2026 Dues Proposal

By the Membership Committee

Why are we proposing a dues change?

- National OA has made it possible to pay dues in Lodgemaster

- We would like to move from BlackPug to Lodgemaster because it will be easier for new OA Members to see through the app on Google and Apple phones if they have paid or not, encouraging them to pay their dues.

Current Issues with paying through LM

- Currently does not allow us to have two different level prices, ie. Youth or Adult. Only Early Bird and Late.
- No way to add a transfer from another lodge or someone that hasn’t paid dues in the past few years. Currently we charge an additional $5 for these services

Our Proposal

- We are proposing the 2026 dues to be $30 for Adult and Youth.

- If paid before February 28th, the Early Bird cost for dues is $20 for Youth and $20 for Adults

(There would to be the 3% credit card fee)
