    - Will: I would like to thank everyone for the year, especially the ordeal committee. They did such a great job running inductions during the events! We would like to encourage you to be an elangomat in the future! Camp promo and Unit Elections are chugging along and are excited for the new year! Notably, Unit Elections will have a new module on how to do elections. More information to come soon. Service is still working to bring ideas about service to our camps.
    - Liam: This year's ceremonies did such a great job, they added three new brotherhood members to the squad, placed third at conclave, and did an awesome dedication ceremony at Fall Fellowship. They have great plans next year and have started to work on a team for NOAC. LLD is doing great despite the postponement of this year LLD, he would like to thank you all for attending his Unami University Training and making his last full year as a youth a great one! Brotherhood also did wonderful this year, we had over 50 new brotherhood inductions, 10 of which being females. We would like to thank everyone who helped out with the committee, you really helped us thrive this year!

**Business**

Approval of Last Month's Meeting Minutes: The notes are stating 310 contingent flaps, instead of 110 flaps as stated. I would like to make a motion to approve the members meeting minutes, with a correction. Second By Jason Abiuso.

Donation to Brenner Lodge: There is a project at Resica currently, we are trying to renovate Trooper lodge as it is in need of many updates. It is used for many reasons around camp during all seasons. The whole cabin needs a gut, it needs to be viable for summer camp and off season use. It also needs to be YPT compliant. We plan to do many renovations to get it this way. As part of these renovations, the cabin will be rededicated to Chris Brenner, past Camp Director. As for the Lodge, we would like to have the lodge do its part in service, and help out with this project. After all, that is what Unami Lodge likes to do. Funding needs to reach about $100,000. From other efforts previously, we currently have $32,000, but we would like to ask the lodge for $8,000 out of the Special Projects Fund.
I would like to make a motion to donate $8000 front he special projects funds to the Brenner Project. Second by Will Beardsley

**Anything for the good of the Lodge:**

Pat Lynch: As of 7:38 pm, its 7-0 with the Eagles Loosing.
Will Beardsley: Last year the lodge and VOA put on a virtual game night. We had over 70 scouts from across the country. Pat and myself ran it last year and it was a great success! We would like to do it again next year, and although this is short notice, we would like to do it January 18th! If you or your committee would like to have a bigger part in this event, please reach out to me or Pat! If you would also like to help plan or staff, please reach out to me!
Aidan Campbell: Vigil Honor Slides are for sale at the banquet, if you like to buy one, you have an opportunity. Vigil nominations will open at the end of this year. The Vigil weekend will be from September 18th-16th.

Jason Abiuso: Thanks to everyone who came out to events this year and supported the committee! Since I will no longer be the events chair, I gladly hand the torch over to Benson Davis! We have filled our bus for NOAC, but if you still want to go, sign up and you will be put on a waiting list. If you need a last minute holiday gift, we have lovely fundraiser flaps still available. If you know anyone who wants to get involved, specifically in Lodge Ops, please let me or a 2022 officer know!
Luke Clancy: Conclave is a short 6 months away, get excited, it's going to be great. In terms of LLD and training, we have more info on the LLD soon, and also sign up for the ACT Leadership Conference if interested! Myself and Will Beardsley will be trainers!
Craig Cless: If you want to sign up for the ACT conference, please go to the link I posted in slack. Our section will be changing to section E17, if you would like to design a logo for it, they are having an instagram contest! We still plan on having the Lodge Dinner, we are trying to do it as safely as possible. Our numbers right now are somewhere between 100-120. We will be taking as many precautions to keep everyone safe, that includes social distancing, and masks. Of those attending, around 30-35 of those signed up are spouses or non-members. Do we want to approach this in a different way to allow as many members to attend as possible?

**Staff Adviser Minute:** John Bickel
Thank you to everyone who has come out and supported a lodge event or service opportunity at one of our camps! WIth all of the service and money that was given to our camps this year, we could not have done it without the Lodge. I would also like to thank the lodge for having such good communication and conversation about the conscientious subject of Covid. I would also like to thank the lodge for their contribution to the Brenner Lodge, it means a lot to me and I am so thankful. Let's get ready for 2022! If you want something to do this summer, apply for camp staff or sign up for summer camp! Happy Holidays and Happy New Years, I look forward to working with you all next year!
**Lodge Adviser Minute:** Craig Cless
If you were asked to take a bundle of sticks and break it, you can't. If you take the sticks individually, it becomes easier. The same goes for if you try to wrap your arms around a tree, it is difficult to do alone, but when working with others, it becomes easier. I am excited for us to come together even more and create great unity within our Lodge and LEC. We can work together to achieve our goals, and have a great year next year!
**Chief Minute:** Patrick Lynch
We together have spent about 355 days together as a lodge leadership, so look at all of the things you have accomplished within that time. We have had great energy this year, I am proud of us. I would like to thank my fellow officers, and chapter officers, I couldn't have done it without you. What can believe in yourself spark in your mind. What are you capable of, and how can you contribute it to the Lodge? Thank you all for a lovely year, I look forward to working with you all next year!
