Business

National Jamboree Flap Discussion (Luke Smallberger)

I have made progress on our National Jamboree Flap since last month, some of you may have seen it but here it is! This flap's design is inspired by and based off of the Summit Circle as well as the Treasure Island ceremonial grounds (on the top of the flap). The founders are handdrawn on either side of the patch (bottom left and right of the flap). Along with the founders is another image of the Summit Circle with a blue flame located on either side. There is also a JSP (CSP) to go with this design, it includes "2026 National Jamboree" and "Cradle of Liberty Council" as well as all required insignia (WWW, Fleur de Lis, etc.).

This design includes 6 different colors throughout the patch with topography in the backround as seen in the previous Jamboree Patch design models. The green hue on the turtle is going to be a darker blue when manufactured.

Motion (Luke): - I would like to make a motion to approve the design for the usage for the 2026 National Jamboree Unami Lodge set. Seconded by: Sarah Olinyk-Wong PASSED

Roosevelt Chapter Patch Proposal (Kai Xin-Morales)

The Roosevelt Chapter Patch is being redesigned primarily with the borders of the patch. The normal design of the patch will be maintained with this exception of the borders. Chapter Officers will have their patch with a gold and green border while the General Members within the chapter will have a red border around their patch. This new patch is intended to be funded with the remaining $75 in the chapter budget, and can be purchased at a chapter meeting or function as well as a lodge weekend.

Motion (Kai): - I would like to make a motion to approve the patch design for the Roosevelt Chapter. Seconded by: Marina Darcus PASSED

Council Donation (Luke Smallberger)

The Special Projects Fund has a considerable amount of money that is intended to be used to provide a donation back to our Council. The lodge would like to donate $2,500 to Musser Scout Reservation (money will be put towards the Musser pavilions) in addition to this the lodge is also allocating $2,500 to Brenner Lodge at Resica Falls Scout Reservation. This donation coming from the Special Projects Fund will not affect our lodge's PMP standard and is meant to show our gratittude to the Council for allowing us to use the Council Camps (MSR and RFSR) for our lodge weekends each year.

Motion (Luke): - I would like to make a motion to approve $2500 to Musser Scout Reservation for the Paviliion Project and $2500 to Brenner Lodge with that money being taken from the Special Projects Fund. Seconded by: Amelia LeVay PASSED

Anything for the good of the Lodge:

Leah Callahan - Lodge dinner registration is still open and closes soon! It is going to be an awesome time! Tell your chapter officers to be in attendance so they can be sworn in to office, and we will also celebrate the achievements of our lodge and its members! See you there!

Amelia LeVay - OA High Adventure is a really fun program! It offers treks at Seabase, Philmont, Northern Tier, and Summit. These programs are available for only $500 and our lodge does offer scholarships for them! All programs are still open so be sure to sign up soon!

Matt Rouleau - Sign up for camp staff!

Lodge Staff Advisor Minute: John Bickel -
Friends - I am sorry that I am not able to be there with you tonight, but know I am celebrating in-spirit!! Thank you all for the tremendous year you helped create for both the Lodge and your efforts across the council! Combined, you have contributed your time, talent, and treasure to help Scouting programs thrive, and for that I am truly grateful! A special thank you and congratulations to Martin, the officers, and advisers for your work throughout the year. I am thankful for the opportunity to work with each of you. I am excited to work with Matt and the incoming officers on the exciting events and programs coming-up in 2026!

I hope you all have a wonderful holiday season! Be sure to take the time to spend it with family and friends. If you were on camp staff, I hope to see you at the Camp Staff Holiday Party on Tuesday, Dec. 30, and I'm excited for the Lodge Banquet on Jan. 3!

Happy Holidays to all - and thank you again for your brotherhood, cheerfulness, and service!

Lodge Adviser Minute: Todge Sutkowski -
Take the time to enjoy your break and spend time with your families! It's great to see everyone. Thank you to the 2025 officers for your hard work. See you at the dinner, please sign up, pay your dues!

Chief Minute: Martin Stacey -
”This is the true joy in life, being used for a purpose recognized by yourself as a mighty one; the being a force of nature instead of a feverish, selfish little clod of ailments and grievances, complaining that the world will not devote itself to making you happy.

I am of the opinion that my life belongs to the community, and as long as I live, it is my privilege to do whatever I can.

I want to be thoroughly used up when I die, for the harder I work, the more I live.

I rejoice in life for its own sake.

Life is no brief candle for me. It is sort of a splendid torch which I have got hold of for a moment, and I want to make it burn brightly as possible before handing it on to future generations....”

-George Bernard Shaw

Our purpose in the Order of the Arrow is simple and demanding: to serve others, to do so cheerfully, and to strengthen the bonds of brotherhood along the way. When we live those values fully, we are “used up” in the best possible way; leaving behind work that matters and people who are better for it.

As I pass this torch forward, I do so with gratitude. This flame belongs to all of us, and it grows brighter each time it is carried in service and shared in brotherhood. Burn it brightly, brothers. And when your time comes, pass it on.
