- AIA (-)
    - No Report Submitted

- Brotherhood (Alex Rossi)
    - We had 6 Brothers seal their bonds at Summer Inductions. New Ordeals from Spring Service 1 will be eligible for Brotherhood Blitz on November 7 at Camp Hart. Ordeals from Spring 2 and Summer Inductions will unfortunately not be eligible until next year's Spring 1. The next opportunity for Brothers to seal their bonds will be Fall Fellowship on October 2-4 at Resica Falls. Emails will be sent out to the eligible when we get closer to Fall Fellowship. We are currently working on advertising Brotherhood for future weekends on both Lodge and Chapter levels.

- Camp Promotions (Aidan Sutkowski)
    - No Report Submitted

- Ceremonies (Cullen Dougherty)
    - The Ceremonies committee is practicing diligently in preparation for our annual Fall Fellowship weekend this October. The committee would also like to extend a big thank you to everyone who came out to the Summer Inductions weekend. If you are interested in learning more about or joining the ceremonies committee please reach out to ceremonies@unamilodge.org

- Communications (Nathan Schooler)
    - We are wrapping up gathering every chapter social media page login, and am now planning on switching each account information from personal info to lodge info (ex. emails). We are also starting to plan on work on FF promotions.

- Conclave (Sarah Olijnyk-Wong)
    - The Conclave Budget Actuals have been worked on and a detailed written report is created however, since Mr. Luke will not be at the LEC and there is a chance I will be late, we will be presenting both at the September LEC. But as for a short report: Conclave was a great time! We did not win the Conclave Cup, however we did win the spirit award! During Section officer elections, Martin Stacey was elected for Section Chief and Sophia Carroll was elected for Section Vice chief. As for the games, we won the Tug of War and the Ultimate Frisbee.

- Events (Leah Callahan)
    - We had a great time working with the Induction committee on Summer Inductions! We will continue to work with inductions for Fall Fellowship to maximize fun and the full induction experience.

- History (Kai Xin Morales / Marty Reph)
    - We made close to 1.5 grand at the history committee show, which includes food and sales. We also had a successful summer up at Resica Falls Scout reservation with our History Committee display at the OA Ice Cream Social.

- Inductions (Kenny Earnshaw)
    - Inductions is currently looking for anyone who attended Summer Inductions to do the induction experience, and would like to be a luminary. If you are interested in becoming a luminary or learning more about it, please reach out to induction@unamilodge.org.

Business

Rules and Procedures Changes - Removal of the AIA Committee (Natalie Sidlow) - For the past year the AIA committee has been dormant with no chair and no agreement to lead it in a direction for the future. Because of that fact, the officers, advisors, and I have decided it is time to dissolve the committee and remove it from the rules and procedures as a voting position. This idea was raised months ago, but due to a voting quorum we wanted to make sure we were able to balance the removal of a vote. **Please see attached R&P Document for further details.**

This motion is invalid due to an incorrect quorum, it will be revisited at the September LEC

Motion: Natalie Sidlow - I would like to make a motion to approve the removal of the American Indian Affairs Committee Seconded by: Luke Ramsey PASSED

Summer Induction Actuals (Leah Callahan) - Please see attached document for all details

Comments on SI Actuals - The New Induction Experience costs us more money to host due to factors such as the Silent Lunch program element.

2026 Scout Memorbilia Show Actuals (Kai Xin-Morales) - Please see attached document for all details

2027 NOAC Budget (Sam Montich) - Please see attached document and video for all details

Motion: Sam Montich - I would like to make a motion to approve the 2027 NOAC Budget Seconded by: Leah Callahan PASSED

Anything for the good of the Lodge:

Marina Darcas - Our lodge has completed a total of 89 elections so far this year! We have 13 elections scheduled for September and there are a total of 102 elections with a final number of 213 youth elected! Please ensure that all elections are scheduled and completed before September 30th!

Leah Callahan - Sign up for Fall Fellowship! It will be held on October 2nd - 4th at Resica Falls Scout Reservation! If we get 300 registrations the Officers will be doing “Hot Ones”! Questions and Hot Wings will be a ton of fun so be sure to register today! You can also go through the New Member Experience at Fall Fellowship if you’d like to try something different than just being a General Member, it’s a great opportunity! If you have any items you’d like to donate to the Patch Auction please reach out to either myself or Rhys.

Natalie Sidlow - Award Nominations are still open! They will remain open until October 31st at midnight! If you know anyone who you think should be recogized for all their hard work, you should definitely nominate them!

David Zangwill - The New Members Bash will be held at the Gravity Vault Rock Climbing Gym once again this year on November 29th!

Lodge Adviser Minute: Todge Sutkowski-
Thank you everyone for coming today! Anything you did this Summer for Scouting, I thank you. A lot of people worked at camp which is a great way to give back in service. I thank you for making an impact on lives, I truly appreciate it! It makes me really happy to see a lot of Arrowmen in camp!

After 20 years of continued service Gregg Slocum will be stepping down as our Financial Advisor at the end of this year. Starting on January 1st our new financial advisor will be Mr. Jason Abiuso!

Next month we need your attendance at our LEC meeting to get through these R&P Changes, they are very important. Please review them and join us next month.

Unfortunately we lost an American icon recently, Dolly Parton so I wanted to share a couple things about leadership. The impact that she left was incredible. We have a saying in Scouting - “leave your campsite better than you found it.” and I think Dolly did that. I want to leave you with one of her quotes about leadership: “If your actions create legacy that inspires others to dream more, learn more, do more, and become more then you are an excellent leader.

Vice Chief Minute: Amelia LeVay **-**

I would like to first thank everyone for making it to this meeting. It is a very busy time and all the things surrounding back to school can make all of our schedules complicated. I hope everyone had a good summer whether that was going to jamboree, philmont, summer camp, or any other fun summer activities that scouting has to offer. With the start of the school year I hope everyone is excited to finish off this lodge year strong, after all, we are Unami Lodge One. (one obviously being because we are the coolest one) I would like to share a quote by Leo F. Buscaglia about risks.

"To laugh is to risk appearing a fool,
To weep is to risk appearing sentimental.
To reach out to another is to risk involvement,
To expose feelings is to risk exposing your true self.
To place your ideas and dreams before a crowd is to risk their loss.
To love is to risk not being loved in return,
To live is to risk dying,
To hope is to risk despair,
To try is to risk failure.
But risks must be taken because the greatest hazard in life is to risk nothing.
The person who risks nothing, does nothing, has nothing, is nothing.
He may avoid suffering and sorrow,
But he cannot learn, feel, change, grow or live.
Chained by his servitude he is a slave who has forfeited all freedom.
Only a person who risks is free."
Thank you, Unami.
