- **LLD (Luke Clancy & Andrew Geer)**
  - Past year has been crazy, impeding training/activities. The committee is not going to allow COVOD-19 to stop with the LLD planning. Committee has been meeting the past couple months, should have info out significantly before the date (12/5). Event will likely be mostly virtual. Council offices may be used (25 person cap, no overnight), everything will be available on Zoom. Presentations will be livestreamed. Will be "interesting" and "awesome". LLD has lots of plans, and members should expect a lot from them. Committee wants to send out an

LLD “kit” with fun goodies and an info packet. A shortlist of possible sessions will be emailed out, as well as inquiries for possible presenters. Committee chairs will be expected to film a brief video introduction for the committee by late November (script has been written up by Luke and Andrew). If anyone needs help, reach out to Luke or Andrew

Business

- **Vigil Weekend:**
    - Vigil work day will be 10/17 at Resica. Anyone attending is encouraged to bring tools, lunch will be provided
    - Vigil Weekend is 10/24-10/25 at Resica
- **Election:**
    - Completely virtual format, elections will take place over one week, each position with ballots open for 48 hours. Will begin 10/2, so that youth have the chance to talk at work day. After the election closes, the loser(s) will be able to drop down if desired. There will be a 30 minute interim between each election, so that the voters may be verified. The whole process will close on 10/8. Requirements for those nominees will be sent out after nominations close.
    - This does not require a vote because Dan Templar (Supreme Chief of the Fire) approved temporary changes to the nomination/election process, as long as the LEC approves those temporary alterations.
- **Dues and Turtle Pass:**
    - Currently dues are $20 with a $5 early bird discount, Turtle passes are $60 for youth, $70 for adults
    - Weekend price was raised at the beginning of the year, but the price of turtle pass remained as it had been. Right now, the turtle prices reflect the old discount (offering a larger discount with the new weekend prices). Should turtle pass prices be raised accordingly so that the discount will rebalance itself?

- Raise the price of Turtle Pass to include Lodge dinner? Include a physical patch so signify that that person has purchased the Turtle Pass.
