Reasoning For Change:
Without a chair, this committee has not been operating for the 2026 lodge year. This committee is still technically a voting position despite not being able to operate due to the new induction process. Removing this committee will remove it as a voting member of the LEC.

Making NOAC (Or National Events, etc.) A Standing Committee

Rule Under Review:

Article IV: The Lodge Executive Committee
Section 4:
Clause A: The lodge operating committees shall be:

1) American Indian Affairs
2) Brotherhood
3) Camp Promotions
4) Ceremonies
5) Conclave
6) Communications
7) Events
8) History
9) Leadership Development
10) Lodge Operations
11) Membership
12) National Events
13) OA Unit Representative
14) Ordeal
15) Service
16) Unit Elections
17) Vigil Honor

Appendix A: LEC Organizational Chart

Appendix B: LEC Position Descriptions

National Events Chair

- Shall serve as a NOAC contingent chair or for any other national event.
- Shall coordinate and plan NOAC and other national events activities such as transportation, lodging, etc.
- Shall organize fundraising ventures to assist with the cost of attending national events.
- Shall promote attendance for events and fundraisers regarding national events.
- Shall promote national events such as NOAC, OpArrow, National Service, OAHA.
- Shall coordinate with the finance committee to create properties.

Reasoning For Change:

These are committees that are now created Ad-Hoc every year. Conclave used to be a function of the lodge chief, but for several years now had been delegated to a separate committee. NOAC used to be an event that occurred once every four years, so a standing committee was not needed each year. With the move to a NOAC to a more recurring basis, this committee now exists on essentially a permanent basis despite it not being a standing committee.

Has not proceeded due to NOAC being shifted to every 3 years instead of 2.
