Business

Troop 367 Reelection Approval (Ian Brumm) - Please see attached presentation for further details

Comments on Troop 367 Reelection Approval - This election was held in December, and the unit it was being conducted for had ties to the person conducting the elections (violates procedure due to a conflict of interest). Three candidates participated in the election, 2 were elected with a great number of votes while the other Scout had few votes and did not get elected. The Unit claims that Unami did not follow the national policy of having another member who wasn't registered with the troop present to conduct this election, the LEC decided this is valid and voted in the unit's favor for a reelection for this Scout (The Unami Lodge Unit Elections Committee will be conducting the reelection). In the future we are doing everything possible to avoid this situation.

Motion: Amelia LeVay- I would like to make a motion to approve the reelection for Troop 367
Seconded by: Leah Callahan PASSED

Spring Service Two Budget Approval (Leah Callahan) - Please see attached presentation for all details

Comments on Spring Service Two Budget Approval - The listed battery lights are for the adults in each campsite. We have sold 32 Turtle Passes so far this year and the Sponser the Sash program donations will be added in the SS2 Actuals Spreadsheet

Motion: Leah Callahan- I would like to make a motion to approve the Spring Service 2 Budget
Seconded by: Sarah Olijnyk-Wong PASSED

Section Inductions Experience (Ian Brumm) - Please see attached presentation for further details, including scheduling

Comments on Section Inductions Experience - This Section Inductions Experience is based off of the National Induction Experience (NIE) which is essentially intended for every section and every lodge to understand and experience the new induction process and ceremonies. These experiences (plus a members only event) get Unami a certification to provide the new induction experience. **Spring Service 1 and Spring Service 2 are business as usual, with the original ceremonies (with the exception of ceremonialists dressing in black rather than regalia).**

Liberty Jam (Amelia LeVay) - Please see attached presentation for further details, including scheduling

Comments on Liberty Jam - At Liberty Jam you will be able to help facilitate programs (including leading a movie on Friday Night), as well as promoting our lodge! We've been asked for about 30-40 staff members so please reach out to Amelia and Ian if you're interested!

Musser Scout Reservation Funds (Ian Brumm) - Please see attached presentation

Comments on MSR Funds - We are requesting the following two financial moves:
Remaining Hart Ceremonial Grounds Funds - what was previously approved to be spent on tools at Musser was charged to the council general budget. As such, we are seeking approval to allow the council to use the funds to purchase storage containers.
$2,500 - What was previously approved to be spent on Hart Pavilions would be more helpful if allowed to be spent on purchasing storage containers.
We are requesting both pools of funds to be put towards the purchase of a storage container to help with alleviating the storage needs at Musser. The council is projecting to spend roughly $15,000 in storage containers, and this would go a long way to helping defray the cost.

Motion: Amelia LeVay- I would like to make a motion to approve contributing the full amount of the Hart Ceremonial Grounds Fund, and the $2,500 that was previously approved to be put toward pavilions at Camp Hart, to be moved to be spent on storage containers at Musser Scout Reservation.Seconded by: Marina Darcus PASSED

Anything for the good of the Lodge:

Martin Stacey - In one week 2026 Vigil Honor Nominations will be closing so if you know a brother who is worthy of the Vigil Honor, and is eligible please nominate them ASAP!

Leah Callahann - Spring Service 1 is coming up in 2 weeks! The Turtle Pass closes next Wednesday so be sure to buy it soon, SS1 is going to be a lot of fun!

Sarah Olijnyk-Wong - Lafayette is donating 2 patch sets from our 2026 Klondike Derby to the lodge patch auction to be sold at SS1!

Doug LeBlanc - Unfortunately he's not with us here tonight, but congratulations to Ben Branz for recently earning the rank of Eagle Scout!

Ian Brumm - Congratulations to Kai for also earning his Eagle Scout yesterday!

Leah Callahan - Congratulations to Sophia for earning her Eagle Scout! Also congratulations to everyone who attended and staffed NLS this past weekend!

Kenny Earnshaw - Inductions is looking for emats for SS1! Please share this with your chapters and reach out to inductions@unamilodge.org if you're interested or have any questions!

Marina Darcus - Keep doing and promoting Unit Elections! We're a little behind this year so please make sure each of the troops in your chapters are scheduling unit elections!

David Zangwill - Our March Event was a HUGE SUCCESS! We're also hosting a free Disc Golf Event on April 19th at 12:30 open to the Whole Lodge, bring your friends!

Alex Rossi - The chapter with the most Brotherhood candidates can win a free pizza party sponsored by Mr. Fred Lynch, in addition to this the next chapter to get 5 more brotherhood candiates for SS1 also gets another pizza party. Thank you Mr. Lynch!

Mr Cless - Conclave registration is OPEN! Currently Unami is not in the lead so be sure to sign up soon on NOAERS!

Mr Gilinger - There are still National Jamboree participant spots open for males and females so if you're interested please reach out to the council and have a great time!

Rhys Wallace - We have unfortunately lost a few brothers this past week, please keep them and their families in your thoughts and prayers.

Sophia Carroll - In addition to sending back responses to the Brotherhood letters from SS1, there will be letters sent out to all eligible Brotherhood candidates to inspire them to sign up to Seal their Bond at SS2 so we can get as many people as possible. To assist us in this, please try to make connections within your troops and chapters, you see someone sitting alone - go sit and talk to them, be their friend, learn their name, spend time with them for the rest of the weekend.

Lodge Staff Advisor Minute: John Bickel -
I want to thank everyone who came-out to help at the Musser Work Day last weekend! It was a tremendous showing by lodge members as we continued to move out of Camp Delmont. I also appreciate the work being done to plan for the upcoming weekends and the Induction experience. It is going to be a busy Spring with a lot of excitement, and on behalf of the council we are thankful for all of the time and dedication that lodge members are giving to make OA programs, Liberty Jam, and camp improvements possible!

I'm excited for the upcoming time at camp at our various events - see you at Musser for SS1!

Lodge Adviser Minute: Todge Sutkowski-

Thank you for all your hard work. There is still a lot ahead with the lodge and council events this spring. Most lodge activities are condensed into a quick six weeks, which will affect our metrics and performance.

April Lodge Weekend is in two weeks. After that weekend, some of us will leave to travel directly to Section training.

Some of you will be attending the National Inductions Training at Camp Allamuchy. You will learn about the historical changes and also gain induction experience for yourselves.

We will then support the Liberty Jam with an OA Service Core on the first weekend in May, held at Green Lane Park. May 1st to 3rd, sign up today. Ian Brumm is leading that effort.

Unami Lodge will host the Section Inductions Experience the weekend of May 8th to 10th. We will welcome all lodges in the section. Members can support as event staff or participate in the induction experience. This event is for current members only, not new inductions.

We are then back at Resica Falls the following weekend to provide service for Spring 2, May 15 to 17. Let's get some more members in the Order and set up Resica for a great summer program.

Lots of Scouting, Fellowship, and fun ahead.

FLIV

Then, in June, we are off to the Conclave.

There is much work ahead amid changing times in the Order of the Arrow. Many look to us to lead change, as we always have. Now is the time.

Tomorrow I leave for Ireland for 10 days. I leave you with this Irish saying for the hard work ahead.

"Do not wait to strike till the iron is hot; but make it hot by striking," urges William Butler Yates, playwright, writer, and Nobel Peace Prize winner. Let this inspire you to act proactively and create your own opportunities.

Vice Chief 1 Minute: Ian Brumm**-**

There is a lot of change coming, and it will alter the way we do things. The change is definite, but what matters is how we adapt and how we grow with it. Without change, things grow stagnant, and that stagnation never aids in growth or evolution.

It's important to note that we don't stand alone in this change; every lodge across the globe is going through it, but what is important is that we lean on each other. Look around you, you are surrounded by your brothers in this organization, those who love camping and the woods, those who answered that call to serve by their peers.

Let your kindness and love for this program be the thing that gets us through the change. Remember, we are here for the next generation of scouts, to one day give them a successful program, as those before us gifted us.

And one last thing, I mentioned that we aren't alone in this change, but instead of fighting it, let's be the best at it. We are the founding lodge, we are number one, so let's take this over a century of excellence, and press it forward. Setting the new standard as we go
