Addition of Account Numbers

Rules Under Review:

Appendix E: Lodge Financial Accounts

The Scouting Historical Legacy Fund ~~(1-2371-XXX-XX)~~ (1-2371-987-00)

Vigil Honor ~~(1-2371-XXX-XX)~~ (1-2371-988-00)

Reasoning For Change:

With the accounts now officially created, the placeholders should be removed and the actual account numbers put into the headers as is done with the other accounts in the appendix.

Readability Changes

Rules Under Review:
Appendix B: LEC Position Descriptions
Responsibilities

Lodge Chief
● Serves as the elected youth leader of the lodge and chair of the LEC.
○ Shall appoint all operating committee chairs, in consultation with the lodge adviser, to the LEC.
○ Shall conduct an annual review of the lodge's strategic plan.
○ Shall create ad hoc committees as needed.
○ Serves as a standing member of every committee within the lodge.
● Shall be the primary representative of the lodge at all Order of the Arrow and Scouting events.
● Shall be the lodge delegate at the quarterly section Council of Chiefs meetings.
● Serves as a member of the council executive board at the board's invitation.
● Shall set meeting agendas for all LEC and officer meetings.
~~● Shall conduct other duties as assigned by the lodge chief.~~

Reasoning For Change:
The lodge chief description does not need to include doing duties as assigned by themselves.

Chapter Responsibilities

Rule Under Review:
Appendix B: Position Descriptions

Chapter Secretary
- Record the minutes and the attendance for the chapter meeting.
- Sends the chapter minutes to the chapter chief and adviser so it can be reviewed.
- Shall maintain the chapter social media, if any.
- In charge of making sure members in the chapter pay their lodge dues.
- Shall send an attendance report of unit representatives to the unit leaders

Reasoning For Change:
The unit representative committee would like to suggest to leaders in the council that the OA Unit Rep position only be counted as a leadership position for rank if the individual performs their duties by participating in the chapter meetings. This would provide a method by which the unit leaders can evaluate whether they wish to count the time served in the position or not. It provides a responsibility for the secretary, but would revert to the chief or vice chief if there is no secretary.

Lodge Officer Speeches Changes

Rules Under Review:
Appendix C: Voting Process for Officers
Section 2: Voting Process

Clause A: The elections for lodge office shall be held at the Fall Fellowship weekend.
Clause B: Nominees running for a lodge officer position who are not present at the time of the election process are not eligible to submit a recorded speech unless there are extenuating circumstances.

Sub-section 1: A determination on if a situation meets the criteria of extenuating circumstances shall be made by the lodge operations chairman in consultation with the lodge chief, lodge adviser, lodge staff adviser, and lodge operations adviser.
Sub-section 2: If the lodge operations chairman is themselves a nominee in the current election process, their duties determining if a situation meets the criteria of extenuating circumstances shall be passed on to the youth in charge of running the election process.
Sub-section 3: If the lodge chief is a nominee in the current election process, they will not be consulted in the process described in clause B above.
Sub-section 4: Any officer who is approved to submit a recorded speech shall be required to schedule their recording with the lodge operations committee and complete their speech in one take.

Clause C: The elections shall be made by secret ballot. The largest number of votes cast for any of the nominees for each office by the voting youth membership of the lodge present at each election is sufficient for that nominee to win the election of that office.

Sub-section 1: The results of each election shall be announced (without reference to actual vote counts) to the lodge general membership before the next election is to take place.
Sub-section 2: The lodge shall hold three (3) separate elections in this order:

1. Chief
2. Vice chief(s)
3. Secretary and Treasurer

Clause D: After each election occurs the nominees not elected to a position may drop down to be a nominee of another officer election.

Reasoning For Change:
There was some discussion about whether the ability for someone to not attend the weekend and prepare their speech ahead of time gives those nominees an advantage with a better ability to convey their "perfect" speech. This rule would prevent nominees from getting an unfair advantage.
