- Aidan and Rules and Procedures Review Committee - Would like to pass proposed to changes to the Rules and Procedures so it can be presented at the general members meeting for full approval.
    - Wanted to change the Rules and Procedures because it needed to be reviewed and updated, and also does not mention many important things the lodge does.
    - Made changes to simplify language and update to what the lodge actually does.
    - Added 5 new appendices
    - New organization chart for lodge hierarchy
    - Miscellaneous changes done as well
        - Name corrected
        - Ability to take money out without LEC approval fixed
        - Out of date verbiage changed
    - Corrected Article 1 to encapsulate identity and Article 2 to better explain Organization of the Lodge
    - Proposed Committees
        - Currently have 7 committees and numerous subcommittees
        - Proposing to change that to 15 committees with voting rights to eliminate the middleman in having a chairman of a subcommittee
            - Adding a History committee
            - Would eliminate Fellowship, Inductions, and Unit Support committees
            - “chairman” has also been changed to “chair” to be gender neutral
    - Eliminate Vice Chief positions and instead create positions of Vice Chief One and Vice Chief Two, Chapters would be assumed by the Lodge Chief
        - VC candidates would run and the candidate with most votes becomes VC1 and second place becomes VC2
        - VCs would be able to decide which committees they would like, with permission from Chief and other VC, to oversee based on their experience

        - If VCs leave unclaimed committees, the Chief can decide who will oversee what, or the Chief may decide oversee committees
        - VC1 is not superior to VC2, only difference is that VC1 fills in for the Lodge Chief when they are absent. In current Rules and Procedures, there is no line of succession.
        - Secretary and Treasurer may have the chance to take on a committee – any officer can oversee any committee
    - History committee would help record lodge history like award and Vigil Honor recipients, and would recognize both Unami and Delmont Lodges' history
    - Appendix B – LEC position descriptions were never included in Rules and Procedures
        - Each officer and committee responsibilities will be laid out
    - Appendix C – explains how nominations and voting is done
        - Self-nomination will be allowed
        - Voting and nomination process not changing
        - Elections will be held for Lodge Chief, Vice Chief, Secretary, and Treasurer
            - If someone does not win the election they are running for, they can drop down to the next position. Dropping down is not required, but is there to provide the youth the opportunity to continue serving the Lodge.
    - Appendix D – Awards and Recs, Article 8 currently takes up 5 pages
        - Eligibility requirements were not included, but have been included in the changes
        - Standardized the process for awards and limited amount of Benshetler Awards that can be given out
    - Appendix E – Lodge Financial Accounts are not explained
        - Changes give brief explanations on accounts, what goes in-and-out, etc.
- Next month this will be presented again after feedback has been processed
    - If you look through the packets that were given out and find any other errors or issues (whether grammatical, philosophical, or with verbiage) contact Aidan or Luke Cihak.
