Business

Northern Chapter Patch (Cullen Dougherty)

See Attachment

Northern Chapter has decided to put together a chapter patch. We are still in the planning phase so we are looking for suggestions with hope to come back to a future LEC to approve the patch.

Feedback: Add a red point to the top of the compass rose, turn it into a northern star and have the background a night sky, be careful not to infringe on Constellation with the stars.

Motion: Cullen Dougherty - I would like to make a motion to approve the use of the turtle and to approve a revised patch at the next LEC. Seconded by Marina Darcas: PASSED

Vigil Weekend Budget (Zach Kline)

See Attachment

The vigil weekend will be hosted at Treasure Island. We are budgeting for 72 members to be in attendance, including 60 members and 12 candidates. The vigil candidates will not be charged for the weekend, and it will cost members $35.00 to attend the weekend. The total income for the weekend comes out to $2,704.00 with $604.00 coming from the Vigil Honor account.

For the program we plan to donate $500.00 to Treasure Island and spend $250 on supplies. To feed all in attendance Saturday through Sunday it will cost $1,668.00. The sashes are priced at $20 per sash so for 13 vigil candidates we will spend $286.00. Our expenses come out to $2,704.00 which evens out the budget to zero.

Motion: Zach Kline - I would like to make a motion to approve the vigil honor weekend budget.
Seconded by: Aidan Sutkowski PASSED

Unami Lodge Properties (Luke Smallberger)

So today we will be presenting three properties that me and the officers have been working on. Best case scenario is we approved all three properties tonight or we will just end up approving them later.

Starting with the hat design. **See Attachment**

The hat will have the design embroidered onto it. We plan to buy 150 hats at $11.21 each. We will sell them in the trading post for $20-$25. The back of the hat is a velcro strap. If we don't like this color option we are able to go with a two hat color option. So we could get a green hat and a maroon hat, grey and green, or grey and maroon. If we wanted to buy all three colors it would be $15.93 each and we would sell them for $25.

TABLED

Next is our hoodie design. *See Attachment*

On the back we have the Philly Skyline with Unami Lodge under it. Using the other shirt purchases we have done this is what we would buy size wise: 10 Small, 30 Medium, 30 Large, 30 XL, 5 2XL, 5 3XL. We can buy the hoodies for $27.47 and sell them for $40-$45 each.

Feedback: Maybe cut the skyline off of the front, take the bottom three lines off of the back, put the WWW on the middle of the turtle.

TABLED

Finally our T-Shirt Design. *See Attachment*

So the Phillies are pretty hot right now so we wanted a shirt styled after the jerseys. We would get the same shirt numbers as the sweatshirt. We can buy these for $12.64 per shirt.

Feedback: Take Unami off of the front, take the OA logo off and put the turtle there, put WWW on the sleeve (Shoulder), remove the bottom two lines, capitalize Unami, and make the turtle red to match the back.

TABLED

Motion: Luke Smallberger - I would like to make a motion to have these three properties moved to an email vote during the summer . Seconded by Cullen Dougherty: PASSED

OAHA Scholarship Recipients (Todge Sutkowski) - So we get to present some scholarships to scouts for their OA High Adventure. So I'd like to present this to Nathan Schooler, Amelia LeVay, and Douglas LeBlanc.

Marina Darcas - After great adventures or searching I have rediscovered my patches. When I call your name please stand up. These brothers have met the requirements for the unit elections patch. If you went to the unit elections training and complete a certain amount of elections then you get the patch.

The Nanticoke Lenape Nation out of New Jersey, are having a pow wow and it is timed up to also be during the oldest rodeo in the US in that town, Millville NJ. It is open to the community and starts at noon. If you need any more information please reach out to me.

Leah Callahan - Sign up for Summer Inductions its been open since January. Please fill out the post weekend survey from Spring Service Two. Sign up for Fall Fellowship as well.

Lodge Adviser Minute: Todge Sutkowski

We are breaking for summer and will not be back until August. There will be a lot of people doing things, OAHA staff and camp staff. Have fun with friends and fellow lodge members, no matter where you are working you are making an impact. OAHA you are making a trail that 10 years from now after college and when you are in your professional career, scouts will use and walk that trail. For merit badge counselors, let's use lifesaving for an example, those scouts will be able to save someone's life, they will gain the little things, and those make huge impacts. When I left you that message, Seize the moment, it's the little things that have the greatest impact with others. I'm going to leave you all with a quote: A life is not important except in the impact it has on other lives - Jackie Robinson.

Chief Minute: Martin Stacey

We made it through the first half of the lodge year. Who is working as camp staff this summer? That's a lot of us, I am blessed to work with you. This coming summer take every opportunity. I can't wait to see you in Puerto Rico, thank you for coming out tonight, thank you.
