Conclave Rebate:

56 people attended the conclave (according to LM).

Full Rebate from the section was $7974.91

$824 was paid out to a family who could not attend

This leaves a pool of $7150.91 to be distributed as seen fit

The original proposed $40 rebate was shot down (slightly higher cash payback)

- Refund of $100 per person, with the lodge receiving $1550.64.

The payment would be through a credit card transaction to the person who paid for the conclave, not a check for the attendee.
