    - No Report Submitted

Reports

Ordeal (Andrew Smallberger) - Hi guys my name is Andrew, I'm the Ordeal Chair this year. Sorry for not being here but I am happy to now be here and I'm happy to hear that unlike the Phillies you guys knocked out service. We are all thankful for the work you did. Your new members packet, look at them when you get home and put that purple flap onto your uniform. Please come out for another weekend. Ordeals all have cool stories and I want you all to be able to have your own. Come back it's completely different, you get to eat normal food and talk while doing your service projects. If you completed your ordeal this weekend please stand to be recognized!

Brotherhood (Alex Rossi) - We had 51 brotherhoods seal their bond this weekend, those who completed their brotherhood please stand to be recognized. We were able to walk the trail after you all cleared it. If you liked it here this weekend I'd like you to consider joining the Brotherhood Committee, we are looking to add more youth to the committee.

Membership (David Zangwill) - Everyone, check your new members packet, if there are any problems with it please see me after and I'll change it. Who's paid their dues? Anyone not a new ordeal should have their hand raised. Dues are changing next year, we are moving to Lodgemaster to pay dues and here is how to do it. Open Lodgemaster and login, now click on membership dues, you can see that I have paid my dues for 2025 and I have my membership card. There is a button that says Pay My Dues. You can also get the OA app and pay your dues through there. On the app you can also get information on chapter, lodge, section, region, and national news. Get the app, it will make your life a lot easier.

Inductions (Andrew Smallberger) - Inductions manages the elangomats. If you were an Emat this weekend this past weekend please stand and be recognized. RFor those who don't know, elangomat means Friend or Guide. They led you through your ordeal and answered any questions you had.

Events (Leah Callahan) - This weekend our event went amazing! Cheer if you had fun. We had 329 scouts registered and only 289 checked in, those are insane numbers! Thank you to everyone who checked in. There will be a post weekend email that will be sent out in the next week. Please fill out the attached survey, this survey helps us make our events even better. Also there is an interest form to join the Events Committee. Thanks to everyone who helped with the program and Cullens park for the popcorn and snowcone machine. I want to thank Beanie Bounce, they are the bounce house company that let us use the bounce house this weekend. The next event will be the Lodge Dinner at the Alloy, there will be more information on the Unami website. We will have Italian food! The first weekend back will be Spring Service One here at Musser Scout Reservation, I expect to see you all there!

AIA (Cullen Dougherty) - Who here heard us sing or drum last night? I guess I get hands raised and not cheers, we must not have been good. Thank you to those people who sang and helped us with the drum set up, can those people please stand up to be recognized. Thank you all very much, your impact helps to shape our induction experience. If you worked on the ground crew please stand up to be recognized, these dedicated people helped put together the grounds, if interested in joining the committee please find me after this meeting. Thank you.

Ceremonies (Matt Rouleau) - Please stand up if you were a ceremonialist this weekend. These people put in so much work for the weekend. Shout out to Martin Stacey for doing 4 ceremonies and wearing the bear with grace even though it was a struggle.

Service (Ian Brumm) - There was a lot of service done this weekend. You guys did great, there were a lot of projects completed and you all made it possible. Thank you to the ordeal who got a massive amount of work done. There was plenty of service given back to camp.

Cullen Dougherty - On behalf of everyone under this roof, I want to thank the three guests we had this weekend. If those guests could stand up and come to the front please. It was a pleasure to have you all.

Our guests this weekend were Victor Padilla the Section E17 Chief, Dan Seibel the Section E17

Secretary, and Joe Pessolano the Lenape Vice-Chief of Program. Please give them a big round of applause.

Sophia Carroll - I have a paper with a QR code and they are around camp. If any arrowmen is worthy of an award, scan the QR code and nominate them for awards. The information is also on the lodge website. Nominations close October 31st.

Martin Stacey - So many people came out and there is one thing that we all need, and that is food. The kitchen crew works tirelessly and they get zero breaks. Let's get them out here and give them a huge round of applause for feeding us this weekend.

David Zangwill - I have a paper here from the new members packet. It is the flyer for our New Members bash. The event is $5 for rock climbing at the Gravity Vault in Radnor on November 23rd from 1:00p.m. to 3:00p.m. If you are a new member please go to this event!

Thank you to our lodge officers for the year 2025, yall are amazing!

Steve Mach - Campstaff applications are now open and several of you have already applied over the course of this weekend. You must be 15 years of age to work on campstaff.

At the end of this month Resica is having its yearly Halloweekend. Help would be appreciated, if you are interested come find me in the kitchen after this meeting.

Staff Adviser Minute: John Bickle

Thank you everyone on behalf of the camp for the work and fellowship this weekend. Hats off to everyone for the great work - I know some projects might have been boring or annoying, but thank you for your help because it really has a great impact on camp. It's great to see the lodge come out and help improve camp!

I loved seeing the enthusiasm especially with the election and your role in the process. I am excited for and to work with the new lodge officers.

One note to piggy-back on what Steve Mach said - Join camp staff!! It is the best way to enjoy the summer and to continue your scouting experience. In addition to Summer Camp, we are looking for staff for Fall Fest at Musser and Halloweekend at Resica Falls this Fall, so please consider helping out this year.

Thank you to the 2025 officers, it's been great working with you all. Thanks to Martin the chief and the rest of the team around him, hats off to the officers and great weekend to all.

Lodge Adviser Minute: Todge Sutkowski

Thank you to the officer team of 2025. This year has been fabulous so thank you all. There has been a lot of change in my life and a lot of change in our organization. Three months ago I met a friend through this organization. I met them in July at Philmont and a week later I met them at Conclave. My friend Victor who I did not know, I now know. This organization gives friendships and something big can happen in your life because of the Order of the Arrow.

Everyone who wears this sash has done the same thing you have done. We all share the bond if you are 14 years old or 80 years old.

28% of people come back to lodge events following their induction. Everyone who wears this sash has done the same thing you have done. We all share the bond if you are 14 years old or 80 years old. Anyone who is here right now did the same as you did on Friday night. Please come back to another weekend, I want to see you all come back. There are so many great opportunities for you all. Please come back, we opened our hearts to you, so please open yours up to us.

Chief Minute: Martin Stacey

The last one, it has been a fantastic year as your lodge chef. To my good friend Matty Rou, we may have exchanged more fists than words, I'm excited for you. Thanks to my officers this year, each of you have grown in your own way. I want to thank Paul, Paul has always been there for me since day one. I really want to thank you. To the new officers I will still be here as many of you know I am now in the section, but I am still here of course, you guys are going to do fantastic. Thank you all for a great year.

Closing and Song

Voting during the LEC

Quorum:
To make a motion- 60% of voting members must be present (20 of 33)
To pass a motion- 50% + 1 of present voting members must vote yay (18 for a full LEC)
