Conclave Budget Actuals (Matt Rouleau)

*****See Attachment*****

We had 39 youth/youth adults attend Conclave and at $1,200 each we brought in $46,800. We had 19 adults attend also at $1,200 each and totaled to $22,800. There was a $500 donation so we could have a pizza party at Conclave. We sold 400 patch sets for $20 per set totaling to $8,000. From the patch auction we fundraised $999 and from the turtle key chains we made $750 after we sold 75 for $10 each. The Conclave t-shirts we had 110 sold at $30 a piece which brought in $3,300. All of this totals up to $83,149 for income.

There were two scholarships handed out which took off $600 from two members. The section fee was $70,575 to bring 59 members at $1,200 per person. There were two refunds given out at $412 for 2 people totals to $824. The t-shirts and bag tags given out totalled up to $3,040.26. The fundraiser lodge flaps cost $976 at $2.44 a piece for 400 flaps. The patch set was also $976 at $2.44 a piece for 400 sets. The t-shirts cost a total of $2,393.82 for 110 shirts at $21.76 per shirt. We did not have to ship anything to Conclave. The pizza party only cost $214.86 and the remainder of the $500 donated ($285.14) was donated into the general fund. The patches and stickers for the Fellowship Fest cost $199.75. Our communication / messaging service was $160. Our total operating expenses came out to $79,644.83

Note that we have not sold all of the patch sets, we still have 238. The numbers are based on us selling all of the patches. In the end the budget came out to a profit of $3,504.17.

2026 Membership Dues (David Zangwill)

*****See Attachment*****

It's time to talk about membership dues and changing them. Why are we changing them? National has made it possible to pay dues through Lodgemaster. We plan to move from Blackpug to Lodgemaster because Lodgemaster can be used through the OA app. However using Lodgemaster does not allow us to have different prices, so Youth and Adults will have the same due payment. We can only have the early bird and the regular price change.

We are proposing to make the 2026 dues to be $30 for Adults and Youth. If paid before February 28th, the early bird fee will be $20 for both Adults and Youth. There will be a 3% credit card fee paid through Lodgemaster. We are estimating for 700 people to pay dues this year so the income will be $16,500 from dues over the course of the year.

Motion: David Zangwill - I would like to make a motion to approve the 2026 Lodge Membership Dues. Seconded by: Matt Rouleau PASSED

New Members Bash Proposal (David Zangwill)

See Attachment

The yearly New Members Bask will be at the Gravity Vault in Radnor on November 23rd from 1pm - 3pm. Youth members who are not climbing will get in for free. Youth members who will be climbing will be charged $5 and we are assuming around 20 youth will attend bringing us to $100 for youth climbers. Adults are also $5 and we are assuming 10 adults present which brings us to $50 from adults. Our 2025 budget gives us $600 and the total amount of income comes to $750.

Our expenses will just be for food which will cost us $250. The facility will cost us $300 to rent. This all brings our total expenses to $550. Which gives us an excess amount of $200.

Motion: David Zangwill - I would like to make a motion to approve the New Members Bash Budget. Seconded by:Leah Callahan PASSED

Brotherhood Blitz Budget (Alex Rossi)

See Attachment

For the blitz, staff will have to pay $10 each and we are estimating we will have 16 staff between youth and adults. This will total to $160. The candidates will pay $35 each and we plan to have 40 candidates which totals to $1,400 for the candidates. Our total income comes out to $1,560.

The expenses for the weekend include the Saturday lunch which will be $15 per person for 56 people which totals to $840. We get the weekend bracelets for free because we already have them. For all of the brotherhood sashed assuming we need 40 sashes will run us a total of $720 for all of the sashes for $18 a piece.

Since the estimated income is $1,560 and the estimated expenses are $1,560 we see ourselves at a balanced budget.

Motion: Alex Rossi - I would like to make a motion to approve the 2025 Brotherhood Blitz Budget. Seconded by: Douglas LeBlanc PASSED

New Lodge Properties (Star McMackin)

See Attachment

We are presenting these designs. We are not looking for any critiques, we just want a yes or a no. There is a distressed logo and a non-distressed logo.

The Gen U logo will be put on the front of a shirt. It is not a pocket patch; it will cover the front of the shirt. We are picking these designs because we wanted more of a pop culture design for a property. Right now we plan to use the distressed logo for the shirt.

We will also be putting this Unami turtle logo on the shoulder.

Motion: Star McMackin - I would like to make a motion to approve the shirt design with the distressed logo and the turtle logo. Seconded by:Ian Brumm PASSED

See Attachment

We have another design for a potential sticker. This logo also has a distressed design and a non-distressed design. We will go with the non-distressed design because since it will be a sticker it will get dirty and the distressed logo will be pointless.

Motion: Star McMackin - I would like to make a motion to approve the sticker design. Seconded by:Cullen Dougherty PASSED

Anything for the good of the Lodge:

Leah Callahan - Fall Fellowship registration closes tomorrow at 11:59pm. We want 300 people to be there. We are only 10 away from reaching that goal. Make sure you tell your friends to be there. If you would like to help the Events committee with any of the fellowship please text or email me.

Also, chairs read and respond to my email! We are going to have so much fun. Please fill out the form.

Matt Rouleau - LLD registration opens a week after Fall Fellowship. Please come out to our ceremonies at Fall Fellowship because this will be the last time we will be using regalia and drums. Everyone should be there. There also will be nothing going on in camp at that time so you have no reason not to.

Douglas LeBlanc - I just want to say congratulations to those who kept their vigil at Treasure Island.

Marina Darcas - We have done a lot of unit elections this year. This is the last month to do unit elections for the year. So far this year we have had the most elections completed in the past 3 years! We still have 11 elections scheduled left for this year until September 30th. We want to reach the goal of 170 people elected. We currently have 108, we can do it!

Ian Brumm - We have some interesting service projects this weekend. Brotherhood will be doing the trail after lunch to get all of the work done. Ordeal will be working until 3pm, there will be two groups across the bridge at the old camp. During voting we will need adults to watch the ordeals. Elangomats, if you can come back to the dining hall for elections and to vote.

Sophia Carroll - Award nominations will close on October 31st at midnight. There will be no late exceptions so head over to the lodge website and nominate a brother who you think is deserving of an award.

If you are on the lodge officer ballot and wish to not be, please send me or Matt an email to let us know and we will take you off.

David Zangwill - The Washington chapter meeting is going to be on the 8th of October. We are bringing this to the LEC because we are featuring committees at the meeting so that our scouts can have exposure to the committees to allow them to get more involved. Committee chairs please message me or email me if you can and are interested in attending our meeting. We are looking for at least 3 committees to be present.

Jaclyn Keyser - For Fall Fellowship we are still looking for one youth male to be an elangomat. If you are interested please reach out to Inductions.

Steve mach - The staff application for Resica has been released. Please join camp staff for next year. You must be at least 15 years old to work as a paid staff member.

Todge Sutkowski - Thank you to the Vigil committee for getting through some challenges to put together the Vigil weekend. It was a huge successful event from the committee.

Lodge Staff Advisor Minute: John Bickel

Hi Folks - Most of the things I planned to share were mentioned by others in the "For the Good of the Lodge" section, but I do want to echo the praise for the Vigil committee. It was a good opportunity to be back on the Island, and they showed us that even when there is a hard task or obstacle in front of us, with the right creativity we can overcome it! Good job to the Vigil committee for putting on a successful event.

I do want to put an advertisement in for Liberty Jam, and a volunteer opportunity for the host site. Registration is now live for the event, so please encourage your Troops to sign-up and participate in this large council-wide Camp-o-Ree! In addition to troop participation, there will be some opportunities for the lodge to participate as staff. Mark your calendars for the first weekend in May (May 1-3!) and join us for this big event. It is a council wide event and the last time that really happened was back in 2016 at Musser. Liberty jam will be taking-place at Green

Lane park, and they could use our help to volunteer for one of their upcoming events. On Saturday October 11th we have a volunteer opportunity where we need 12 people to help staff a haunted station for their Haunted Hayride. Let me know if you are interested and able to help!

Nice job on the meeting tonight - it was good to see a few of the important things have a discussion and vote on. Well done - and I'm interested to see how the new dues system works!

Lodge Adviser Minute: Todge Sutkowski

Right now we are in a season of change with the fall season. Many of you will run for lodge office. That will bring new change in the lodge and new change in your personal life. You've failed many times, although you might not remember. You fell down the first time you tried to walk.

Did you hit the ball the first time you swung a bat? Heavy hitters, the ones who hit the most homeruns, also strike out a lot. Babe Ruth struck out 1,330 times, but he also hit 714 home runs.

R. H. Macy failed seven times before his store in New York caught on.

Michael Jordan once said "I've missed more than 9,000 shots in my career, I've lost almost 300 games. 26 times have I been trusted to take the game winning shot . . . and missed. I've failed over and over and over again in my life and that is why I succeed.

Don't worry about failure. Worry about the chances you miss when you don't even try.

Chief Minute: Martin Stacey

The Order of the Arrow is a thing of the spirit rather than of mechanics.
Organizations, operational procedure, and paraphernalia are necessary in any large and growing movement, but they are not what count in the end. The things of the spirit count.
Brotherhood - in a day when there is too much hatred at home and abroad.
Cheerfulness - in a day when the pessimists have the floor.
Service - in a day when millions are interested only in getting or grasping rather than giving.

Goodnight Unami Lodge.
