- **2020 Financial Report (Patrick White)**
    - 2020 was a slow year for profits, although not much money was lost, given the global pandemic.
    - Made almost $10,000 less than had been budgeted ($2,500 less from Profits, $6,971 less from Dues); spent almost $10,000 less than had been budgeted for.
        - Total loss of $722.04 from the General Fund during the 2020 year (not including some History expenditures, such as the scanner)
    - Questions and Comments:
        - LEC approved a $5,000 transfer from properties, but given the lack of substantial profits from properties, the officers felt disingenuous transferring the full $5,000

  - Continental Chapter has started off well. The old leaders of Griffen and Noah have transitioned out, and have helped Nick to be successful as Chapter Chief. Our Chapter meeting went smoothly, where we discussed important topics that have to do with the lodge and our chapter. Finally, Mrs. Tryon transitioned as the new Chapter Advisor, and Mr. Cless transitioned into the Associate Advisor position. Overall, our chapter is running smoothly.

Business

- **Proposed 2021 Budget:**
  - Motion: Approve the 2021 Unami Lodge Proposed Budget as it appeared on screen
    - Planned income from Dues is $15,665 from 1,111 dues paying members (100 member increase from 2020)
    - As no one is taking advantage of the National OA High Adventure scholarship, continued transfers from the General Fund will be stopped this year.

        - Correction: the actual “Opening Balance as of January 1, 2021” is $35,413.72, not $38,883.22 as it says on the document.
        - Questions:
            - The charter fee number (1,011 dues-paying members) reflects last year’s number of dues-paying members, not this years expected number of dues-paying members (1,111)
            - The “Program and Miscellaneous” line-item serves as a pot from which several committees can draw money from, as needed
    - Motion: Transfer $12,362.65 from the General Fund to Events aAccount so that the Lodge can start the 2021 year with a clean slate
        - The OA Events Account has a negative balance of $12,362.65, and has carried a negative balance for several years. By moving $12,362.65 from the General Fund to the Events Account, the Lodge would be able to start with a zero balance in the account. This would allow the Lodge to closely ensure that events from this point forward are neutral or profitable.
- **Back to Delmont (tabled until the February LEC):**
    - Multiple chapters (General Nash, Continental, Lafayette) are working together in an attempt to bring renewed use to Camp Delmont, for both OA and non-OA members
    - The event is planned to be held on 4/10 at Nelson Training Center. The Program will take place from 9:00 am to 5:00 pm.
    - The total Chapter contribution is $200, remaining cost is $2560. Proposed cost per attendee is $10. The event will be self-funding.
        - Included in the cost of the event will be a “Back to Delmont” circular and rectangular patch.
    - Comments:
        - This event might want to get moved until August, both so that there might be able to be more people, and because the current planned date is the weekend after Spring Service.
- **Ceremonial Grounds Project Patch:**
    - Motion: Approve the patch with the planned changes of log/bench colors, the addition of “2021” on the logs in the firepit, and the slight size reduction of the “H”.
        - The design is mostly final, though some small alterations might be coming soon. The profits from the patch sales will be going towards the Ceremonial Grounds fundraising, and any money that surpasses the $10,000 goal will be used to maintain the grounds.
- **Unit Elections Time Frame (tabled until February):**
    - Some Lodges have limited election time frames (3 months, 6 months, etc.)
    - By implementing an election time frame, units will be unable to continually push elections off, and will better allow for inductions to take place close to inductee’s elections

        - This will be a Rules and Procedures change, which involves both LEC and General Membership approval
    - Questions and Comments:
        - Which Lodge's use limited election time frames, and what is their growth rate?
        - Back when Unami Lodge used this method, over 90% of elections were completed because there was organization with hard deadlines, and while eliminating said deadlines seemed good at the time, it has seemed less effective in the long run
            - As time frames have been expanded, total election completion percentage annually has gone down
        - From a programmatic standpoint this makes more sense, as it eliminates some of the limbo months (October through December) where elected members are unable to be inducted
- **Communications:**
    - In efforts to increase effectiveness of communications
        -
        - There is now a Communications Publication Request Form which will walk you through what information you should include in publications (posts, email, etc.). Please try to use this whenever possible.
        - 10 days in advance for small stuff, and try to include as much information as possible (caption (100 words max), graphic ideas)
            - Links cannot be put in Instagram captions (there is a link pages in the bio)
        - For articles, please give Communications a date to publish, information, graphic ideas, etc.
        - For those who need access to mailchimp, please let Communications know
            - One of the goals for this year is to squeeze as much as possible into the Unami Update, so if you need things to be included in the Update, let Communications know
