The team for the Brotherhood Blitz has also been created and we can't wait for that as well.
- Communications (Zach Gilinger)
    - Recently there has been some confusion involving social media posts so I wanted to clear some things up.
    - Let us know beforehand so that we know that we either need to make a post or the committee that wants the post can make their own based off nationals standards
        - Let us know when posts should go out so we can plan accordingly

        - The lodge has its own canva branding and color schemes so using those is recommended
        - We would prefer if photos were used instead of drawings
        - To prevent any mixups we want to be notified if a committee is making their own post

Business

NOAC Budget (Will Beardsley)
Walk through NOAC budget so we are all on the same page, 1325 a person talk about where the money is coming from in years past. This year we are covering the cost of the travel for the chief but not the swag. Same cost for youth and adults. We are estimating about 40 people. Making sure staff feels appreciated we will give the swag bag to the staff members. Fundraising 2 flap designs. Looking to get them by Fall Fellowship. 2 fundraiser events for the fall/winter. We are looking at some kind of shooting sport activities or something over the winter and is something we hope will continue for other NOACs. Fall fellowship and SS1 patch auctions go toward NOAC. besides fundraiser sets, we are hoping to have 3 patch sets. 1 trader set and 2 delegates. We have some money in the bank from last NOAC and hoping to keep it there.

Conference fee went to 675. We are estimating that folks are paying for the full cost not the early bird cost. Estimating airfare costs and NOAC shuttle costs, down to the swag bag we will have 2 t-shirts contingent and then a section t-shirt. Trader patch, delegate flaps both designs, duffel bags and nametags. Saving money to buy a permanent and portable solution for the lodge flap. Total cost is looking to be 68,716.00. Only allowing 6,000 contingent members. Estimating 40 to keep things safe. To guarantee that you get a spot make sure you get your money in early!! Registering for NOAC is potentially coming out Oct 1st. Message will be spread out over social media, email, and slack. Deposit of $200 and 3 additional payments approximately 2 months apart for $375.

Liam Lynch: I would like to make a motion to approve the NOAC budget for the 2024 NOAC.
Seconded by: Will Beardsley PASSED

General Nash Chapter Patch (Brayden Liebel)
I'll make this quick, 100 patches to start; total cost is 246. Sell for $6 similar to what constellation sells theirs for currently. If all are sold, we will have a profit of 383. sell at the trading post. Come out SS1 because General Nash has a lot of people there and next year we can put another order out if we need to.

Brayden Liebel: I would like to make a motion to pass the general nash chapter patch.
Seconded by: Patrick Lynch PASSED

Vigil Property (Patrick Lynch)
So the top patch is already approved and the design on the vigil polos. We will be using vigil funds. Anyone is eligible to purchases these patches. The other 2 patches are further down. These patches will be embroidered. We need approval of 1 of these patches. We are not opposed to getting approval for both but we really just need 1 of them. Thunderbird is where vigil was held this year. Its a vigil site. We are going for the bottom flap (the oval one). Looking for approval of the design. This property will benefit the vigil committee. We love all of our 16 vigils for this year but our budget from the lodge is big enough to pay for the neckerchiefs and slides that the vigils receive. The wording on the bottom will be flipped. No year will be put on that patch.

Liam Lynch: I would like to make a motion to approve the production of the vigil honor flap.
Seconded by: Patrick Lynch PASSED

Events- Fall Fellowship Budget (Mara Strauss)
The events committee and officers have been calling this the best weekend ever. We have a bunch of incentives and fun fellowship.

Lawn games and board games on saturday and i ask that if you have something that you could share with the lodge that would be greatly appreciated. Theres also gonna be the patch auction and a movie

Registration: the numbers are looking a bit smaller on here to accommodate the prices.

We had a lot of program items that are being donated to us so our only program thing that we have to purchase is a bouncy house. Its a 40-ft obstacle course that costs. The theme is air and sky. Hot air balloon will be tethered to the ground to be able to look at it, nobody is able to ride in the balloon though.

There was supposed to be a helicopter landing from the coast guard similar to NOAC but since the weather that has happened recently, due to operational constraints concerning the recent tropical storm.

Liam Lynch: I'd like to make a motion to approve the events budget for fall fellowship. Seconded by: Mara Strauss PASSED

Anything for the good of the Lodge:

Matt Rouleau- Official dates have been chosen Saturday December 9 at Chester County Council Parc. We can have a lot of people, fun training, guest appearances (maybe), promote the event!

Will Gabel- complaint: summer inductions budget online vote

- Liam Lycnh: the event was coming up and the events committee couldn't buy stuff prior to the budget being held. If you have to do an online vote, we recommend you recording the budget and have a breakout room for questions

Griffen O'Brien- Challenge for everyone in the room and online, go back to your troops/chapter meetings and encourage them to sign up for fall fellowship, encourage them to take the next step, completing ordeals/sealing bonds of brotherhood. Its going to be a fun great weekend. The brotherhood blitz is still happening, it is going to be on Saturday November 11, finalizing details and look for registration link to help staff it. Email will be coming out in the next week or so. Strictly for staff and people completing their brotherhood.

Liam Lynch: We are in the works of communicating for thrive and we are in the beginning stages of thrive, getting to know the thrive personal then have to talk with the officers about problems. We are going to wait until the first or second week of October to work with the new and old officers to help benefit the lodge.

Patrick Lynch: On September 10th we had 16 brothers complete their Vigil. The following are the names of those who completed their Vigils and the translation of their names in English

Mara Strauss: The Innovator
Noah Goldberg: Understands the Purpose
Colin Darcas: Turtle Who Brings Joy
William Beardsley: Speaks with Fervor
Glenn Campbell: Just Servant
Zach Kline: Deligent Bear
Brian Darcas: Drives Us Together
Jack Ashton: To Act with Volition
Anton Meyer: Teacher of Leaders
Daniel McDougald: Steadfast Worker
Brandon Hing: Captures the Moment
Daniel Gottschalk: Explorer of the Once Known
Greg Osborn: Fun-loving Maple
Robert Scott Mann: Honors the People's Story
Ethan Youse: He Who Brings Fellowship
Philip Weidman, Sr.: One of Many Journeys

Congrats to all!

Zach Gilinger: Recently there has been some confusion involving social media posts so I wanted to clear some things up.

- Let us know beforehand so that we know that we either need to make a post or the committee that wants the post can make their own based off nationals standards
    - Let us know when posts should go out so we can plan accordingly
    - The lodge has its own canva branding and color schemes so using those is recommended
    - We would prefer if photos were used instead of drawings
    - To prevent any mixups we want to be notified if a committee is making their own post

Terence Lindsay- 2 things: brotherhood blitz triumph and return. If you know anything reach out to the brotherhood committee Griff, Luke, Terence, Mr. Lynch to join our staff. 2nd thing is sumer inductions budget, we are not going to throw it all on Liam, all 5 officers will take the blame. Thank you all for trusting me and all the officers we are truly making a difference.

Mara Strauss- Please sign up for fall fellowship, go back tell chapters and troops to sign up for fellowship.

Rhys Wallace- Heather got married (ROUND OF APPLAUSE). Mama Filler is now Mama Mic. I got to officiate it and that was dope! If you want a copy of the books come see me. THANK YOU all for coming to the memorabilia show.

Fred Lynch- 200 members are eligible to seal their bonds at FF but at the Brotherhood Blitz its about 100 more

Liam Lynch- competition among chapters about winning the cup and people. The chapter that brings the most to Fall Fellowshipp will get a pizza party at their November meeting by Liam. The whole chapter is counted in this, not just youth.

Lodge Staff Advisor Minute: John Bickel
Thanks to anyone who participated in our camps, both at Resica Falls and Musser. Lodge members were present on both staffs. In the Fall, we have the brotherhood blitz, fall fellowship, and we also have fall fest (October 14, 21-22, and 28) for the little cub scouts. We could use help in the all areas. Whether you are over 18 and have a bb certification or a shooting certification. But there are also areas like pumpkin carving, kitchen (cleaning dishes), Scoutcraft, fishing, and so much more.

As we go through scouting, follow all BSA policies, people who are attending our events need to be registered in scouting. Thanks everyone.

Lodge Adviser Minute: Craig Cless
At the 1968 olympics, Bob Beamon set a long jump record that many thought would never be broken. That same year, a young boxer named George Foremen won a gold medal and paraded around the ring with an American flag, instilling pride in many Americans. One athlete named John Stephen Akhwari from Tanzania, a marathon runner, probably made the longest lasting impression on people, though. While he was running, he stumbled and fell, severly injuring his knee and ankle. After receiving first air he did what no one expected: He got back in the race. Long after everyone else had finished and left, he limped into the near empty stadium to the cheers of a small crowd that was still there and he finished his final lap. When asked why he continued the race after he was so badly hurt with no chance to win he replied: “My country did not send me 5,000 miles to start the race — they sent me 5,000 miles to finish the race.”

Do each of you accept responsibility to finish a task when you start one, or do you take the easy way out when the going gets tough? Do you keep your promises when you make them, even the ones you make to yourself? A man who doesn’t keep his word will not be respected and will not be trusted. What kind of man does each of you want to be remembered as?

The PNP is the performance of each lodge, becoming thriving or high performing lodge. We are close to be thriving but we have a chance to be high performing. If we push a little harder, we can receive a thriving status. Some of you recently saw emails I sent out, units must register for unit elections prior to end of September. WE are officially chartered as a lodge and

this will stay at council office. The charter says Unami Lodge but it should say Unami Lodge, ONE

Chief Minute: Liam Lynch
Be prepared, 4 months left, 1 fall fellowship, 1 blitz, 1 new members bash, 1 dinner, 3 more LECs. We are 3 people away from our first incentive and I, and all the other officers, can't wait to wear a sick costume for Saturday colors. I can't wait to see Mr. Cless with a green goatee, but I don't think I will be getting duct-taped to a tree.

Yes we did text all 900 people in the lodge, we sent emails to those eligible for ordeal and brotherhood

I hope to see yall at fall fellowship and Mr. Cless with a green goatee.
