The Summer Kickoff Budget (Marina Darcas)

Hi, my name is Marina Darcas and I am the Thrive Engagement Lead. I plan to hold a Lodge event on June 1st from 3pm-6pm at the Fort Washington State Park. During the Summer Kickoff event we will have a picnic with lots of food and many different yard games. The purpose of this event is to engage new Ordeal members that were inducted in FF, SS1 and SS2. We are targeting this group as studies show that to retain members, we need to engage them in another activity within 6 months of their Ordeal. We are here today to get approval for the 2024 Summer Kickoff event budget. This budget was planned out so that it will be self-sustaining, which means we will not have any losses or make any profit from this event. We budgeted for 100

people to attend at a $6 per person cost. If the number of participants change that is ok as the budget should still allow for the event to be self-sustaining. We will be changing the activities of this event by adding in aspects of AIA and the OA like having the drums team come out to show their skills and the ceremonies team come out and teach about their regalia.

Marina Darcas - I would like to make a motion to approve with changes the 2024 Summer Kickoff event. Seconded by: Luke smallberger PASSED

2024 Spring Service 1 Budget Approval (Mara Strauss)

We are budgeting for 115 general members, 40 turtle pass members (which registration closes at the end of march), 75 ordeal candidates and 40 brotherhood candidates. As for expenses we plan to do a mass order of the silicone bracelets like we used to have in the past. We plan to make 270 of them along with 270 of the event patches. This year we will have to pay for the printing which will cost $262.50. As for the prices of the food, Steve Mach is the one who gave me these numbers so if there are any problems go to him. Ordeal and Brotherhood costs are as always with the sashes and booklets. We plan to have 5 Elangomats which after some discussion has been changed to 9 Elangomats. The message about the dues for the Ordeal candidates is just a notice that the Lodge loses that $1875 as we pay for the ordeal candidates dues for the year. After some discussion the profits from the Sponsor A Sash Program will be shown in this budget.

Mara Strauss - I would like to make a motion to approve SS1 Budget with the changes discussed about the sponsor a sash program, updated printing prices and an increase of Elangomats from 5 to 9 Elangomats. Seconded by: Griffen O'Brien PASSED

2024 Weekend Patch Approval (Mara Strauss)

Our theme for the 2024 Unami Lodge year is music, and what better way to make a patch set then a record disk patch! There will be four separate patch sections for SS1, SS2, SIW (which is not open to general members) and FF. SS1 is rock themed, SS2 is disco themed, SIW is POP themed and FF is country themed. This patch is going to be bigger than usual as we want this to be like a back patch for a coat or something along the lines of that. Each 1/4th quarter of the patch is going to be 3x3 and the whole entire patch set put together will be 9x9. As for the Lodge dinner patch it is a jukebox themed like the Grammys. If someone is to miss a weekend but would like to finish the patch set, if there are extras they will be for sale at the lodge trading post. As for the brotherhood bash patch we have not designed on as we have not seen the budget for that event yet. As for the dark purple on the black background that should not be a problem as the purple thread will be a brighter purple then what is shown. As for the orientation of the objects on the patch they will be changed to be facing the center to make the patch look more uniform as it is a circular patch.

Mara Strauss - I would like to make a motion to approve the 2024 weekend patch set and dinner patch with discussed changes. Seconded by: Paul PASSED

Changing Conclave to a Standing Committee (Martin Stacey)

First thing, we would like to make the currently ad hoc Conclave Committee a standing committee on the LEC. This is to help the committee stay active throughout the entire year to help the committee plan accordingly and fundraise, which is especially important as the next Conclave will be at Puerto Rico which isn't cheap. This would change Article 4 Section 4 of Clause A and then conclave will be added to the LEC committee organizational chart. If approved tonight we will also have to approve this at the next general members meeting, which if passed then this would go into effect immediately.

Martin Stacy - I would like to make a motion to approve to change Article 4 Section 4 Clause A to add Conclave as a standing committee pending the general members meeting. Seconded by: Star McMackin PASSED

Adding Conclave to the LEC Committee Organizational Chart (Martin Stacey)

Martin Stacy - I would like to make a motion to change the organization chart by adding the Conclave committee pending approval of making it a standing committee and pending the general member vote. Seconded by: Marina Darcas PASSED

Changing the Requirements for the Green Turtle Award (Martin Stacy)

There has been some ongoing discussion about the requirements of the Green Turtle Award and in particular if companies who are partially owned will be allowed to be awarded the Green Turtle Award. We would like to change it so that organizations that are considering being awarded the Green Turtle Award may not have members of Unami Lodge, One or the Order of the Arrow in an ownership capacity, although they may have employees who are members of the Lodge or OA.

Martin Stacy - I would like to make a motion to change the requirements stated in Appendix D Section 4 Clause A Number 4 for the Green Turtle Award. Seconded by: Star McMackin NOT PASSED

Inductions (Paul Simunuk)

Going forward we would like to add the Inductions Committee as a standing committee. Star McMackin will be the 2024 Inductions Chair and will serve as a resource and helper to the Ordeal and Brotherhood Committees. We are doing this as we are currently looking into changing the induction process by adding in what we call the “extended Elangomat program” where the Elangomats are responsible for the ordeal candidates from the time of their election to the time the Ordeal attains their Brotherhood. This is in hopes of increasing the number of Brotherhood members we have in our Lodge and encourage Ordeal members to come back to another event. After some discussion we will need to change the wording of numerous things regarding responsibilities and the role of each committee in the inductions process.

Paul Siminuk - I would like to make a motion to approve the changes to Article 4 Section 4 Clause A of the Rules and Procedures to add Inductions, and add 1 to all positions past that to be brought to the Spring Service 1 general members meeting. Seconded by: Martin Stacy PASSED

Anything for the good of the Lodge:

Matt Gutterman - if you ordered a LEC quarter zip they arrived; see me after the LEC meeting to pick it up. If you did not order a quarter zip and would like one see me after the LEC as we may have extras. We may also be placing another order if there is enough interest.

Aidan Sutkowski - We (the History Committee) are increasing the Tom the Toad donation amount to a total of $1000!

Rhys Wallace - you all were given an history of african americans hand out at the beginning of the LEC meeting, if you want more see me after the meeting. The history committee has also made a history of women in scouting trifold; let people know we need more historic pictures of women in scouting (preferably around and in our Council).

Zach Kline - first off vigil nominations close march 31st so get them in soon! Get them in before Easter as no one wants to spend their Easter Day filling out a nomination form. Second, registration for Conclave has opened! It is on June 7-9 and its theme this year is frightening fellowship, so if you like things that are creepy and scary please sign up!

Paul siminuk - The Induction Thrive Team going to be holding a town hall meeting regarding the inductions committee. Look in the slack channel for more information that will be coming out soon. This is so we can clear up more information and answer questions.

Laim Lynch - It was great getting to seeing everyone, gotta run duty calls.

Ian Brumm - service day on march 23rd on Mt. Moriah. I'm currently trying to find the second location for the community service day. I have emailed a few places and am waiting on a response from them all.

Robby Raggi - My chapter has been doing a bunch of elections lately and a bunch of the resources that were provided are redundant and the election process and needed materials are not very clear.

Lodge Staff Advisor Minute: John Bickel

Tonight's meeting was an arduous one, thank you everyone for deliberating and having a good discussion. It's good to discuss topics we don't understand. Secondly, for those who are looking for a summer job, council camps are looking for staff members at Resica and Musser. Everyone have a great night.

Lodge Adviser Minute: Craig Cless

-

Chief Minute: Terence “T.K.” Linday

There's a story of a scout back in 2018 at Resica during week 6 which was a particularly rainy week. The scout was doing his ordeal, and he had nothing but class A and scout shorts on. There was a guy who came up to the scout and asked “what's wrong?” Scout replied that he's cold and wet. The older guy gave his jacket off of his back to warm the cold scout. This story shows our Order perfectly, caring for others and bonding in Brotherhood. We will only prosper as long as we work together. All of the going behind each other's backs because you don't like them is hurting not just you, but everyone else too. We are here to grow and prosper, this is getting us ready for the real world, and from experience I can say life is real. Scouts is not a competition, it's a place to make friends and memories.
