**<u>Committee Reports:</u>**

- AIA (Matt Horan)
    - Nothing to report. Austin and I read the updated ceremonial guide and we're just gonna keep doing our thing as far as I'm concerned. I plan on making t-shirts for our drum corps and making that more "official" at weekends.
- Brotherhood (Brendan Bolte)
    - Nothing to report, except that I have been working with Patrick and Mr. Lewis closely for a smooth transition.
- Camp Promotions (Pat White)
    - Over the past month we have been very productive, we have worked on training with unit elections, to promote camp. During the training we showed videos about our council camps and other useful materials to provide to troops. Within the coming weeks there will be a camp promotion script in slack. If anyone needs a camp promotion please seek the committee for guidance.
- Ceremonies (Austin Groeber)
    - Nothing to report.
- Communications (Matt Luke)
    - We got all of the materials for the video conferencing set up for the LEC meeting room.
- **Conclave (Sean Plunkett)**
    - Sign up for Conclave 2020, theme is Backcountry Brotherhood, reach out to Larry/Sean/Fred

- Events (Michaela Donnely)
    - This month the Events committee had an in person meeting on February 12th where we discussed the budget, patch design and some program details for SS1. One program detail we want to mention is the creation of the Chapter Cup for this year's weekends to run with the general theme of competition. It will work similarly to the conclave cup. The conclave cup goes between Lodges year to year; our chapter cup will be given to a chapter each weekend that earns the highest points based on teamwork and tasks completed. It will switch from chapter to chapter each weekend. So tell your chapters to bring some pride and drive and the Lodge weekends this year!
- History (Rhys Wallace)
    - I've begun cleaning up Lodge chief photos with photoshop; we are growing on social media; Kyle and Mike attended the pilgrimage, specifically the scouting museum in the chapel; Kyle Rothbell is now my vice chief and will take over when I age out;  Have some things in the works for Hart's 90th; Email history@unamiLodge.org if you have items to scan, donate, or want to join and help you.
- LLD (Luke Clancy & Andrew Geer)
    - Feb. 8 was the Chapter training, had eight chapters represented, 20 people in attendance, lots of discussion that happened, many great presentations (Todge Sutkowski, Brandan Flannegan, Melissa Sirken, Andrew Geer, Luke Clancy), Chapter breakout, minutes have been sent out.
- Lodge Operations (Terrence Lindsay)
    - Nothing to Report
- **Membership (Anthony Glass)**
    - 848 people who have paid dues and are registered in LM, number is growing; make sure to pay dues, encourage others to pay their dues; participation award is coming up
- **NOAC (Anthony Glass)**
    - 43 people registered so far; budget goal has been reached, however there are still slots available, so you can still register; putting finishing touches on fundraiser patch; started delegate/trader patch; really excited; delegation meeting at SS1,
- Ordeal (PJ Weidman)
    - Please have your unit reps pass on the packing instructions that are found at unamiLodge.org. It has all the needed information that is needed to help the candidates create a horseshoe pack for their ordeal and rest of the weekend.
- Service (Arron Liebel)
    - Getting ready for CSD and SS1 have a 3rd location for CSD at Lorimer park.
- **Unit Elections (Brendan Flannigan)**

**Chapter Reports:**

- Baden Powell (Jason Abiuso) [Y:11A:1]
    - AOL Crossover scheduled. Chapter events are being planned BP patches are being sold.
- Conestoga (Tyler Boyle) [Y:3A:2]
    - As we just had only one meeting for 2020 (January was Elections for Conestoga Officers), for February Meeting we had 3 Youth, and 2 adults. We have two elections scheduled, Troop 111 and Troop 2.
- Constellation (Luke Lo Sasso) [Y:7A:3]
    - At the chapter meeting we had seven youth and three adults. We had one unit election with one youth elected over the month and one this coming Thursday. We talked about things at the Chapter meeting.
- Continental (Matt Reitebaugh) [Y:5A:2]
    - During our Chapter meeting we were able to finalize a bowling trip. We are planning to go sometime in March, but we haven't finalized the date. We talked about NOAC and the weekend prices as well as themes. We talked about upcoming elections and finalized the troop 99 and 129 date for elections. We have done elections for troop 367, 79B, and 79G where we had 4 youth and 1 adult elected into the brotherhood. Our chapter is running well and the officers are doing their jobs appropriately and effectively. Continental Chapter has finalized a chapter patch and are hoping to start selling them as soon as possible. Everything is well within Continental Chapter and the chapter is hoping to start on some more chapter events.
- General Nash (Zachary Kline) [Y:11A:2]
    - General Nash went over how to do unit visitations and continued planning for our callout in March. We also talked about camping trips and other opportunities available to everyone.
- Lafayette (Kyle Rothbell) [Y:9A:5]
    - We started off by announcing our Klondike 2020 winners and presented the trophies to a representative from each troop/pack. After that Anthony Glass gave a great talk about NOAC, and we heard from Larry neibauer and Tim English about conclave as well. We then talked about our spring camporee and what we want to do and for some ideas.
- Minquas (Will Beardsley) [Y:5A:2]
    - At the February meeting of the Minquas Chapter, we had five youth and two adults. We promoted NOAC and made plans for our upcoming Unit Elections, of which we've had at least three.
- Northern (Malachi Solomon) [Y:4A:2]

    - We discussed future elections and who is going to each event
- Roosevelt (Tristan Hunter) [Y6:A:6]
    - Discussed methods of attracting general members to our meetings.
    - Began gathering volunteers for our unit election team.
    - Arranged dates for visitation with 2 troops in March: Troop 174 and Troop 372. Pending dates for 4 other units.
- Triune [Y:A:]
    - NO REPORT
- Washington (Pat White) [Y:A:]
    - During our monthly February meeting, we reviewed our recent unit elections and went over how we can improve them in the future. We discussed the upcoming Spring Service at Musser and how we can get more people to come out, and do their ordeal or seal their bonds. We also talked about doing a gym night with the district, and having a dodgeball tournament to get more people involved in the chapter.

**Business**

- Spring Service Budget and Patch
    - (Budget) Motion: Approve the SS1 Budget
        - Brotherhood and Ordeal have historically been shown line by line in proposals, are not shown in this budget b/c numbers are known quantities
            - Weekend is self-funding, when accounting for end-of-the year expenses and profits from Properties
        - At Musser, there will likely be more people than at Resica weekends.
            - 278 people registered for the 2019 SS1 at Musser Scout Reservation
        - Ordeal and Brotherhood costs have been added, the budget is balanced
    - (Patch) Motion: Approve the Patch with the addition of “Unami Lodge” and “2020” somewhere on the patch
        - Patch is missing: “Unami Lodge,” year, and WWW
            - Added to the water on the patch?
            - Might want to be added in around the black border; could result in the loss of detail when the patch is made (small patch with lots of details is hard to do)
        - Patch set for the year is not going to have a linking design, so as to give the committee more freedom with design
- Community Service Day
    - Motion: Change the silver outline and the “1” to purple, and change the year to 2020
- Participation Award
    - Working on concept for the past couple months to re-engage members
    - Four categories: Lodge Events, Training, Chapters, Engagement
    - Ideas for improvement:

        - Too many requirements for people to do; people who go to all three service weekends should be in; tiers as opposed to so many requirements; point system
        - A lot to ask for in Engagement category, but the other ones make sense
        - Participate in a Lodge Committee should be part of Engagement; 5/11 in Engagement as opposed to 7/11, 2/# in other categories
        - Change “Cradle of Liberty Summer Camp with your unit” to “Summer Camp” OR “Cradle of Liberty Summer Camp” (so that those who go to Resica with Provo. are eligible as well)
        - “Attend a “Vigil Honor Induction” requirement is dependent on the induction taking place at SS2
        - Some of the things that need to be completed have sign-up caps
        - Whole purpose of the program is to push for youth election, activation, and continued involvement; have two sets of criteria: youth and adult. Youth is easier and to award the youth, where the adult criteria serves to provide further challenges and ask more of adults to be rewarded.
            - Trying to reward and incentivize youth, not try to be a new award to put on the uniform
- Constellation Flag (tabled to next LEC)

**Chapter Breakout**

- What can the Lodge provide to Chapters to improve Chapters?
    - A flag
    - More representation from the Lodge
    - Penmanship lessons for the Lodge Chief (:( )
    - Unit Election materials
    - Videos/projectors/etc.
    - Chapter meeting format (agendas, etc.)
    - A callout for Chapters
- What are ways to get more youth to meetings?
    - Fun activities
    - Youth contacting youth
- How do we better reach out to Units?
    - Make sure every unit has a unit representative
    - e-blast for unit representatives
    - More formal way to communicate with Unit leaders
    - More face to face communication
- How can we make Chapter Meetings more fun?
    - Talk for 10-15 minutes, but make the majority of the meeting fun (activities, etc.)
    - Have different troops host the chapter meetings
- How can we improve the Unit Rep program?
    - Having an OA meeting at the end of elections

- Encourage existing Unit Reps. to actually do something
- Free “swag” for the troop reps that come to chapter meetings
- Include Unit Reps in participation award requirements
- Have a Chapter section in the bimonthly District newsletter

**Anything for the good of the Lodge:**

- Will Beardsley’s Eagle court of honor is on April fifth, the LEC is invited
- Sign up for Conclave 2020, theme is Backcountry Brotherhood, reach out to Larry/Sean/Fred
- Rhys will be scanning things for History at Lodge Weekends, so if people have things, bring them to weekends for him
- Nametags are in the works
- Vigil Nominations are due by 2/29/20; Vigil Selection Meeting is on 3/14/20 at the Council Office, starting at 9:00 am
- If anyone would like to join the LLD committee, let Luke Clancy or Andrew Geer know
- New Program at Resica: Trail Crew (led by Skip and Rebel), taking place during week seven; promotional materials are currently being finalized; VERY reduced cost
- Anyone that is interested in Grounds Crew or Ceremonies, let Austin know
- OA National Strategic performance committee, met this past weekend; last year the OA experiences lost 8.35% of members (some 9500 (6000 youth, 3500 adult)), less decrease than was expected; nationally the OA is missing about 11,000 inductions every year; total national membership is now below 100,000 members; BSA losses don’t really account for loss of Mormons; Councils and Lodges will likely start merging in the near future, however this is not something that healthy Lodges should worry about; continue to put an emphasis on membership growth and activation; Unami is doing better than many Lodges nationwide, only 13 reached High Performing; keep up the good work and good discussions; what the Lodge does is valuable
- May Ninth is the adult night for Adults, hoping to fundraise $1,500
- Congratulations to Michaela and Luke at the Council Business meeting
- Congratulations to Matthew Gutterman for his Silver Beaver
- Pat White’s Eagle Court of Honor is taking place on March 14

**Staff Adviser Minute:** John Bickel

- Commend the Chapter Breakout, the ensuing discourse seemed very productive
- Really proud of a lot of people in this room, again shoutout to Luke and Michaela for representing the Lodge and VOA so well, as well as Matthew Gutterman for his Silver Beaver, so much is happening behind the scenes, and John and the Council are thankful and proud of everyone
- Good job looking at issues through different lenses

**Lodge Adviser Minute:** Dennis Abernethy

- Council Annual Dinner; Lodge has purchased a youth and adult table, youth are free, adults are $45

- Chapters got together tonight, good discussions and cool ideas for activities; reminder that Chapters have money that they should use, but also be aware that people can give things for free
- By the end of the week, please submit any remaining vigil nominations, nominations are on the website (link later)
- Inside everyone of us, there's an animal waiting to get out, keep that animal in a cage, the pen can be mightier than the sword and do more damage that we thought.

**Chief Minute:** Luke Cihak

- Thanks for coming, really important that we are making our voices heard
- A bit behind with membership, so push dues with friends and peers, etc
- The NOAC goal has been reached, which is awesome, spots are still open
- Hope the hiccups with the budget have shown lessons
- The participation award sounds awesome, needs some tweaking but it seems cool
- Chapter breakout was awesome, blue chip item
- Vigil nominations
- Send reports to Luke Cihak or Riley Metzler
- Get home safe
