Lodge Operations (Sophia Carroll)
Awards Nominations are OPEN! If you have seen a brother who has shown outstanding efforts in our lodge, their lives, supporting our camps, or their service please do not hesitate to nominate them for any of the awards that are listed on the lodge website under “Awards and Honors”.

Membership (David Zangwill)
If I get kicked off the zoom call I’ll jump back on. As of right now we have a total of 888 members; 387 youth, 82 young adults and 419 adults. 184 newly inducted Ordeals, 61 newly inducted Brotherhood members and 10 new Vigil members. Our numbers right now aren’t as high as they were last near so we have to push to get more members!

LLD (Matthew Rouleau)
I’m going to keep this short and sweet. The Lodge Leadership Development (LLD) training will be held on December 14th, registration is free and should be open around Fall Fellowship. LLD will be full of fun activities and informative training. We have lots of good stuff planned so come out and learn something new!

Camp Promotions (Amelia LeVay)
Hello brothers, I know everyone is very sad about summer camp being over but that does not mean the camp fun is also over. Coming up this fall are many activities at both Musser and Resica. On October 19th, 20th, 26th, 27th, and November 2nd, 3rd Cub Scout fall fest is going to be held at Musser. At Cub Scout Fall Fest, cubs will spend the day doing fun activities such as Pumpkin carving, Archery, fishing, orienteering, and much more! Also coming up on October 26th is Halloweekend at Resica Falls! Scouts and their families can participate in many fun activities such as pumpkin painting, Haunted hayride, haunted lodge, and best of all Nudge’s Haunted Kitchen! Sign up while you still can!

Unit Relations Committee (Martin Stacey)

Real quickly there is something (not so much of a big issue) that could be fixed. We have two committees: Unit Elections and Unit Representative Committees. Back before Lodgemaster existed the Unit Elections Committee did a lot of work to keep track of unit elections, but now that we have Lodgemaster the position doesn't require much work, and the Unit Representative Committee just keeps track of all of the Unit Reps. within the Lodge. The thing that could be fixed is combining these two committees that don't do much work and aren't that active into a Unit Relations Committee. I would like to know what you all think about this idea.

By doing this it might leave one side of the position left aside. For example - the Chair might choose to focus on unit elections and leave the unit reps. on the side burner, but this is also why we have multiple people on committees - to spread out the work and make sure everything gets done. When you combine these two committees together please just make sure the role is clearly outlined so that there is no confusion. We could also just put the role of the Unit Rep. Committee onto the Chapter Officers, but then the Chapters with no officers will just be left in the mud.

Memorabilia Show Report (Aidan Sutkowski)
I would like to make this clear this is not a proposal, this is to go over the past memorabilia show budget actuals. As for the numbers the total income was $2,488.00 and total expenses were $1,814.55 which means we had a total income of $673.45. We will use profited money for future events.

NOAC Budget Report (Will Beardsley)
We have the actuals from NOAC - I don't really feel the need to go line by line, but if you have any questions I'm more than happy to answer them. Highlighted in yellow is total costs from categories, red is added after the fact and green are two original lists and what we actually came out to. We came out to about $600 over budget, but that's not too big of a problem.

Now I know I am an adult now and can't make any motions, but I would like to just make a suggestion. As you see from the spreadsheet, with the state of what happened at the national level (going over budget by $2 million) we are expecting the cost of national events to increase. With that said I suggest putting away money for national events.

The NOAC Committee can cover sending the Lodge key 3 to NCOC and hosting the national officers at Fall Fellowship. We can move this money to fund national events, and only national events (nothing like SLC - a section hosted event).

Saved discussion until next LEC

Dues Change (David Zangwill/Jeffree Aster/Martin Stacey)
So we have 223 non-dues paying members that were inducted in 2023. We would like to suggest sending an email or mailing to these people to promote paying their 2024 dues, but make it a packaged deal with the 2024 at a decreased cost and 2025 dues. We want to make this push to at least make the same number of dues paying members as we did last year. There are no huge repercussions if we approve this, the most that could happen is losing a few dollars.

Motion: Martin Stacey - I would like to make a motion to instill the 2024-2025 reduced dues fee. Seconded by: Star McMackin PASSED

Anything for the good of the Lodge:

Luke smallberger - Throughout the past couple months the Brotherhood Committee has been hard at work planning many things. The Brotherhood Blitz is coming up on November 9th at Camp Hart. For those who don't know what the Bhood Blitz is - it's a day event where Bhood candidates come out, survive to camp, do the Brotherhood trail and complete their Brotherhood! The sign up link is live and flyers are in the work.

David Zangwill - Who remembers the New Member's Bash last year? We're reprising the event for 2024! If you want to go rock climbing with Unami Lodge, NMB 2024 will be at Gravity Vault Rock Gym! Tell a friend to tell a friend, everyone from general members to Adults to Vigils to Brotherhoods to Ordeals are MORE than welcome! See you all there!

Star Mcmackin - As you already know the Inductions Committee is looking for people who are willing to serve at EMATS for Fall Fellowship. If you are interested and have no other obligations during the weekend please reach out to me.

Leah Callahan - If you are interested and willing to help run any program at Fall Fellowship please reach out to me or Mara!

Noah Goldberg - If you are over 18 please register to vote!

Aidan Sutkowski - The History Committee officially has 3 books on the Amazon store!

Mr. Dallatore - There are just about 6 days left to schedule Unit Elections - so schedule them today!

Rhys Wallace - Does anyone have a large car that is going to Fall Fellowship and is willing to take some red bins up to Resica for me? If so please reach out to me, thank you!

Bob Deck -There is just over a week left to sign up for Fall Fellowship - so sign up today!

Mr. Lynch - The people up at Resica would like empty milk jugs as they want to line the road from the white house to the dining hall so if you drink milk please bring them to Fall Fellowship.

Sophai Carroll - Again awards are open to nominate them today!

Amelia LeVay - Fall Fest down at Musser is looking for staff! If you are interested please reach out to Angel Sims.

Leah Callahan - If anyone is interested in drumming for ceremonies come out and talk to me at Fall Fellowship!

Megan Luke- The Holloweekend Committee is hard at work planning an amazing Halloweekend up at Resica Falls on October 26th from 4-10pm with different activities everywhere! The promotional ad for the weekend is out on the Resica Instagram and Facebook. Sign up on the Rescia Website, buy tickets now! We are also looking for staff - so reach out to me if you're interested in staffing.

Lodge Staff Advisor Minute: John Bickel
I wanna say thank you for finding us tonight. This will be the space we'll be using to meet moving forward. Please use the designated parking lots to park and enter. Big thank you to Matt Gutterman and Jeffree Aster for working out the zoom. As we grow and shrink we can bring in extra chairs. If there are any questions regarding the new office space please just ask me. Happy to see it worked out pretty well. Lots of exciting programs to staff and attend so take advantage of that! The last thing is a big congrats to our new Vigil Honor folk and Summer Camp Staff award recipients.

Lodge Adviser Minute: Craig Cless
(Not Present)

Chief Minute: Terence “T.K.” Linday
First off If I missed you - welcome back. I don’t like spending time away from you guys. Two weeks ago I did a lot of self reflecting. Trials and tribulations come to mind and how you can only go as far as you see. If you set small short term goals then you’ll end up short, but if you set long term goals that shoot far you’ll go farther than you ever thought. It is also time to push for those numbers because remember - We are number 1. To the youth of tomorrow it's your show now. New Lodge Chief who is under 18 and a new Lodge Advisor. As my term is coming to an end and I am nearing my 21st birthday I thank you for a good LEC and I apologize for not being able to show up to this LEC meeting. Love you all and I hope to see you at Fall Fellowship.
