    - The service committee would like to report that it has held 2 service events over the past month. The event on the 1st was a collaboration with the lodge, as well as the MUSSER work day. This event had a strong showing, allowing a bunch of work to be done to the camp. Given the turnout and productivity, the committee would like to explore a similar venture down the line.
      The other event was the Community Service Day held at both Mt.Moriah and Penny Pack Park on the 22nd. We had a decent showing at Mt.Moriah, allowing a fair bit of work to be done; however, we are looking for ways to improve attendance at this event, Penny Pack Park in particular.
      In addition, an email will be sent out soon with service project details for the upcoming SS1. The main goal of this is to inform people with specific skills or tools of what to expect in hopes of getting more experts assigned to a correlating task, thus speeding up productivity and increasing efficiency.

Business

Lafayette Chapter Patch (John Yatsko)

Lafayette has taken back to the chapter what was discussed at the last LEC and we've made the respective changes. We also have sent the design and pricing in to the treasurer and advisor. We will be seeking to get approval to use the following: Use of Unami Lodge, One, The use of the Unami turtle, and the use of the WWW.

The patches cost $2.31 and we plan to purchase 250 because of the size of our chapter and the fact that we would like to have them for multiple years. At $2.31 for 250 plus to $17 shipping fee this will cost us $594.5 for the entire order. We will be selling these for $5 each which will give the lodge a profit of $655.5.

Motion: John Yatsko - I would like to make a motion to approve the design; using the Unami Lodge, One, Turtle, and WWW Seconded by: Marina Darcas PASSED

Troop 542-BT OA Re-Election (Unit Elections)

Troop 542-BT is a larger troop in the Baden Powell District. At their recent OA election there was an issue with the math with the required number of votes for the election. The election team eventually resolved the issue but It did not satisfy the troop. Therefore the troop has requested a re-election, which means that it has to be voted on by LEC. The math was correct but the troop still had a problem with the election.

How this would work is that the people originally elected in will not have to be voted on again. This means that the 3 out of 13 youth that were elected in will not have to be voted on again. This re-election will just be for the other 10 youth.

Motion: Marina Darcas - I would like to make a motion to approve the re-election for Troop 542 BT Seconded by: Cullen Dougherty: PASSED

Unami Zip Up Jacket (Star McMackin)

We are looking to put out a lightweight hoodie at Spring Service One. This will be a full zip sweatshirt (4.4 oz). The plan is to order 50 of them because they will be themed based on the year's events theme of Around the World. The sweatshirt costs $23.98 each. The design will be screen printed on and we will order as a rush order for $25 so we can have these at Spring Service One. For the sizes we will be ordering 10 mediums, 15 Larges, 15 XL, and 10 2XL. The total cost will be $1,224 and we will be selling them for $44 each.

Motion: Star McMackin - I would like to make a motion to approve the use of this turtle and purchase of these hoodies Seconded by: John Yatsko: PASSED

Anything for the good of the Lodge:

Conclave - (Skye Kramer) - We now have 2 open spots for Conclave 2025! Please put yourself/tell a friend to get on the waitlist and we will expedite the registration process. Those of you already registered: second payments are PAST DUE and save the date email for a virtual informational session on Sunday, April 27th! Please consider purchasing one of our fundraiser items to help us keep our prices down. Our fundraiser items include a patch set ($20) and a dri-fit long sleeve ($30) which you can purchase at weekends and on our online trading post! As always if you have any questions please reach out to the Conclave Committee at conclave@unamilodge.org

Unit Elections - (Marina Darcas) - You all will soon be getting an email from me about unit elections. Chapter officers will also be getting that email. Some chapters don't have enough youth to go out and do all the elections. Those of you who were at the unit elections training, you should be working towards getting the patch by helping your chapter officers with elections. I will be talking about the rules with abstaining and voting for people. We need to make sure when you go to troops you are making sure they know it's not a popularity contest, mention how abstaining works, and say that they can choose more than one person. You all will get that email before Spring Service One, please ask me if you have any questions.

Matt Gutterman - For all the committees that meet the week before LEC's remember that there are other dates and times throughout the month when you can meet.

Steve Mach - We are taking headshots in the other room if anyone wants any after the meeting.

Gregg Slocum - Trading post update: The Jeff Aster flaps, we have those. New vigil ovals, last years oval, and jamboree patches, we have all of those. Those will also be available at Spring Service One.

Andrew Smallberger - The Baden Powell first aid event is back. The chapter is incharge of running it and we are looking for interested volunteers to help staff. This will take place on November 15th, in the morning. Volunteers will help judge patrols and help with various other tasks. We have big troops and we need the help we can get. Please if you are interested reach out to me or to the Baden Powell chapter officers.

Luke Smallberger - The membership committee wants to remind everyone that they should pay their dues if they have not already. And if you know someone in the order who has not paid their dues, please remind them to. We'd also like to announce to everyone that dues Cards this year are being mailed in batches quarterly. Our total membership last year was 1002 brothers. Of those, 445 were Youth, 88 were Young Adults, and 469 were Adults. To date in 2025 we have 600 brothers, 189 of whom are youth, 71 are Young Adults, and 340 are Adults. We are currently down 198 Ordeals, 186 Brotherhood, and 22 Vigils compared to last year. Reminding people to pay their dues and do their inductions will help these numbers greatly.

Lodge Staff Advisor Minute: John Bickel

I was at a camp conference and a very valuable idea about conflict resolution and conflict avoidance came up. It hit hard with me and stuck there - Everyone has their own individual values, regardless of their role or position, we all have value. Situations might have tension, but you need to know how to resolve that. Remember that everyone has value and together we can work to resolve problems and conflict. There is always a way towards a resolution, to find answers it can be challenging.

Camp wise, I am excited for the service opportunities at Musser and Resica this spring and summer. The help means a lot to the camps and I want to thank you for that. Once again if you have any friends or know someone who has specific trades skills like plumbing or roofing, please invite them to camp. We are looking for people with skills to help with some of our bigger projects. It will be much appreciated.

Lodge Adviser Minute: Todge Sutkowski

A few things I want to go over, I'll start with business then inspirational. Rubber meets the road in program so get ready. We have big things coming up and to put it into perspective, last year at Spring Service One we had 37% of our inductions there, which is huge numbers. Be prepared when we walk into camp because 41 days later we will be walking right into Resica. As you can see there is not a lot of time, and 43 days after Spring Service One, already 50% of our inductions are complete. Make sure you are reaching out to committees and meeting with your own committee. There will be a new process at camp with records at camp, make sure you are reaching out to the new members and welcoming them. Change your focus to key things, I have a challenge for all LEC members: make a new connection with a new member, congratulate them, get to know them, tell them about yourself.

Now for some motivation. Who went to NOAC in Tennessee? Who knows the name of the basketball arena we were in? It's named after an NCAA national champion coach, her name was Pat Summit. This tags onto Mr Bickles minute about conflict resolution. “Teamwork is a lot like being part of a family. It comes with obligations, entanglements, headaches, and quarrels. But the rewards are worth the cost.” Remembering a professional team, Abby Wambach left it simple, “I’ve never scored a goal in my life without getting a pass from someone else.” Thank you

Chief Minute: Martin Stacey

Tonight I would like to discuss the topic of our relationship with our advisers. As Unami Lodge, One we pledge to be a youth ran organization, and we excel in doing so. That said, our advisers are here to help us throughout our endeavors in the lodge to offer aid wherever needed, and to make sure what we are doing is 1. and most importantly, safe, and 2. realistic. Although conversations with only youth are more than welcome in the Order, some factors may slip through our minds that some advisers may pick up on. The advisers are here to help you, not to downplay on your ideas.
