Business

- **Rules and Procedures Changes:**
    - Motion: Approve the National Readability changes, the addition of Chapter borders as Appendix F, and the cleanup of the Election Time Frame section.
    - Motion: Approve the addition of the Finance changes to Article VII Section II Clause B of the Rules and Procedures.
        - Important to note that this is a national change, so we need to implement it, an LEC vote is simply necessary to alter the Rules and Procedures.
- **Events Weekend Recap:**
    - 161 people checked in at the weekend, 28 were Ordeals, 34 were Brotherhood
    - About $2000 worth of food was wasted. Only 161 of the over 200 people who registered actually showed up.
    - Loss of about $1000 for the weekend overall
        - Partially due to food, as well as some money lost on Brotherhood members without making money back on Ordeals
    - Could likely turn a positive if we can increase the number of Ordeals at SS2 and FF
    - Of the some $7000 spent on food, about $2000 of that will be transferred to Council, Resica, and SS2

    - It's important to note that not all Turtle Passes show up to weekends, and that should be considered in the food budgeting
    - Field receipts are not issued for at the door payments, but if payments are completed using a card the payer is issued a square receipt
    - $2237 worth of sales completed at trading post, around $400 of patch auction proceeds, and about $500 donated for the Grounds Restoration Project
- **Conclave Budget:**
    - Motion: Approve the Conclave 2021 Budget with the net profit from sold t-shirts going towards future Section events.
        - Price of t-shirt comes from the $13 "Unami Charge," which factors into the $13 t-shirt and screen printing price. About 10 shirts will be left over, to be sold at $20 each ($70 profit)

Anything for the good of the Lodge:

- This weekend is Unami University! There's going to be some chill and wonderful fellowship, some fun training-type things, and access to the awesome sweatshirts!
- Don't forget to sign up for Conclave. We can beat the host lodge!
- The patches from the Ceremonial Grounds project are being shipped out soon, if anyone has any questions reach out to Austin
- If you haven't yet, go sign up for SS2. It's going to at Resica, and it will be mystery themed
- Not here to talk about the Cedar Log (but go listen to the Cedar Log) but please fill out the form here for the committee
- Everyone is invited to the VOA picnic at the council office on June 1st. It'll be a fun BBQ
- NOAC 2022 is happening at University of Tennessee, and the Chair is Jason Abuiso, with Advisors Todge, Anthony Glass, and Alicia Tryon

Staff Adviser Minute: John Bickel

- Thank you to everyone who came out to Musser for SS1 and for other service opportunities
- Council is looking forward to the service that will be done at SS2
