2024 Conclave T-shirt Design (Chairman)
Hello everyone! So the Conclave Committee has been working and we came up with our 2024 Conclave t-shirt design. This logo will be in the front left corner. The font is squiggly and is supposed to represent the theme of "frightening fellowship". On the back of the t-shirt is the larger logo with "Unami One" written above it. We designed the back design to resemble an athletic jersey with the name of the lodge on top and then where the number would usually be we placed the frightening themed logo. We do not have to get this approved, but we thought you all would like to see it.

Business

2024 Spring Service 2 Budget Approval (Chairman)
This Spring Service 2 budget is basically the same as the Spring Service 1 budget. So we are expected to have a total of 270 participants for a total income of $11,816.41 Moving onto expenses we expect to buy 300 event patches for $1.82 per patch, 270 weekend bracelets for $0.16 per bracelet. We expect program to cost $227.20, and administration (printing) to cost $70. Food (including Ordeal's food) is expected to cost $7,230.00. For the Ordeal cost (sash, handbook, lodge flap, EMAT fees and EMAT bag) we expect to spend $2,700.00; as for Brotherhood (sash) we expect to spend a total of $1,000. With all of that said, the total income is $11,816.40 and the total expenses are $11,816.40 so the balance is 0.

There was some discussion about how the number of 75 Ordeals may seem a bit high, but looking at past numbers and remembering that we usually get more Ordeals at Resica the number of 75 Ordeals is accurate.

Chairman - I would like to make a motion to approve the SS2 budget. Seconded by: Chairman PASSED

2024 Conclave Budget Approval (Chairman**)**
Ok, So conclave this year is being held from June 7-9 at Camp NoBeBoSco. We based the budget off of a total of 80 participants, but more is better so sign up! We ask participants from our Lodge to pay an extra $5 to pay for lodge program and materials at Conclave. We have a fundraiser dangle which we will sell for $7 per patch, and extra t-shirts which will be sold for $25 per shirt. We got $505.65 from the Section from the previous Conclave. All of that leaves for a total income of $3,155.65. Moving on to expenses, we will be purchasing a total of 100 t-shirts in various sizes from small to XXXL which will cost $1,740.35. We will also be purchasing some promotional items such as 150 stickers for $1.25 per sticker, and 250 patch dangles for $2 per dangle. This year we will also be purchasing a few promotional shirts for the some of the LEC members to wear during the Lodge weekends. We will purchase 11 of these shirts for $200.7. Finally we will be buying 80 kazoos for $20. This leaves the total income to be $3,155.65 and the total expenses to be $3,155.65 which equals 0!

Chairman - I would like to make a motion to approve the 2024 Conclave budget. Seconded by: Chairman PASSED

2024 Conclave Fundraiser Patch (Chairman**)**
This is our fundraiser dangle. The Unami turtle in the middle with the conclave cup. We have the fleur-de-lis and the WWW. There are a total of 4 different colors, with one of them being glow in the dark!

There was a discussion about adding the year (2024) to the patch.

Chairman - I would like to make a motion to approve, with changes, the 2024 conclave fundraiser dangle. Seconded by: Chairman PASSED

Lodge Rules and Procedures Changes for Inductions (Chairman**)**
We would like to change Appendix A, the LEC organizational chart, by adding in the Inductions Committee. This (and the rest of my motions) will take effect after the general members approval of adding Inductions as a standing committee.

Chairman - I would like to make a motion to approve the addition of the Inductions Committee to the LEC organizational Chart pending the general members approval. Seconded by: Chairman PASSED

We would like to update the position description and responsibilities of the Brotherhood Chair by: streamlining the communication and promotion methods used, including up to date and stable wording, adding the responsibility of supervising all Brotherhood Staff at events and updating all facilitator materials to allow for a more sustainable brotherhood program.

Chairman - I would like to make a motion to approve the changes to the Brotherhood Chair's position description and responsibilities pending the general members approval. Seconded by Chairman PASSED

We would like to change Appendix B by adding in the Inductions Committee description and

responsibilities which are as follows: shall be responsible for facilitating the Elangomat program, shall collaborate with Ordeal and Brotherhood Committees to promote induction opportunities to all eligible members, shall design the program at the Summer Inductions Weekend and Brotherhood Blitz, shall assist the Ordeal and Brotherhood induction processes at lodge induction events.

Chairman - I would like to make a motion to approve the addition of the Inductions Chair and their responsibilities to Appendix B pending the general members approval. Seconded by: Chairman PASSED

We would like to change Appendix B by changing the description and responsibilities of the Membership Chair by getting rid of their responsibility to promote any and all Brotherhood conversion events and transfer this responsibility to the Inductions Chair.

Chairman - I would like to make a motion to approve the removal of point 3 of Membership Chair description pending the general members approval. Seconded by: Chairman PASSED

We would like to change the Ordeal Chair position description and responsibilities in Appendix B to: streamline promotion methods, use up to date and stable wording and update the Ordeals facilitator materials as necessary.

Chairman - I would like to make a motion to approve the changes to the Ordeal Chair position description pending the general members approval. Seconded by: Chairman PASSED

We would like to change the Unit Elections Chair position description and responsibilities with the addition of: "Shall support the promotion of any ordeal opportunities to elected candidates of Unami Lodge, One in consultation with the Inductions, Ordeal and Communications Committees".

Chairman - I would like to make a motion to approve the changes to the Unit Elections Chair description pending member approval. Seconded by: Chairman PASSED

Anything for the good of the Lodge:

Chief - I've been working on something that I hope you all enjoy.

"Greetings my brothers of Unami Lodge One,

As your Chief, it is my utmost pleasure to introduce a groundbreaking initiative that will enhance communication and engagement within our lodge:

Unami Lodge I present: The Chief Hotlinez.

Unami Lodge, One understands the importance of fostering a strong sense of community. I want to ensure that every arrowman has a platform to voice their questions, suggestions, and feedback.

That's why we're launching the Chief Hotline, a dynamic video series/web series designed to bridge the gap between leadership and our general members.

Here's how it works: You, the members of Unami Lodge One, will have the opportunity to fill out a form and communicate directly with me (and the rest of the lodge leadership team). Whether you have burning questions about lodge activities, insightful suggestions for improvement, or you simply just want to share your thoughts, the Chief Hotline is your direct line.

But it doesn't stop there. The Chief Hotline isn't about one-way communication. It's about sparking meaningful dialogue and fostering a sense of collaboration within our lodge community. Your feedback will be not only be heard but be valued.

I invite each and every one of you to participate in this exciting new venture. Let your voices be heard, and together, let's propel Unami Lodge One to new heights of excellence. .

It’s our aim to launch the Chief Hotline at our next Spring Service Weekend, where we'll kick off this innovative communication platform with enthusiasm and dedication. Together, we can ensure that Unami Lodge One continues to thrive for generations to come.

Thank you, and I eagerly anticipate our journey ahead.”

Chairman - Hi guys, I'm still (the Inductions Committee) looking for EMATS for the lodge weekends. I sent an email out to you all with a google from that you can fill out if you are interested and willing to serve as an EMAT. We especially need EMATS for weekends after the SS’s.

Chairman - This is an announcement from the Service Committee: As you all know, the Community Service Day got postponed. We are working to reschedule the event and will continue to communicate any updates.

Arrowman - Monday April 15th is the Council Dinner! The Lodge typically has 2 tables (10 per table) at that Dinner; if you are interested in attending please contact me ASAP. Heather McConnvile will be receiving the silver beaver award which is the top Council level service award.

Arrowman - if you are looking for a summer job, Resica is looking for employees! A lot of the people in this room will be on staff, so apply now to have an amazing summer working with your friends and fellow arrowmen.

Arrowman - If you ordered an LEC quarter zip, I have them. Please come and get them from me after the LEC.

Arrowman - An adult (21 and over) pinewood derby will be happening at the North Penn VFW on April 20th. Enter a car to support the special projects that are happening at RFSR!

Arrowman - April 5-7th, if you haven't registered, register tonight ! Get others to register as well. We have 166 people registered so get the word out. There are some pretty good incentives like the Vice Chiefs cutting their hair or the Chief dyeing his hair green if enough people register!

Arrowman - 60% of units have scheduled their units elections. I'd like to make sure that we get as many elections done as we can before september. I know some have been completed, but not approved, so get them approved.

Arrowman - nominations for vigil honor close this sunday, 5 days left. Get them in as soon as you can so you don't waste Easter filling out nominations.

Arrowman - Hi everyone!! I would like to thank everyone for your support. We now have the ARK drive with all of our history we have saved. I will be getting this out, all 60 gigabytes. We will also be bringing the history pop up shop to SS2 so bring your money to buy stuff!

Arrowman - I would like to extend an opportunity to those on the LEC to help out at Conclave by serving on a Conclave committee. There are many different things you all can help out with from shows to communications. If you are interested please get in touch with me.

Arrowman - speaking of Conclave, get your friends and yourselves registered for our conclave please!

Arrowman - (Arrowman speaking) Our next LEC will not be April 23rd; we will be pushing it back one week due to a religious holiday. It will now be on April 30th at 7pm.

Arrowman - as of today this is what our membership is looking like. We currently have 213 registered youth, 58 registered young adults and 347 registered adults. Also a reminder that if you are serving on the LEC and plan to in years to come you need to be a dues paying member of the Lodge.

Arrowman - the award nominations are open, so if you know an arrowmen who has shown exceptional service to Scouting and the Lodge then nominate them!

Arrowman- thank you all for tonight, we got through 6 changes. I'm glad we got to come together and make some changes for the betterment of our future.

Lodge Staff Advisor Minute: Arrowman

First of all, General Nash Chapter patches are in. patch traders and NOAC attendees, some of the OA BSA patches are being sold at a discounted price so buy them while you can to trade them! Secondly, Camp staff opportunities: Stay away from home and work at Resica Falls or stay at home and commute to work at Musser! Service days for Resica and Musser are all through this spring, so go out and continue to give back.

Safety moment of the night! Just a reminder we need to make sure everyone that attends the weekends is currently a registered member of Scouts BSA. Speaking to those who are working with registration. Remember if you're a part of the LEC you need to be registered in the Lodge (AKA paying your dues).

Finally, our charter for the Lodge came in from national; congratulations, we are a chartered lodge now!

Lodge Adviser Minute: Arrowman

First of all I apologize for not being at the last LEC, and as you know I will not be at the SS1. The ALAs will be running the weekend; if you have any problems go to them for help. I thank you all for your support. Lastly, I have a fun story to read to you that I hope you will enjoy.

“On July 31, 2007—the last night of the Order of the Arrow’s National Conservation and Leadership Summit—our National Chief gave a speech. In his speech, he related a story about the importance of salt to the human race.
Salt is a major ingredient that is used to season our food. When we use salt to season our food, it usually takes several shakes to spread multiple granules of salt onto the food. Everyone’s tastes are different, so not everyone will require the same amount of salt to provide the added seasoning to satisfy their taste buds.
In the early days, salt was used to preserve foods. Early settlers did not have the convenience of cold storage from refrigerators or freezers as we have today. They would use an abundance of salt to cover their meat to preserve it for later consumption.
Salt can also be used with water to create a mouthwash for sores you may have in your mouth. Simply rinse your mouth out with this salt and water solution to expedite and improve your oral health.
We have identified three attributes of salt: (1) It seasons, (2) it preserves, and (3) it improves. So how is salt related to our lodge? Why is it important to our lodge? Do we need salt in the lodge? Do we have salt in the lodge?
Consider each member a granule of salt. We need salt for the same reasons mentioned above. We need to constantly season our younger members for them to one day lead the lodge and chapters as youth officers and chairmen. Seasoned, older Arrowmen can provide help in continuing this seasoning process.
We need salt to continue to preserve our values not only in our lodge and chapters but also in Scouting and our society. Our values must be maintained and passed on in our future. Every

year we should not be complacent to just do what was done the year before. We should strive to improve on what we did last year.
Salt is composed of tiny individual granules and one granule is a start, but will not provide enough to recognize a huge difference. However, when we use multiple granules of salt, we begin to realize a difference and see results. I challenge you to band together like salt and help season our lodge, work to preserve our values, and participate to improve our lodge and the members in it."

Chief Minute: Arrowman

My esteemed brothers of Unami Lodge 1,

In our lodge, we hold dear the principle that isolation is not a path to strength but a road to vulnerability. As Chief, I implore you to remember the wisdom of Law 18: "Do Not Build Fortresses to Protect Yourself – Isolation is Dangerous." Let us instead embrace the power of connection, tearing down the walls that separate us, and standing united in our pursuit of greatness.

Together, bound by the bonds of tradition and brotherhood, we are an unstoppable force. Let us lean on each other, support one another, and face the challenges ahead with unwavering resolve. In our unity lies our strength, and through collaboration, we shall overcome all obstacles that dare to stand in our way.
