Reports

Liam Lynch-
I will be home next week, so this is the last LEC that I will be online. Mara, events have great themes and I am excited to see the play out. Ordeal and brotherhood, how are the numbers, if we can do a call, sometime next week, that would be great. Noah, hopefully ceremonies and the grounds are doing well, I heard that there was some damage to the ceremonial ground at Hart. Comms, keep promoting for the weekends and membership dues. Let's get in contact to come up with ways to help boost attendance. Before my chief's minute I am challenging all of you. I've been talking to Zach and Terence and Mr. Cless about the dues numbers, and we want to get numbers up. I know it's a bit of a slow start. I want to challenge everyone to call up 2 people who haven't paid dues or signed up for the weekend, and make them do so! Maybe we can get an incentive for the chapter that has the highest attendance. I hope we can get to 250 people at Spring Service 1. I'll send more stuff out with the officers when I am home next week.

Business

Lafayette Chapter Flag Design- (Zach Gilinger)
So the Lafayette flag is currently sun faded and worn, this will be from the lodge's budget. The shield was made from the Lafayette district patch. The hat is a triform hat from the history of lafayette. Should cost approximately $50. Flip orientation of the flag. The flag will be printed so the number of colors doesn't matter.

Motion: Zach Gilinger: I would like to make a motion to pass the Lafayette flag with the change of the arrow orientation. Second by: Jason Abiuso

Spring Service 2 Budget- (Mara Strauss)
This is basically the exact same as last time so couldn't base it off of SS1. Promote promote promote. Shout out to gen nash for posting so much on their instagram. The only difference is in the program. Sash prices went up even higher in the past month. We kept the money for the supplies. Kept decorations in the category. We have a dunk tank and slip and slide but won't

need material. Have some money roll over to Fall Fellowship. Change of sash prices are reflected in ordeal and brotherhood it is now $25 a sash.

Motion: Mara Strauss: I would like to make a motion to approve the SS2 budget. Seconded by Aidan Sutkowski

Anything for the good of the Lodge:

Brayden Liebel- I am the chapter chief for general nash. This Saturday at Delmont lakefront at 6pm is our annual call out. We are welcoming all of you to come out and give us feedback for what we can approve upon. Y'all are invited.

Paul Siminuk- The properties that we approved last year, the long sleeve, sweatshirt, belt buckle, and crewneck, have arrived and will be available at Spring Service 1.

Aidan Sutkowski- The memorabilia show is August 25 and August 26. You can buy-sell-trade-learn about scout memorabilia and patches. Also the history committee has published the history of catholic scouting for purchase for $5.

Griffen O'Brien- Reminder that the Cradle of Liberty eagle scout dinner is april 30th from 12 to 3pm in Franconia PA at the Franconia Heritage Banquet Center. Cost is $50 to attend. Scouts who earned the rank of Eagle Scout in 2020, 2021, and 2022 are FREE. They will be honoring the distinguished Adult Eagle Scout Award as well as scholarship recipients. Lets try and have a good showing by Unami Lodge Members. You need to register on the council website. I would like to have a great Unami presence, so sign up on the council website.

Jason Abiuso- We have just over a month for Vigil nominations, they close in April. We would like to see some more nominations submitted. If you think someone is deserving of attaining Vigil, please nominate them! Talk to people in your chapter, troop, and anyone you know in the Lodge. Some of you will be receiving information within the next week, if you are going to attend the Vigil election in May.

Griffen O'Brien- If you know anyone in your troop or chapter that isn't signed up for the weekend and eligible for brotherhood have them sign up to seal their bond at Spring Service 1 or Spring Service 2.

Todd Malora- You need to be a member in good standing otherwise vigil nomination isn't going anywhere. Adults and youth need to PAY YOUR DUES.

Gregg Slocum- Unami Lodge will have a table this Saturday at the Witauchsoman Trade-o-ree. If you want a head start on purchasing our new merchandise.
April 24 is the Cradle of Liberty Annual Recognition Dinner at 6:30pm in King of Prussia. We have 2 tables, one for youth and one for adults.

Will Beardsley- Conclave is June 9-11 at Joseph A. Citta Scout Reservation. On the section's behalf we are extremely excited. If you all know Rich, he works there and is super duper excited. Conclave registration is open and our early bird is starting to come to an end. If you have any questions, talk to anyone in the lodge, conclave committee, and myself.
If you were at Chester Watershed Cleanup, Can you send the Communications committee pictures, videos, or anything else from the weekend. That way we can promote future Community Service Days.

Mara Strauss- Please promote all of our weekends. Specifically Spring Service 1 and Spring Service 2. I have the numbers as of 3:07am there were 54 registrations and 12 turtle passes for a total of 68 people registered. This is indeed not 250 so please PROMOTE. There will be a flyer reposted to general slack.Promote any way you can because we need people there!

Matt Gutterman- As we were talking about the Cradle Of Liberty Annual Recognition dinner, Wayne Bickford was selected to receive the Silver Beaver Award.

Rhys Wallace- Chapter folks, we are getting rid of the 100 anniversary of the lodge book, take a whole box back to the people in your chapter. Don't burn them, give them out to the people in your chapter.

Terence- To reiterate, if you know anyone eligible to seal their bond let them know about the 2 upcoming induction weekends. The camp staff reunion is between 1pm-3pm.

Zach Kline- Mr. Lynch wanted to say that the informal staff reunion is at Spring Service 1. I have 25 former camp staff members signed up as of now. Can we ask people attending Spring Service 1 to park in the Musser parking lot and put their name and phone number on their dashboard of the car. We're only going to need those extra 20 spots for the informal reunion from 1 to 3 on Saturday afternoon. We are not going to have the manpower to ask people to park at Garrison and shuttle them down. I believe this will work as we can just use the Musser parking lot.
Echo what Liam was saying, get people to pay their dues. I have seen a lot of people out at Conclave, I think we can get a lot of people at the weekends.

Lodge Staff Advisor Minute: John Bickel
Thanks to the people who came out last weekend. We still need camp staff at both of our council camps. Resica is looking for people for all positions but specifically lifeguards or people over the age of 21. Musser we are looking for people to help staff the Stem Adventure Day Camp. If you are looking to be away all summer, we encourage you to go staff at Resica. But if you want to stay closer to home, go staff at Musser. There's a couple big events going on that the lodge normally has good showing for, which include the Annual Recognition Dinner and the Eagle Scout Dinner. This is our opportunity to show our presence as a lodge. The eagle scout dinner is April 30th and if you are an Eagle Scout from the class of 2020, 2021, or 2022 this is a

free lunch. Adults, encourage scouts in your troop to go, or even think about sponsoring. Service days are coming up at our Council Camps this Saturday. Come out and help, and get the chance to relive your day of service.

Lodge Adviser Minute: Craig Cless

Mr. Cless isn't here due to a family emergency, everything is OK but I, Todge Sutkowski, am going to step in instead. To chapter leadership, we have some missing data that was taken at unit elections and we could use some help to gather this information. The lodge has announced that we will have a lodge klondike committee. Steve Mach is going to be the advisor and a chairman is unknown. Let's take the chief's challenge, as we are really behind with our membership numbers. As of last year we were at around 800. Be engaged with anyone with a lodge flap on. Get information out of those people and work on getting them to pay their dues. We need your help and support with that.

Chief Minute: Liam Lynch

Professions, careers, jobs, sports teams, clubs, what do they all have in common? They all wear a uniform. The uniforms all come with the responsibilities that people have to follow. The uniforms don't tell us the lessons, achievements, and hours that go into learning about new things while in uniform. When the uniform comes off, are they still the same person or are they someone new? If the uniform comes off, the responsibilities don't leave them. Similarly, you are always a scout when you're in uniform or when you are not. I urge you to continue to follow the responsibilities that you have gained into life without the uniform. I have to go before my Drill Sergeant makes us do more push ups. Can't wait to see you all at Spring Service 1.
