Staff Adviser Minute: Interim - Steve Mach

Thank you all for the great work you did this weekend! Lots of projects were completed to help us get camp ready for Summer Camp and make things a little better each and every weekend! Thank you again for everything you did, you all were a great help! I hope that when you come back here for Fall Fellowship that you're able to see the fruits of your labor and then put some more effort into some projects we will have at Fall Fellowship! Scouting doesn't stop in May - we've talked about Conclave but there are lots of opportunities this Summer like National Jamboree, Summer Camp and/or Summer Camp Staff, Volunteering at Camp, lots of things that will help keep you active and involved in Scouting over the Summer!

Lodge Adviser Minute: Todge Sutkowski

Webster Dictionary says the meaning of Brotherhood is "the quality of being brothers, a fellowship or an alliance, an association to your purpose." The whole body of a person is engaged when they see the business or our business of Brotherhood. At these weekends I usually try to talk to the New Members. You are now part of something really really special. The sad truth is that only 3/10 of you will come back. I want you to come back. This is a great organization that's going to give you great opportunities. You will have the opportunity to make friends outside your troop, you will have opportunities to take leadership positions, and maybe do some things you have never done before and take on new leadership abilities. We have other opportunities - we can send you to Philmont for an immensely reduced cost for OA Trail Crew that a lot of our youth take advantage of, we also have scholarships to help you get there! Take advantage of this. Everyone is wearing this sash with you, this is not something that you earn, it's something we want you to learn. It doesn't matter if you're 90 years old or 13 years old. We all did the same thing. Have a wonderful time with all the activities you may partake in within Scouting this Summer, but come back! Take advantage of coming to a lodge weekend!

Chief Minute: Matt Rouleau

There are a lot of opportunities in front of you guys! We have dozens of events coming up both in Unami, in our Section, in our Council, find something to do! Everyone in here wants to see your face again at an event, everyone in here can be a friend, go find some friends, go have a great time at a Scout event! Resica Falls is always looking for some Camp Staff members and people to come up and volunteer. Sign up for an interview, it's a great way to stay involved in Scouting over the Summer as well as make a little extra money!
