Patch Idea for Perpetual Fundraising Program (Paul Siminuk)
As you all as a lodge we are not only promoting our lodge but scouting as a whole. This year I was able to visit a lot of diverse areas. Scouting is not successful for everyone. Prep raises funds via properties. Go to a separate fund for troops for uniforms, pay dues, trips. All scouting purposes. Benefit lodge through pmp mark through contributions for council. Focus for making scouting more accessible as the main focus is for promoting. Focus on the three principles- brotherhood, cheerfulness and service. Brotherhood is represented by Mateu wiseman/medicine man. Constellation of fingers in the air for silence. Brotherhood tree, reach their other hand. Tree too big to work with others to reach around the tree. Lodge totem and three w in the right, arrow head in top left, fleur de lis change fingers to 3 rather than 1. Not profiting the lodge. Go to a donation to council. Similar to Japeechen flap (get a little for lodge to make next year's patch cover patch). We take back purchase money, profit goes to council. Initial investment until buying patches. Hand is hard to make out (not stars do silhouette) swamp contrast on the arrowhead on the moon. Put into existing scholarship accounts instead of creating new accounts. Getting concept and theme. Approval for the patch to get the patch started, meaning behind it is another time. We can push this for another time but need an emergency fund. Council has a generic form for campership dollars. Add more stars Tabled discussion resume at September LEC.

NOAC Fundraising Flap (Will Beardsley)
2 separate flaps to create the turtle. Excited to share the NOAC flap. Taking a look at the turtle for fall fellowship. Get out patch early and now. Colors purple and yellow colors for NOAC 2024. Flap with mountains to describe Colorado. Colorado university colors gold and grey. 500 made for 10. Sold separately. Boulder colors $20. Get as many as you want for said price.
1st one for 500 for $10, 2nd one 300 for $20. You can purchase 1, or both depending on what you want. Not making another purchase so the 2nd one is more expensive. Not the only flaps being made for NOAC. limit for one person to purchase at the trading post. 5 purple, 4 grey at fall fellowship no limit for digital afterwards. NO REPRODUCTION!!! Fundraising efforts: disclosed later
Liam Lynch- I would like to make a motion to approve the purchasing of the NOAC flaps for the 2024 NOAC. Second by Mara Strauss PASSED

Vigil Honor Budget (Patrick Lynch)
The budget is on slack, evens out so we need a vote to approve the budget from vigil.
Liam Lynch- I would like to move a motion to approve this year's vigil honor weekend budget for september. Seconded by: Zach Kline PASSED

<u>Anything for the good of the Lodge</u>:

Terence Lindsay- big ups to the first summer induction weekend (applause) say we had representatives from every chapter of the lodge.

Mara Strauss- summer induction was great. Goal was achieved. Budget will be going out between these 2 lecs, whoever sends the budget, email questions for the budget. Please look at it because we are cutting it close. Real discussion will happen. Fall fellowship is epic. It's sky/air themed. The Events committee is meeting next week. It'll be really exciting. 350 people!! Hot Air balloon, coast guard, airplanes, ultimate frisbee. Get to your chapters and PROMOTE. Incentives send it to the officers. 100 (Terence is in a tutu)

Liam Lynch- September 12th for fun family fellowship with Unami Lodge. We have the 100, 200, and 300 sections. The lodge gets the money and it doesn't cost anything to do. Repost the flyer for the Phillies Game versus the Braves starting at 6pm.

Lodge Staff Advisor Minute: John Bickel

Lodge Adviser Minute: Craig Cless
Great year so far. A couple of months to go. The officers are looking at our pmp and we have some achievable goals. We can definitely get thriving, possibly high performing. We didn't lose any motivation over the summer especially because of our Summer Induction Weekend.

Chief Minute: Liam Lynch
Submitted to the oa thrive. Coming into our lodge to work with the officers and in October working with the new elected officers. Meeting monday, it's a nice team with people from chicago. Look at numbers from past years. Dove into the numbers, if we continued on this pace, we would have 18 points. If we put work in we will have 22 points to become high performing. "Never too late to become a leader."

Someone's birthday is on August 12th. Special Cake because we can't get one that just says Happy Birthday Mr. Cless. Instead we wrote another year of seasoning.
