We already have a list of people who attend our meetings who would like to help with such topics.

Business

2025 Account Balance Report (Ben Branz) - See attachment for exact numbers and balances

Comments on 2025 Account Balance Report - The Vigil Committee is at a negative because they bought properties for themselves at the end of the year that they have not had the chance to sell. To prevent this in the future we will make an adjustment to make all properties affected by the lodge not individual committees

2025 General Fund Budget vs Actuals (Ben Branz) - See attachment for exact numbers and balances

Comments on 2025 General Fund Budget vs Actuals - Numbers in red shown on this document mean we spent less than what was allocated rather than where we went over budget as seen in red on the 2025 Account Balance Report

2026 Proposed Budget (Ben Branz) - See attachment for exact numbers and balances

Comments on 2026 Proposed Budget - The Events Committee is shown at $0 in this budget because they make profit from event registration from weekend attendance so they do not take money from the General Fund.

All chapters will be receiving $75 due to every chapter (except 2) not using their allocated funds. If chapters use their full allocated funds this year that $75 will be increased next year. The purpose of this is to save money and not provide it in areas where it's not being used.

The Section Rebate is a reimbursement from Section for Conclave which is given to the lodges for refunding the members and the lodge for the expenses paid. This rebate money is not kept in the general fund so it is reflected as $0 on the budget.

Motion: Ben Branz - I would like to make a motion to approve the 2026 Proposed Budget Seconded by: Douglas LeBlanc PASSED

2026 Lodge Dinner Actuals (Leah Callahan) - See attachment for exact numbers and balances

Comments on 2026 Lodge Dinner Actuals - In the future the meal prices will be adjusted so there will be less revenue for the Events Committee

There was a slight refund due to the Alloy not giving us table cloths for the event

2026 History Committee Budget vs Actual (Kai Xin Morales) - See attachment for exact numbers and balances

Comments on 2026 History Committee Budget vs Actuals - The History Committee is expecting less income due to a change in venue for the Trade-O-Ree event

Motion: Kai Xin Morales - I would like to make a motion to approve the 2026 History Committee Budget Seconded by: Avery Tyrrell PASSED

2026 Vigil Budget (Martin Stacey) - See attachment for exact numbers and balances

Comments on 2026 Vigil Budget - The sash prices on this document are not accurate. They should be stated as $18.

Motion: Martin Stacey - I would like to make a motion to approve the 2026 Vigil Honor Committee Budget Seconded by: Amelia LeVay PASSED

2026 Events Pricing (Leah Callahan) - See attachment for exact numbers and balances

Comments on 2026 Events Pricing - Prices have not been lowered this year because the numbers did not align correctly within a budget and would be better suited if the pricing stays the same.

Prices can stay the same with rising food costs because we are crafting less expensive menus this year and we have historically had a surplus of food and food costs within the past year. With this, in theory the Events Committee will break even rather than gaining revenue for our lodge events.

The “Sponsor a Sash” program is still functional in the 2026 lodge year and is present within the Events Account and will be present within Events Budget in the near future. The purpose of this program is to lower the costs the lodge is paying for sashes, and is specifically not used to lower the Ordeal Registration cost.

Motion: Leah Callahan - I would like to make a motion to approve the 2026 Events Pricing Seconded by: Marina Darcus PASSED

Section E17 Rebate (Matt Rouleau) - Section E17 provided us a $7,941.25 rebate for the 2025 Conclave in Puerto Rico. To offset the other costs of this Conclave we are proposing to evenly split the rebate between the contingent members and the lodge (the money being allocated to the lodge will be kept in the Lodge Section account). A $40 lodge gift card is given to each participant as each attendees reimbursement.

Comments on Section E17 Rebate - If you went to Conclave in place of someone who could no longer attend, whoever paid for the spot will be receiving the refund

The section made it clear that this money is to be used however the lodges choose to use it.

This topic will be tabled until the February LEC meeting.

National Jamboree Patch Design - *REVISITED* (Martin Stacey) - This flap's design is inspired by and based off of the Summit Circle as well as the Treasure Island ceremonial grounds (on the top of the flap). The founders are handdrawn on either side of the patch (bottom left and right of the flap). Along with the founders is another image of the Summit Circle with a blue flame located on either side.

This design includes 6 different colors throughout the patch with topography in the background as seen in the previous Jamboree Patch design models. The green hue on the turtle is going to be a darker blue when manufactured.

The Treasure Island Scout Camp logo on the right rock is incorrect and will be changed to the correct logo before printing.

Motion: Martin Stacey - I would like to make a motion to approve the design of the 2026 with the proposed change of including the correct Treasure Island logo Seconded by: Leah CallahanPASSED

Council Donation - *REVISITED* (Matt Rouleau) - The Special Projects Fund has a considerable amount of money that is intended to be used to provide a donation back to our Council. The lodge would like to donate $2,500 to Musser Scout Reservation (money will be put towards the Musser pavilions) in addition to this the lodge is also allocating $2,500 to Brenner Lodge at Resica Falls Scout Reservation. This donation coming from the Special Projects Fund will not affect our lodge's PMP standard and is meant to show our gratitude to the Council for allowing us to use the Council Camps (MSR and RFSR) for our lodge weekends each year.

Motion: Amelia LeVay - I would like to make a motion to approve the $2500 to Musser Scout Reservation for the Pavilion Project and $2500 to Brenner Lodge with that money being taken from the Special Projects Fund by: Andrew Smallberger PASSED

Anything for the good of the Lodge:

Martin Stacey - The 2026 Section Leadership Conference will be held at Bucks County Community College! The registration is open to everyone, but you will have to cover your own event fees unless you are confirmed to be paid by the lodge. There are currently 17 people registered from Unami so register today so we can get ahead of Lenape!!!

Marina Darcus - The Chapter Officer training is this Saturday! This event was previously known as the unit elections training. If you're a Chapter Officer we hope to see you there! Also Unit Elections are open again so get your elections scheduled so the candidates can come join us at SS1 and SS2.

Leah Callahan - The 2026 events theme is MOVIES! Registration for Spring Service One will be opening soon so be sure to sign up when it does! Also be sure to pay your dues so you can participate in our lodge! Turtle Pass sales will be closing at the end of February so buy it while you can!

Martin Stacey - The 2026 Vigil Honor Nominations are open! Please nominate a brother you feel is deserving of this honor, you can do so on our lodge website on the "Leadership" tab under "Awards and Honors".

David Zangwill - Pay your dues! The early bird prices end on January 31st, be sure to pay by then to avoid the $10 increase! The Early Bird price is $20, the late price is $30.

Alex Rossi - The Brotherhood Committee needs members! Please join if you are able and go back to your Chapters and Troops or other brothers in the lodge to try and recruit some committee members.

Kenny Earnshaw - The Inductions Committee is aware of all the new changes coming out in the near future and is ready to handle it accordingly, so be ready to navigate some new things!

Fred Lynch - If there are any adults willing to step up and join myself and Mr. Tim English on the Brotherhood Committee that would be very appreciated to make this a great year for the Brotherhood Committee!

Brett Montich - There are a bunch of us registered for Operation Arrow, our National Officers are still looking for about 70 Arrowmen to come help out so please join us! If you have any questions let me know!

Lodge Staff Advisor Minute: John Bickel -
Good discussion from everyone tonight! It was good to see lots of discussion on the different topics presented tonight.

First of all congratulations to all the new people here tonight because you're in a new role. Please let me know if you need any assistance from me on the council level in addition to the help your advisors provide, that's why I'm here! Please let me know if there's some way for me to support your committees. I know there's a lot of support from others such as Dennis with finances or the membership things Jeffery does but we really mean it when we say we want to support you so please don't be afraid to reach out. Thank you for the role you're in and just know you have an extra layer of support here on the council side.

Two things I wanted to highlight - We have Liberty Jam coming up on May 1st to May 3rd at Green Lane State Park! We want to make sure we have as many units there as possible to make this a fun event. There will be staffing opportunities available later on, but now we're focused on attendance!

The second thing I have is Summer Camp. Camp Staff Applications are available for both Resica Falls and Musser so check them out at scoutingphilly.org/jobs. If you're interested in the resident experience apply to Resica Falls, if you need a camp that gives you the day experience where you can still sleep at home look at Musser. Both are two amazing Camp Staff opportunities where you can learn and grow.

Lodge Adviser Minute: Todge Sutkowski-
Thank you to the Officers for all the hard work they put into the budget, it was a lot of work. Thank you to everyone for working through tonight. We definitely have to fine tune a proposal for the Conclave return but we will work through that.

Just a few things I wanted to ask - Who is a fan of the Olympics?

We all took an oath when we came here, we took an oath at a Scout meeting. Did you realize that each one of those Olympic athletes have to take an oath? Here is that oath -

We swear that we will take part in the Olympic Games in loyal competition respecting the regulations that govern them and the desires and participation of them in true spirit in Sportsmanship in the honor of our country and glory of the sport.

This oath doesn't include anything about winning. What it really is about is how you play the game. Let's try to think of that when we're going through the course of the year and how we're playing the game.

Chief Minute: Matt Rouleau-

Thank you all for coming tonight. It's a Tuesday night I know a lot of people in high school are approaching their finals week and it was definitely a longer meeting. Hopefully this will be our longest LEC meeting of the year and I am extremely proud of all of the things we were able to get through tonight. I would like to challenge all of you to continue this work, continue this level of dedication and keep showing up to these meetings. This is the most people we've had at an LEC meeting in well over 2 or 3 years. The table should be this full every time. We've had a lot of great conversations tonight. We've gotten a lot done, a lot looked at and a lot discussed for the future. I think if we continue on this trend throughout the year and into the future we're going to continue to be a really successful lodge like we have been. There are a lot of updates and information coming out from the Officers on various things in the next few weeks so please be checking Slack and your emails frequently. The Officers and I are all really excited to work with you all this year, we will see you again in February!
