Troop 367 Reelection Approval

***Issue**:* A scoutmaster from troop 367 out of Continental has requested a **reelection.**

***Reason**:* The scoutmaster felt that ballots put the youth against each other, not an election that could have more than one winner.

According to national policy: If an error in the election process is identified after conducting an original election, the unit leader may submit a request to the lodge executive committee for a second election to be held on behalf of only the affected individual(s) in the unit. Approval of an additional election is solely at the discretion of the lodge executive
