Business

Unit Rep: The lodge operations would like to suggest to leaders in the council that the OA Unit Rep position only be counted as a leadership position for rank if the individual performs their duties by participating in the chapter meetings. This would provide a method by which the unit leaders can evaluate whether they wish to count the time served in the position or not. It provides a responsibility for the secretary, but would revert to the chief or vice chief if there is no secretary. What would change would be Appendix B: Position Description. We would like to add a bullet point stating the following: Shall send an attendance report of unit representatives to the unit leaders.

Motion: I would like to make a motion to table the chapter responsibilities rules and procedures changes. Second by PJ Wiedman.

Dinner Patch Proposal: This patch would serve as the ring that would go around our event patches from our three weekends this year. The rims from the original weekend patches will actually be tucked into this ring patch.

Motion: I would like to make a motion to approve this patch design for the lodge dinner in January. Second by Liam Lynch.

Dinner Budget: Budget in General Slack Channel.

Motion: I would like to make a motion to approve the dinner budget for Lodge Dinner. Second by PJ Wiedman.

NOAC Patches: The first patch is going to be a contingent fla[. We are going with a Rocky Theme, the flap will feature a turtle on the Art Museum Steps in boxing attire. We plan on doing metallic threads for the fireworks as well. The second patch is going to be the trader flap, it is essentially the same as the first but it lacks the fireworks. As it stands we plan to buy 310 contingent flaps and 300 tra

Motion: I would like to make a motion to approve the NOAC Contingent Flap and Trader Flap with the appropriate changes. Second by PJ Wiedman.

Hart Ceremonial Grounds Donation: We did such a good job fundraising for the project, so much so that we have excess money. We have about 6,800 dollars in left over funds. We are looking to give about 3,500 to 3,750 dollars in funds to Musser Scout Reservation. The specifics of what the donations will go to is still up in the air. The ranger does have some ideas but would also like to leave it up to the LEC for discussion as well. We do not want to narrow it down to a super specific purpose, but rather a broad idea. There is no timeframe as to when this donation needs to be processed.

Anything for the good of the Lodge:

- **Matt Carlson-Section NE-5 Vice Chief:** In January the Section is going to be putting on a Section Leadership Conference. This is a separate event from ACT. This conference is for any Arrowmen or seasoning, it will contain some ACT content, but it will also include

section leadership content like POLESTAR to Activation Training. It is going to be at Ockanickon Scout Reservation, and the cost will be $25 per scout. There will be refreshments provided, and there will be a section trading post there as well! For the past few months, a few sections in the Northeast Region have been putting on some training together, called the light the fire series. There was a training on public speaking, and there is an upcoming training on unit elections.

- **Colin Eckels:** Minquas will be having aDecember Chapter Meeting at the Pennsylvania Institute of Technology on December 7th. We plan to have refreshments so if you plan on coming let us know!
- **Luke Clancy:** Make sure to sign up for the LLD, it is going to be awesome! We will have some cool special guests. Also keep Conclave in mind!
- **PJ Wiedman:** I am turning 21 next week, it has been a pleasure to serve in the LEC for the past 5 years. I don't plan on going anywhere, I can't wait to be back as an advisor!
- **Austin Groeber:** Congrats to the Lynch brothers on finally having their Eagle Scout Court of Honor!
- **Anthony Glass:** Thanks to all who came out to help at fall fest, Anthony, John and Ashley are very grateful for the help!

Staff Adviser Minute: John Bickel

Be grateful to your lodge, family, and friends, especially around this time of year. Thanks to all those who helped with service in our camps!

Lodge Adviser Minute: Craig Cless

Much like the mechanics of a bicycle, we are all spokes in a wheel that makes our lodge move. Stay true to yourself and your lodge. It has been an honor working with you all this year, and I look forward to working with you all next year.

Chief Minute: Patrick Lynch

The LEC will be moved up to the 21st next month to accommodate the holiday season. We will be having a Holiday party at the LEC next meeting, so make sure to fill out the google form (sent in general Slack channel and zoom chat) so we can get a head count. We are going to have a food truck!
