our PMP standards. That is a great spot to be in at this time of the year. There is one more status above this, High Performing. There is a lot of work that is needed to be done to push forward. We currently have 18 points. We need 22 to get high performing. If we decided to have a larger LLD and bring in 68 people, we gain 1 point. If we get 52 youth to complete their brotherhood at the Blitz we gain a point. If we get 49 new non-activated arrowmen at the New Members Bash we gain 2 points. If we donate $6,000 to the council we gain another point. I want to share a quote from Martin Luther King Jr: “You don't have to see the whole staircase, just take the first step.” Thank you all.

Chief Minute: Martin Stacey

October LEC is in the books. There are only a few more until my good friend Matty Rou takes over. It's been an incredible year so far. I am grateful for the opportunities that I have had before turning 18.

The elections this past couple years have been improving a fair amount. I want to share a quote with you, “ Winning is not the result of superior IQ, the key to winning is attitude.” There have been a lot of officers that I have worked with. When I started in the lodge I was never good at anything. I want you all to know to do your best, do it through attitude and grow with character.
