1. I would like to make a proposal to the LEC to produce one hundred more Constellation Chapter Patches.

2. The Design has already been approved in the past so there is no need for the design to be approved by the LEC.
3. Constellation Chapter has made two separate batches of one hundred in the past. We are looking to produce more because we only have about 15 left.
4. The original price was $5 but we would like to increase the price to $6 because the price for producing one patch went from around $1 to costing about $3.

BSA Quote Approval – Offshore
