Unit Elections (Nathan Schooler)

The unit elections committee will be hosting an online unit elections training Feb 7 and 8. You will learn about the election process and learn about an ice cream party.

Communications (Skye Kramer)
Hey everyone, I'm speaking on behalf of the Communications committee. If you or someone you know have interest in becoming Communications Chair please reach out to me or one of the other officers. Also something to keep on your radar, there is a good chance we will be requiring people to use 2 factor authentication for G suite (Gmail) in the near future. So start preparing for that.

Membership (Katherine Schaffer)
Hello, sorry I can't be there in person tonight. Our dues count for paid members is 183 members for 2023. This time last year we had 710 members. An email and USPS mailing went out today to generate dues payments. Hopefully this mailing and email give us traction. If you know someone who hasn't paid their dues yet TELL THEM TO PAY! All LEC members need to have their dues paid before February LEC. Posting and email has been sent today!

Business

Washington Chapter Flag
We chose the turtle because of the OA. We had a meeting and drew out a design. We had Katherine put it into a design. Suggestions: Add Unami Lodge, One
Motion: Star McMackin: I would like to make a motion to approve the Washington Chapter Flag. Seconded by Jason Abiuso

2022 Account Budget Report
Where we ended is the 3rd column. The 4th column is where we started. Last column is the change. Red means negative change, black means positive change.
Profit in the General Fund. National OA Events; capture any national events in 2022; NOAC, we walked away with a good start for the 2024 NOAC.
OA Properties; trading post. Made just under $4,000
OA High Adventure; lost 3,300 assist Lodge members to attend High Adventure Bases
OA Events; all the weekends; lost money because of food costs rising. Weekend prices were raised Sashes are over $23 a piece.
OA History Committee; created in 2022 to support history committee ended the year with $5,600
OA Vigil Committee; created in the end of 2022 to support the vigil committee
Special Projects; patch auctions- saving account for special projects
OA Section NE-5; Income for any Section Events, mostly Conclave
Timing difference for the dinner, might've been some registration money to go to 2023 rather than 2022
OA High Adventure has been capturing the Turtle Pass cost but this error was fixed and moved back to the OA Events Account

General Fund Budget vs Account
Income budget; short about $5,000
Expenses: gained a little less than $7,000
Chapter Chief's you have a budget of $75 feel free to use for pizza, ice cream, or a flag, etc.
Printing and publications; mostly done virtually
Total Profit was $2,052.44

2023 Lodge Budget
Income:

-Dues: Based on previous years number, accounting for a possible reduction in membership as is being predicted. Based on the 800 dues paying members. The price of dues is going up.
-Profit from Properties: Again, based on last year's numbers, we profited $2,500 from properties in the 2022 lodge year, and expect to maintain that profit for this year, or increase due to the increase in new properties to fill the trading post.
-NE5 Section Rebate: Number given to us by the section.
-Donations: $2,000 should be expected as we have many donors that continuously support the lodge through monetary donations.

Expenses:

-Charter Fees: Charter fees placed by national @ $5 per member, this total is based on membership for the previous year, with Unami Lodge One accumulating 1,083 members.
-Printing: We estimate that this year we will use a greater amount of this budget than normally through different promotional projects and other ideas that are under talks at the moment.
-Donation to council: $1,000, self explanatory.
-Training: This budget is used to send members of the lodge to training such as SLC and NLS, as well as to host our yearly LLD. This year due to the distance of the Eastern Region NLS locations, we do not suspect to be sending any members to NLS, allowing us to lower the overall training budget. Last year's budget included 2 LLDs and 2 NLSs. If you want to go to NLS, we are not going to stop you but since it is so far away, you will have an entire day to travel. It's a logistic problem.
-Postage: Again, similar to printing, we have many promotional projects underway that would be sending letters or flyers through the mail.
-Officer's Expenses: Used for reimbursements if any lodge officer is to buy things for the program or the benefit of the lodge using their own funds at the time of purchase.
-Recognitions: Used to purchase awards that are given at the annual lodge dinner. Prices of awards have increased, causing a larger amount to be placed into this area.
-Vigil: Although the Vigil committee now has their own account, it has not had time to mature nor accumulate anywhere near enough for the committee to function. Therefore this year Vigil will still be receiving a cut of the lodge budget.

-Transfer to both savings: Annually we add money back to these accounts to ensure that we are actively putting money away for national events, as well as replenishing funds to award camperships for the national OAHA programs. A dollar per member OAHA is being added to again because we have lost money this past year,

-Communications: Used to pay for mail chimp, adobe creative cloud, social media ads, website domains, etc.

-Chapter Expenses: Remains at $825 split $75 per chapter. Pushing chapters to use, for things like food, or a flag, etc.

-Membership: Used to host new members bash, and offer small incentives to new members to continue in the lodge.

-Office Supplies: Pens, staples, paper, markers, etc.

-Community Service Day: Used to purchase patches for the service day.

-Council Annual Dinner: Used to send representatives of the lodge to the council's annual dinner. This is going up again this year to $55. We can take that from programs and miscellaneous. (2 tables, 1 youth, 1 adult) (youth is paid for by the lodge, adults have to pay)

-AIA Program: Provides operating funds for the committee.

-History: This year the history committee opened accounts for any history related funds to be deposited to. From what we have seen, the History committee has more than enough funds accumulated to operate without assistance from the lodge this year. Therefore, the history committee will not be receiving a cut of this year's lodge budget.

-Camp promo: Used for committee function and operations.

-Inductions: Split $75 per induction committee (Ordeal and Bhood) to purchase required materials to have successful induction weekends.

-Unit Elections: Used for committee operations, and to provide incentives to chapters for completing their elections.

-Events: Used for small materials and other items related to events and meetings.

-Program and Miscellaneous: Remaining funds placed here to balance the budget to zero out.

Motion: Zach Kline: I would like to make a motion to approve the 2023 Proposed Budget, with the addition of adding $50 to the Council Annual Dinner from the Program and Miscellaneous.
Seconded by: Griffen O'Brien

History Budget 2023

First we have projects and campgrounds, this is not a set cost, it's just the limit could range from 100 to 1,000. Buying 10 display cases, planning on rotating the displays based on the camp.
Miscellaneous, trifolds, craft supplies

Motion: Aiden Sutkowski: I would like to make a motion to approve the History Budget.
Seconded by Terence Lindsay

History Ledger

Transparency: You can see everything going in and going out
Most of the names that are their are for the people that bought tables for the memorabilia show
Not all our expenses are here

Lump them all together rather than having lists of names with costs
Rhys doesn't drink, smoke, or go out but he for sure buys patches. Mr. Lynch said Rhys call me.

Conclave Budget
Conclave this year hoping for 75 participants. Cost from the section is $50 but Unami is charging $5. Full cost is $55. We are not paying $55 for the section. Still having shirts and having extra shirts being sold for $25. Looking for other vendors for the t-shirt. Patch Auction again hoping for an income of $1,500. Selling 150 fundraising patches $10 a patch, limited edition, don't want to have so many left over. Don't want to have a lot left over. We don't want to over order. The more patches you have the lower the value of costs. If you want a patch, order faster! If you want to collect, let them collect! Mr Lynch is buying 15. Have money aside in case food is terrible and we need to order pizza again. $420 dollars should be removed from this budget. Maybe not have a fundraiser flap. People are out there who want Unami Lodge, One patches. Maybe have a pre-order.
Motion: Angelina Sims: I would like to make a motion to approve the 2023 Conclave Budget with the removal of last year's conclave refund. Seconded by Terence Lindsay

Fundraising Flap
Final design for Fundraising Flap. Idea is the beach bash theme so we wanted to include the volleyball and the writing in the sand to look fancy. Matt Luke designed the patch. 2 Fleur de Lis for symmetry. Could only do 10 or 11 colors
Motion: Angelina Sims: I would like to make a motion to approve the 2023 Fundraising Flap Design. Seconded by Terence Lindsay

Conclave T-shirt
Design for the full back of the t-shirt. Only can do 5 colors, 1 has to be the t-shirt color. Yellow, green, white, and black. Price wise 4 colors and 1 for the t-shirt. The front will be the same as previous Conclaves, the one with the Unami Lodge, One and half a turtle.
Motion: Angelina Sims: I would like to make a motion to approve the Conclave T-shirt design. Seconded by Terence Lindsay

Events
2023 Events Updates. The Events don't run without the LEC. We are going to talk about the theme, fourth weekend, and questions. The theme for this year is Choose Your Own Adventure. First event meeting was prior to the dinner. No matter the themes that we do, we want an opportunity for everyone to have fellowship at our events. We sent out a google form, there's going to be a qr code. This is what we have gotten so far. Maybe we will have some of them, or a weekend that revolves around more than one. We want your ideas for what the LEC members want at our events. Ultimately this weekend doesn't happen without everyone sitting in this room. An idea is submitted and the most realistic ideas. Lodge chief gritty isn't too doable. Patches, food, and sub-theme unsure of these things yet. Multiple options at all the weekends. Need to know where everything is at, lifeguards, need a bsa certified aquatics director, and people who need to figure out staff members. Logistics still need to be discussed. "Choose your

own adventure" seems like a category. Different themes; pirates, choose your own adventure books type of deal. Lump set of activities together into different categories. Fall Fellowship; high adventure is Resica based where there is light. Fellowship is at night on Spring Services base your activities based on "choose your own adventure" books.
Fourth Weekend:
August 4th to 6th at Resica, staying in Firestone. Smaller weekend, mostly inductions. Meant to replace summer camp inductions. Higher turn-out with a higher induction boost. Get more people out to run the weekend. Not a part of the Turtle Pass as the Turtle Pass cost is already out there. Not so much chapter representation. More so just committees and candidates. Help with closing down camp. Firestone Lodge, use that kitchen to prepare the food. Remember last year's conclave, Saturday Night, glowsticks, fire, s'mores, drums. NOAC Wednesday Night, there for each other. Encompass fellowship and brotherhood, at this weekend.
Price will have to be the same as it is an induction weekend, will have the cost of all the sashes and things for the new members, and food costs could be more expensive. New candidates' costs will not change. People already have a full summer. Other lodges have a good turnout on these weekends. Just before college and school starts up, after conclave, and a long summer. Firestone kitchen is not huge, be careful how many people are there this weekend. Having the new standard of Ordeal. There are price points for food so it might not be cheaper. It is mostly an induction weekend. Service weekends are great but for this year, it is more so an induction weekend, Ordeal and Brotherhood.

Anything for the good of the Lodge:
Mr. Slocum- Quick reminder as we start the new lodge year, anyone who is presenting a budget needs to send it to the Lodge Advisor and the Treasurer.

Jason Abiuso- Vigil Honor nominations are now open. Even though Vigil nominations close on April 30th, DON'T wait. If you believe you know an Arrowman deserving of this honor, you can now submit a nomination on Unamilodge.org/awards. The only requirement is that the nominee be a brotherhood member for at least 2 years. Remember: You DO NOT need to be a Vigil yourself in order to submit a nomination for a deserving brother. All youth and adults are encouraged to nominate if they find someone worthy of the honor.

Griffen O'Brien- Unami Adult and Youth, the Council Eagle Scout Recognition Luncheon is Sunday April 30th from 12 to 3pm in Franconia PA at the Franconia Heritage Banquet Center. Cost is $50 to attend. Scouts who earned the rank of Eagle Scout in 2020, 2021, and 2022 are FREE. They will be honoring the distinguished Adult Eagle Scout Award as well as scholarship recipients. Lets try and have a good showing by Unami Lodge Members. You need to register on the council website.

Colin Darcas- Idea with the help of Mr. Cless, instead of doing a chapter klondike that we all do separately and take the top 5 of winners from these klondikes and hold a lodge klondike. Could have a fee for admission. Could be a fundraiser to create money for the lodge, so we don't go

broke. Late March after all the Klondike's are done. In the evening, do a lodge callout. Anyone is able to come for a lodge Klondike. Not this year but maybe in 2024. Work through and promote.

Rhys Wallace- History committee has wears for sale in the red bins. They have too much stuff and want more money. Will be at all LEC

Steve Mach- Application for camp staff is still open. Apply if you are interested in working at Resica. A daycamp one will be opening up soon, for Musser. Apply now to Resica.

Lodge Staff Advisor Minute: John Bickel
Short and sweet; big shoutout to Colin and his team for a successful true youth led Lafayette's Klondike. There were 18 troops, packs and crews present. Every activity could tie into the theme and everyone was having a great time. Parking at the council office is along the side and on the front grass. There are ambulances in the back and if they can't get out that is a problem. We can be parked in the back or double parked. For this meeting or others. Don't park in front of the ambulances

Lodge Adviser Minute: Craig Cless
Short and sweet; it's late and everyone is here and engaged. This is a great start to the 2023 lodge year. Let's keep this momentum going into the rest of the year. Everyone was here on time and we can't wait to continue this for the remainder of the lodge year.

Chief Minute: Liam Lynch
What is the true meaning of Brotherhood? Is it someone who helps when they see someone in stress, maybe a friend when they are going through a tuff time or the biggest one….JUST BEING THERE FOR THEM.

In my eyes, Brotherhood is where you can call me at any hour and I will be out to help. Look around this room for me everyone…what do you see? I know I can see a family that has a Brotherhood that can never be broken. I am challenging the LEC though, to strengthen those bonds and get to know someone in the LEC that you don't already know. Take a few minutes and get to know your brothers in our order. I know that this will make our LEC and Lodge stronger.

Thank you everyone and I'll see you all soon!

Yours in Brotherhood,
Chief
